**The Development of Criminal Law and Criminal Justice in Singapore** Wing Cheong Chan, Andrew Boon Leong Phang, 2001      Issues of Law and Justice in Singapore Daniel Koh, Kiem-Kiok Kwa, 2009      *Introduction to Criminology* Pamela J. Schram, Stephen G. Tibbetts, 2017-02-13 *Introduction to Criminology Why Do They Do It* Second Edition by Pamela J Schram Stephen G Tibbetts offers a contemporary and integrated discussion of the key theories that help us understand crime in the 21st century With a focus on why offenders commit crimes this bestseller skillfully engages students with real world cases and examples to help students explore the fundamentals of criminology To better align with how instructors actually teach this course coverage of violent and property crimes has been integrated into the theory chapters so students can clearly understand the application of theory to criminal behavior Unlike other introductory criminology textbooks the Second Edition discusses issues of diversity in each chapter and covers many contemporary topics that are not well represented in other texts such as feminist criminology cybercrime hate crimes white collar crime homeland security and identity theft Transnational comparisons regarding crime rates and the methods other countries use to deal with crime make this edition the most universal to date and a perfect companion for those wanting to learn about criminology in context

The Management Of Success Kernial Singh Sandhu, Paul Wheatley, Kernial Singh Sandhu (A), 2019-06-19 A collection of analytical reflections on how the island of Singapore has been transformed from a colony in a crumbling empire into a thriving modern secular independent republic These are the results of a five year project by the Institute of Southeast Asian Studies      **Drugs Law and Legal Practice in Southeast Asia** Tim Lindsey, Pip Nicholson, 2016-07-28 *Drugs Law and Legal Practice in Southeast Asia* investigates criminal law and practice relevant to drugs regulation in three Southeast Asian jurisdictions Indonesia Singapore and Vietnam These jurisdictions represent a spectrum of approaches to drug regulation in Southeast Asia highlighting differences in practice between civil and common law countries and between liberal and authoritarian states This book offers the first major English language empirical investigation and comparative analysis of regulation jurisprudence court procedure and practices relating to drugs law enforcement in these three states      **The Singapore Legal System** Kevin Tan, 1999 This is the second edition of the highly successful book first published in 1989 However it has been extensively revised in content and updated Eight out of 14 chapters are new including chapters such as *The Constitutional Framework of Powers Alternative Dispute Resolution and The Singapore Legal System and International Law and the law on all subjects* has been updated      *Politics and Constitutions in Southeast Asia* Marco Bunte, Björn Dressel, 2016-07-15 In recent years the constitutional landscape of Southeast Asia has changed tremendously Against a worldwide background of liberalization globalization and democratization states in the region have begun to alter their constitutions reinforcing human rights provisions and putting in place institutional safeguards such as constitutional courts and human rights commissions On closer examination however the picture is very complex with constitutional developments

differing greatly between states This book explores a range of current constitutional developments in the different states of Southeast Asia through a distinct political lens Drawing on comparative and single case studies it considers various constitutional areas including constitution drafting human rights legal safeguards and the continuing role of the military sets constitutional developments in the wider political and historical context of each country and makes comparisons both with Western democracies and with other developing regions The book concludes by assessing overall how far constitutional practices and trajectories are converging towards a liberal Western model or towards a distinctly Southeast Asian model

**Policing Marital Violence in Singapore** Ganapathy Narayanan, 2008 Why have years of police reform in Singapore not produced significant changes in improving the policing of marital violence is the fundamental question raised by this volume Carefully exploring the police response to marital violence in Singapore while paying due attention to the particular culture and historical context in place the author reframes the questions about the problem of intimate violence The book goes into the ramifications for the criminal justice system particularly into the issues of policing safety and protection of victims from such violence A careful documentation of the reform process but also the resistance encountered within the police organisation especially by the rank and file police *Singapore*, 1987

**A History of Human Rights Society in Singapore** Jiyoung Song, 2017-05-08 Singapore's tough stance on human rights however does not negate the long and persistent existence of a human rights society that exists almost unknown to the world The focus of this book is on independent activists and writers documenting this tradition in Singapore society that has a legacy of defending universal values of individual human rights It uncovers their discourses main contentions campaigns survival strategies prominent activists and their untold stories during Singapore's first 50 years of independence *State of Singapore* Great Britain. Colonial Office, 1960

**Constitutional Statecraft in Asian Courts** Yvonne Tew, 2021-07-23 Constitutional Statecraft in Asian Courts explores how courts engage in constitutional state building in aspiring yet deeply fragile democracies in Asia Yvonne Tew offers an in depth look at contemporary Malaysia and Singapore explaining how courts protect and construct constitutionalism even as they confront dominant political parties and negotiate democratic transitions This richly illustrative account offers at once an engaging analysis of Southeast Asia's constitutional context as well as a broader narrative that should resonate in many countries across Asia that are also grappling with similar challenges of colonial legacies histories of authoritarian rule and societies polarized by race religion and identity The book explores the judicial strategies used for statecraft in Asian courts including an analysis of the specific mechanisms that courts can use to entrench constitutional basic structures and to protect rights in a manner that is purposive and proportionate Tew's account shows how courts in Asia's emerging democracies can chart a path forward to help safeguard a nation's constitutional core and to build an enduring constitutional framework *Area Handbook for Singapore* Nena Vreeland, 1977

**Civil Procedure in Singapore** Chen Siyuan, Eunice Chua Hui Han, 2018-05-05 Derived from the renowned multi volume International

Encyclopaedia of Laws this convenient volume provides comprehensive analysis of the legislation and rules that determine civil procedure and practice in Singapore Lawyers who handle transnational matters will appreciate the book's clear explanation of distinct terminology and application of rules The structure follows the classical chapters of a handbook on civil procedure beginning with the judicial organization of the courts jurisdiction issues a discussion of the various actions and claims and then moving to a review of the proceedings as such These general chapters are followed by a discussion of the incidents during proceedings the legal aid and legal costs and the regulation of evidence There are chapters on seizure for security and enforcement of judgments and a final section on alternative dispute resolution Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Succinct scholarly and practical this book will prove a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in Singapore will welcome this very useful guide and academics and researchers will appreciate its comparative value as a contribution to the study of civil procedure in the international context *The Singapore Year Book of International Law*, 2005 Examining Crime and Justice around the World Janet P. Stamatel, 2020-11-04 A thorough and timely investigation of both well established and emerging crime and punishment issues this book provides readers with compelling examples of how different countries around the world confront these problems This book offers a detailed look at 10 hot topics in crime and punishment that are shared by many countries Some of these topics are well established within the field of criminology such as patterns of criminal behavior juvenile delinquency drug trafficking policing and punishment others are emerging topics that have not been well studied across a variety of countries such as violence against women hate crimes and gun control Within each topic the book explores how eight countries experience the issue highlighting similarities across different places as well as unique treatments of the problem The chapter on punishment addresses the widespread use of incarceration as criminal punishment but also considers different philosophies with respect to the purpose of incarceration and whether or not this strategy is effective in the face of large scale criminal events such as mass atrocities The country narratives provide historical context for understanding the particular crime or punishment issue current trends and relevant statistical data for describing the extent of the issue and changes over time in addition to contemporary examples of the issue **Money Laundering - A Handbook for Cdd Compliance** Oliver Lin, 2018-09-19 The first edition Money Laundering A Handbook for CDD Compliance provides empirical facts of money laundering that forced the world to unite to combat corruption money laundering and terrorist financing Authored by Oliver Master of Laws and Accountant UK obtained the foundation of the Handbook from in depth research supporting the complexity of the society matrix attributing to crimes in the Asia and Southeast Asia regions In this comprehensive handbook FATF members and DNFBPs follow the FATF universal standards to fight money laundering and terrorist financing The NCB confiscation measure threatens property of the criminals How
