Sacred Writings Part 2 Christian Buddhist Hind:

The Concept of Self in Hinduism, Buddhism, and Christianity and Its Implication for Interfaith Relations Kiseong Shin, 2017-05-05 This is the first comparative study of the self and no self in Hinduism Buddhism and Christianity In spite of doctrinal differences within these three belief systems they agree that human beings are in a predicament from which they need to be liberated Indian religions including Hinduism and Buddhism share the belief that human nature is inherently perfectible while the epistemological and psychological limitation of the human being is integral to Christian belief Regarding the immortality of the human being Hinduism and Christianity traditionally and generally agree that human beings as atman or soul possess intrinsic immortality On the contrary Buddhism teaches the doctrine of no self anatta Further in their quest to analyze the human predicament and attempt a way out of it they employ different concepts such as sin and salvation in Christianity attachment tanka and enlightenment nirvana in Buddhism and ignorance avidya and liberation moksha in Hinduism This volume seeks to show that behind these concepts are deep concerns related to human existence and its relationship with the whole creation These common concerns can be a basis for a greater understanding and dialogue between Christians Hindus and Buddhists *The Sacred Books of China*, 1976 **Everyone Prays** Alexis York

Lumbard, 2014 Christians Jews and Muslims all pray So do Hindus and Buddhists Many others pray too So begins Everyone Prays a bright and colorful concept book celebrating the diverse ways that people pray In a vibrant yet accessible manner young readers are transported on a visual tour across the globe They will discover the Native American sun dance ceremony visit the sacred sites in Jerusalem behold the Shinto shrines in Japan watch Maasai dances in Kenya see pilgrimages to the river Ganges in India and much much more With an appendix to help answer questions children might have Everyone Prays offers young hearts and minds a chance to learn that although people from other places and cultures may seem different we all share the diverse world of faith and prayer And what a bright and beautiful world it is **A Supplementary Catalogue**
