Sacred Parenting Gary Thomas, 2009-05-26 Parenting is a school for spiritual formation and our children are our teachers The journey of caring for rearing training and loving our children will profoundly alter us forever Sacred Parenting is unlike any other parenting book you have ever read This is not a how to book that teaches you ways to discipline your kids or help them achieve their full potential Instead of discussing how parents can change their kids Sacred Parenting turns the tables and demonstrates how God uses our kids to change us You've read all the method books Now take a step back and receive some much needed inspiration You'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God Sacred Parenting affirms the spiritual value of being a parent showing you the holy potential of the parent child relationship Sacred Parenting Pack Gary Thomas, 2010-12 In this six session video based small group bible study Gary Thomas uses a unique lens to look at parenting moving beyond raising great children to becoming more holy as a person What if one of God's primary intentions for you as a parent isn't about successfully raising perfect children but about you becoming more holy In Sacred Parenting Gary Thomas illustrates how God can transform lessons in raising children into opportunities to grow in the image of Christ It will help you and your group rediscover parenting from a different perspective as a method of spiritual formation expressly designed by God to shape your soul in ways you could not imagine This study will help you dig deeper into learning how God can transform dirty diapers toddler tantrums and a teenager's silence into occasions for becoming more like Christ Sessions include The Soul Transforming Journey of Parenting God Centered Parenting The Hardest Hurt of All Embracing Our Insignificance Walking on the Wild Side of Parenting The Gold Behind the Guilt This pack contains one guide and one DVD

Sacred Parenting Gary Thomas, 2017-08-29 Parenting is a school for spiritual formation and our children are our teachers The journey of caring for rearing training and loving our children profoundly alters us forever Even when the journey is a rough one God uses the experience to train shape and love us Sacred Parenting is unlike any other parenting book on the market This is not a how to book that teaches readers the ways to discipline their kids or help them achieve their full potential Instead of a discussion about how parents change their children Sacred Parenting demonstrates how God uses children to change their parents Stepping beyond the overly tilled soil of method books parents can learn a whole new side of parenting You'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God The lessons that Gary Thomas bestselling author of Sacred Marriage offers are timeless But in this edition Thomas adds in some additional insights and stories that he's learned and lived over the past fifteen years of his own parenting He has found that the lessons have remained much the same but there are new applications for the readers in this generation who are just now coming to his book Sacred Influence Gary L. Thomas, 2009-05-26 God calls women to influence and move their husbands in positive ways Applying the concepts from

Parents are facing the toughest challenge of their lives They want to create a loving family environment filled with mutual respect and cooperation but they find instead that human nature and the influence of our culture combine to produce an atmosphere of anxiety exhaustion and far too much screaming Perhaps you can relate Whether you scream at your children or not you no doubt feel anxious about them and their choices You worry how they'll turn out Unfortunately for parents many of the techniques some experts present only seem to make matters worse Hal Edward Runkel has discovered why Parents are spending far too much time orbiting their lives around their children They need to return the focus to themselves They need to grow up and calm down *ScreamFree Parenting* is about taming your reactive responses to your deep anxiety Rather than learning new techniques you'll discover the liberating principles based on scriptural truths that are inspiring parents just like you to revolutionize their family life Principles that will enable you to remain cool calm and connected with your children no matter what Learn how to parent less out of your deepest fears and more out of the highest principles in *ScreamFree Parenting* Special edition distributed through Christian booksellers *Sacred Marriage* Gary L. Thomas, 2010-12-30 Your marriage is much more than a union between you and your spouse It is a spiritual discipline ideally suited to help you know God more fully and intimately

Sacred Marriage shifts the focus from marital enrichment to spiritual enrichment in ways that can help you love your mate more. Whether it is delightful or difficult, your marriage can be. *Raising Disciples* Natalie Frisk, 2019-09-17 Children and youth will just catch the faith of their parents right. Not necessarily. Talking with kids about Jesus no longer comes naturally to many Christian parents. In *Raising Disciples*, pastor Natalie Frisk helps us reconnect faith and parenting, equipping parents to model what following Jesus looks like in daily life. Filled with authenticity, flexibility, humor, and prayer, Frisk outlines how parents can make openings for their children to experience God in their daily lives. As curriculum pastor at The Meeting House, one of the largest churches in Canada, Frisk calls parents who follow Christ to ask the big questions about the spiritual formation of children and teens. In practical and thoughtful ways, she equips parents to disciple their kids in various stages of childhood, adolescence, and young adulthood. *Raising Disciples* will awaken parents to the possibility of Jesus-centered parenting and encourage us to engage in the lost art of discipling our own kids. *Sacred Pathways* Gary Thomas, 2009-09-17 *Sacred Pathways* reveals nine distinct spiritual temperaments and their strengths, weaknesses, and tendencies to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and expanded edition of *Sacred Pathways*, Gary Thomas details nine spiritual temperaments and, like the Enneagram and other tools do with personality, encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily you but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured, it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that. Starting here, *Sacred Pathways* will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God. *Sacred Marriage Gift Edition* Gary Thomas, 2011-04-05 The perfect gift for engaged, newlywed, or married couples. churches need to become more missional and Kingdom focused but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God Christian families know that God has a better purpose for marriage and family but often don't have the slightest idea how to get there And while many books on Christian marriage and family are inwardly focused on simply getting along better this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and through analysis and practical suggestions recalls marriages and families to the purpose for which God intended them in the first place namely to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity **Regret Free Parenting** Catherine
