Long Live The King Clark Gable

Fred Landesman

Long Live The King Clark Gable:

Long Live the King [sound Recording] : a Biography of Clark Gable Tornabene, Lyn,1989 Long Live the King
Lyn Tornabene,1978 **Clark Gable in the 1930s** James L. Neibaur,2021-03-25 The 1930s represented the strongest and most significant decade in Clark Gable's career. Later known as The King of Hollywood, Gable started out as a journeyman actor who quickly rose to the level of star and then icon. With his ruggedly attractive looks and effortless charisma, Gable was the sort of manly romantic lead that bolstered features alongside the likes of Jean Harlow, Joan Crawford, and Spencer Tracy. The decade culminated with Gable's most noted movie, *Gone With the Wind*. This book traces Gable's early career, film by film, offering background information and a critical assessment of each of his movies released during the 1930s. Clark Gable
Warren G. Harris,2010-09-01 Clark Gable arrived in Hollywood after a rough and tumble youth and his breezy, big-boned everyman persona quickly made him the town's king. He was a gambler among gamblers, a heavy drinker in the days when everyone drank seemingly all the time, and a lover to legions of the most attractive women in the most glamorous business in the world, including the great love of his life, Carole Lombard. In this well-researched and revealing biography, Warren G. Harris gives an exceptionally acute portrait of one of the most memorable actors in the history of motion pictures, whose intimates included such legends as Marilyn Monroe, Joan Crawford, Loretta Young, David O. Selznick, Jean Harlow, Judy Garland, Lana Turner, Spencer Tracy, and Grace Kelly, as well as a vivid sense of the glamour and excess of mid-century Hollywood.

The John Wayne Filmography Fred Landesman,2015-08-13 Decades after his death, annual Gallop polls reveal that Marion Morrison is still firmly implanted among the top ten favorite motion picture celebrities and American heroes. Most of us know this box office star as John Wayne. This comprehensive volume covers his expansive film career from 1926 to 1976. Listed in alphabetical order are entries on films such as *Angel and the Badman* and *Noah's Ark* that exemplify the more than 170 films that the actor worked on. Each entry includes the film's date, run time, cast, and crew credits, reviews, and a synopsis. Also under each entry is a special section devoted to rare information and interesting details such as where the productions were shot, budgets, costs, salaries, box office performance, alternate casting, and what competition existed for the moviegoer audience. Also included in this reference work are over 650 capsule biographies of the talent that shared the screen with the actor and worked on the productions, and over 800 contemporary reviews and commentary from such diverse sources as *The New York Times*, *Hollywood Reporter*, and *Life Magazine*. There is a series of five helpful Appendices: Appendix A lists films by order of their release dates; Appendix B lists Wayne's fellow actors and colleagues and tells under which entry the relevant capsule biography may be located; Appendix C offers specific review information for the films; Appendix D provides facts on the biggest box office films; and Appendix E details the most popular films on television. *Norma Jean* Fred Lawrence Guiles,2020-04-28 Marilyn Monroe remains the most provocative female legend of the twentieth century. What you may have known about her before was only the tip of the iceberg. For twenty years, the men and women who knew Marilyn best saw

what they knew suppressed because certain important people were still living and the tenor of the times prohibited frankness. Instead rumors ballooned. This book finally sets the record straight. Fred Guiles, whom Norman Mailer acknowledges as the chief source of fact about Marilyn, has written the life behind the legend. He reveals what really happened in the careening career of the pretty waif named Norma Jean Mortensen who married the boy next door, became a model, an actress, movie star, married an incompatible legend named Joe DiMaggio, sought to improve the mind that came with her near perfect body, married playwright Arthur Miller, lent herself to the Svengalilike ministrations of Paula and Lee Strasberg, became the mistress of John and then Robert Kennedy when they ran the country, kept camera crews and studios waiting, but not death which took her under the most unusual circumstances by the age of thirty six. A legend by definition is unaltered by fact but the enthralled reader will find the revelations in this book no deterrent to the love of Marilyn Monroe by understanding at last what happened to the Queen of Need. Among the people interviewed for this book are Arthur Miller, James E. Dougherty, her first husband, Frank Taylor, the producer of *The Misfits*, Lee Strasberg, Otto Preminger, Billy Wilder, Joshua Logan, and John Huston.

Irving Thalberg Mark A. Vieira, 2009-11-05 Hollywood in the 1920s sparkled with talent, confidence, and opportunity. Enter Irving Thalberg of Brooklyn who survived childhood illness to run Universal Pictures at twenty, co-founded Metro-Goldwyn-Mayer at twenty-four, and made stars of Lon Chaney, Norma Shearer, Greta Garbo, Joan Crawford, Clark Gable, and Jean Harlow. Known as Hollywood's Boy Wonder, Thalberg created classics such as *Ben-Hur*, *Tarzan the Ape Man*, *Grand Hotel*, *Freaky Friday*, *Mutiny on the Bounty*, and *The Good Earth*, but died tragically at thirty-seven. His place in the pantheon should have been assured yet his films were not reissued for thirty years, spurring critics to question his legend and diminish his achievements. In this definitive biography, illustrated with rare photographs, Mark A. Vieira sets the record straight using unpublished production files, financial records, and correspondence to confirm the genius of Thalberg's methods. In addition, this is the first Thalberg biography to utilize both his recorded conversations and the unpublished memoirs of his wife, Norma Shearer. Irving Thalberg is a compelling narrative of power and idealism, revealing for the first time the human being behind the legend.

City of Nets Otto Friedrich, 1997-05-02 History of Hollywood in the 1940s *Gloria Swanson* Stephen Michael Shearer, 2013-08-27 The first in-depth biography of film legend Gloria Swanson whose unforgettable role in *Sunset Boulevard* overshadowed her true life. Swanson was Hollywood's first successful glamour queen and took control of her own career while tantalizing many men along the way.

Carole Lombard Michelle Morgan, 2016-10-05 An entertaining and lucid biography. We Are Cult CAROLE LOMBARD was the very opposite of the typical 1930s starlet. A no-nonsense woman, she worked hard, took no prisoners, and had a great passion for life. As a result, she became Hollywood's highest paid star. From the outside, Carole's life was one of great glamour and fun, yet privately she endured much heartache. As a child, she was moved across the country away from her beloved father. She then began a film career only to have it cut short after a devastating car accident. After she picked herself back up, she was rocked by the accidental shooting of her lover, a failed

marriage to actor William Powell and the sorrow of infertility during her marriage to Hollywood's King Clark Gable

Unveiling the Magic of Words: A Review of "**Long Live The King Clark Gable**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring.
