Anthony De Mello (S.J.),1978 Mastering Sadhana Carlos G. Valles,2010-04-21 A close friend and associate of Anthony de Mello shares for the first time not only personal conversations and reminiscences but also de Mello s own words as recorded during a 15 day retreat in India Speaking of God in Thomas Aquinas and Meister Eckhart Anastasia

Wendlinder,2016-04-01 Medieval masters Thomas Aquinas and Meister Eckhart considered problems inherent to speaking of God exploring how religious language might compromise God s transcendence or God s immanence ultimately hindering believers in their journey of faith seeking understanding Going beyond ordinary readings of Aquinas and building a foundation for further insights into the works of both theologians this book draws out the implications of the thought of Eckhart and Aquinas for contemporary issues including ecumenical and inter religious dialogue liturgy and prayer and religious inclusivity Reading Aquinas and Eckhart in light of each other reveals the profound depth and orthodoxy of both of these scholars and provides a novel approach to many theological and practical religious issues From Fear to Serenity

with Anthony de Mello Casey, Thomas G., SJ,Hassett, Margaret Brennan,2011 An informal individual retreat with the works of the great Indian Jesuit psychologist and spiritual master Anthony de Mello SJ **Counsellors' Skills in Existentialism and Spirituality** Mary Gilligan Cuddy,2018-05-04 This study examines an existential approach to therapy one which appears to reflect and move in synchronicity with lifes flow rendering it a highly valid and effective response to the existential anguish that has engulfed the mind set of the twenty first century The writer endeavors to explore a number of key existential themes such as death freedom isolation and meaning Existentialism presents possibilities and a freedom to be emanating out of personal responsibility for ones life choices The movement has evolved over the decades and countless theologians philosophers and psychologists have built on the deposits of knowledge and life experience of our ancestors The purpose of this research is to explore the theme of spirituality set within an existential framework and to examine the role of the counsellor in dealing with existential and spiritual concerns within this sacred space The writer suggests that counsellors have a duty of care to explore spiritual and existential issues with the patient Existential counsellors must explore in depth their own spirituality in order to fully understand the true nature of man The writer values the existential emphasis on freedom and responsibility and the persons capacity to redesign his or her life by choosing with awareness The effective counsellor can only lead or direct a client toward his or her spiritual core leaving the ultimate decision with the individual whether to accept or reject this spiritual dimension The writer suggests that it is the presence of spirit within the spiritual encounter that heals transforming and integrating man into wholeness The author urges the counsellor to humbly embrace

this opportunity to explore and encounter the spiritual dimension within the therapeutic relationship as a core counselling objective

Pathway to God M. K. Gandhi, 2025-04-07 Pathway to God is a profound and introspective work by M K Gandhi also known as Mahatma Gandhi the revered leader of the Indian independence movement In this book Gandhi delves into the essence of spirituality exploring the relationship between humanity and the divine He articulates his beliefs on how individuals can cultivate a deep connection with God through principles of truth nonviolence and compassion Drawing from his own life experiences and the teachings of various religious traditions Gandhi shares insights about faith purpose and moral responsibility Pathway to God emphasizes the importance of inner transformation and the pursuit of righteousness as a means to achieve spiritual fulfillment and a harmonious society Gandhi's

reflections are not only deeply personal but also universal encouraging readers to consider their paths in the context of a larger spiritual journey Through eloquent prose and thought provoking messages Gandhi invites readers to reflect on their own beliefs and actions aiming to inspire them toward a more meaningful existence Pathway to God serves as both a spiritual guide and a call to action urging individuals to embody their values in everyday life and seek a deeper understanding of their connection to the divine Sri Ramakrishnas Thoughts On Man World And God Swami Tapasyananda,2023-05-06 There is an urgent need today to make an in depth study of Sri Ramakrishna s ideas to discover his philosophy and to present it in a systematic format This book brings together Sri Ramakrishna s ideas on the three metaphysical concepts God man and universe and allied matters Present book is a set of essays originally published as editorials in the Vedanta Kesari in 1939 The material has been rearranged under suitable headings and subheadings are provided for easy reading To the common reader this book will be of immense value for it brings together Sri Ramakrishna s thought on a wide variety of subjects

*The Ecumenical Review* ,1999 **The Dominican Approaches in Education** Gabrielle Kelly,Kevin Saunders,2014-09-01 With eleven new contributions this second edition of essays on the sources and principles of Dominican values in education offers an extended sample of the many settings in which Dominican education broadly understood finds expression Cherished by all Dominicans these values are exemplified not only in the lives of well known foundational Dominicans but also in some of those many others who on every continent and across time have responded in typically Dominican ways at key moments in history Educators activists philosophers teachers preachers artists healers and theologians at many levels share their analyses and reflections on educating in many different contexts explicitly and implicitly demonstrating ideals and values common to the goals of Dominican education everywhere It is hoped that this collection offered again in this decade of Dominican Jubilee 1206 1216 to 2006 2016 will inform inspire and encourage all those engaged in the great work of educating not only youth but people of all ages towards greater life and liberty **Best Sellers** ,1980 **Indian Christian Thinkers** Anand Amaladass,2005 Contributed seminar papers **Paths to God** Ram Dass,2007-12-18 For centuries readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths As profound and powerful as this classic text has been for generations of seekers integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach Now in a fascinating series of reflections anecdotes stories and exercises Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life In the engaging conversational style that has made his teachings so popular for decades Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism s most sacred texts The Gita teaches a system of yogas or paths for coming to union with God In Paths to God Ram Dass brings the heart of that system to light for a Western audience and translates the Gita s principles into the manual for living the yoga of contemporary life While being a guide to the wisdom of the Bhagavad Gita Paths to God is also a template for expanding our definition of ourselves and allowing us to appreciate a

new level of meaning in our lives
