Moore,2024-07-18 Climate change is a driver of poverty poor mental health inequity and increased intersectional vulnerability with significant differential global impacts on individual and community health and well being For example people living in low resource settings in high income countries HICs and in low and middle income countries LMICs are at greater risk often experiencing fragile socioeconomic political and health infrastructures and conflict affected settings FCAS that place them at greater risk and vulnerabilities to climate change related mental health impacts The broad goal of this book is to place a social justice and inclusive lens on climate change and mental health equity focusing on these three key elements people place and community The book includes perspectives from the global North the global South and Indigenous perspectives to help provide greater insight into how we can better understand climate change and mental health equity across peoples place and community This book s three pronged approach will focus on certain trends in this emerging and growing field also bridging some of the more extensive gaps and is a tool for better understanding how mental health disparities might be addressed at this time Processes of Believing: The Acquisition, Maintenance, and Change in

Creditions Hans-Ferdinand Angel,Lluis Oviedo,Raymond F. Paloutzian,Anne L.C. Runehov,Rüdiger J. Seitz,2017-04-13 This volume answers the question Why do we believe what we believe It examines current research on the concept of beliefs and the development in our understanding of the process of believing It takes into account empirical findings in the field of neuroscience regarding the processes that underlie beliefs and discusses the notion that beyond the interactive exploratory analysis of sensory information from the complex outside world humans engage in an evaluative analysis by which they attribute personal meaning and relevance to the probabilistic representations of objects and events Beliefs exert a strong influence on behaviour decision making and identifying and solving problems Despite their importance beliefs have until recently not been at the centre of scientific interest In fact belief is an ill defined phenomenon From a transdisciplinary perspective the actual approaches to understanding belief seem incompatible as they attempt to highlight such different topics as belief religion belief spirituality belief faith belief knowledge belief attitude belief disbelief belief illusion and believing brain function This situation contradicts the idea that belief is close to pathological phenomena and that it should be eliminated from scientific discussions Rather believing is fundamental for understanding the many problems of every day life In fact the book shows that beliefs are relevant for politics international affairs economy law or religions also in modern societies This book presents the increasing scientific interest in beliefs and believing and reflects the change in focus from the content aspect of belief towards the fluid nature of believing *Ori-Oke Spirituality and Social Change in Africa* Yaovi, Soede Nathanael,Nwosu, Patrick U.,2018-09-17 The dynamic nature of Christianity has necessitated its movement from the

cathedral to the mountain top This has occasioned a proliferation of Prayer Mountains throughout Africa In Yorubaland of southwestern Nigeria Prayer Mountain is known as Ori Oke Like many communities in Africa the Yoruba are confronted with fundamental challenges in life for which people do not rest until they find solutions Within the praxis of Nigerian Christian lexicon Ori Oke is synonymous with the enactment of a sacred space on a mountain top characterised by various prayer regimes rituals exorcism and religious practices aimed at eliciting the help of the divine to alleviate the existential challenges of devotees This book explores the resacralisation of space on the mountains highlighting how humans and the divine interact in Yorubaland It brings into conversation 35 empirically rich scholarly essays on the role of Ori Oke to those seeking divine intervention in their lives Today Ori Oke have become centres of pilgrimage as a result of the lived experiences of devotees creating unique religious value quite distinct from the aesthetic value of these mountain tops The spirituality of Ori Oke is anchored on the absolute belief in God and the infusion of traditional African worldview sensibilities in religious rites and worship Ori Oke spirituality employs resources of Christian tradition introduced by the formal agents of Christianity synthesised with traditional culture to develop a life based on the precepts of an African Christianity The book is an intellectual discourse on Ori Oke spirituality reflecting its contemporary relevance in a context of religious innovation and competition
