## **Long Masquerade:**

**The Long Masquerade** Madeleine Brent, **Children's Literature in the Long 19th Century** Catherine Butler, Ann Alston, 2020-05-21 In this collection the multidimensional story of children's literature in the formative period of the long nineteenth century is illuminated, questioned and in some respects rewritten. Children's literature might be characterised as the love child of the Enlightenment and the Romantic movements and much of its history over the long nineteenth century shows it being defined, shaped and co-opted by a variety of agents each of whom has their own ambitions for it and for its child readership. Is children's literature primarily a way of educating children in the principles of reason and morality? A celebration of the Rousseauesque child? A source of pleasure and entertainment? Women both as writers and as nurturers involved at an intimate and daily level with the raising of children, recognised early and often very explicitly the multiple capacities of literature to provide entertainment, useful information, moral education and social training and the occasionally conflicting nature of these functions. This book was originally published as a special issue of *Women's Writing*. **Stars of the Long Night** Tanure Ojaide, 2012-05-30 Set in the Niger Delta, this novel tells the tale of a woman's struggle for equality in a traditional patriarchal society. Set against the once-in-a-generation festival at which the one chosen by the gods performs the dance of the mother mask, Ojaide weaves a tale of suspense while displaying the traditions and religious beliefs that define the Niger Delta. **Stages of Life** Uche N. Kalu, 2017-10-30 In Africa, Chidi Udo is born under the most tragic of circumstances. His mother doesn't survive his birth but he does have his father to care for him. He grows to be a young man and does well in school but soon loses his father too. Due to this further tragedy, he is deprived of the opportunity for the university education he so desires. Chidi eventually works as an apprentice for a greedy salesman who starves and mistreats him. He runs away, forced to live independently and even journey to far-off America. One day young Chidi returns to his birth village of Umueze as a self-made man, respected by all, and yet the balance of life continues to tip back and forth. *Stages of Life* is arranged in endearing, enlightening episodes punctuated by African folk wisdom, customs and beliefs. Chidi's life experiences are laid bare for all to see and to decide whether the stages of life are fair, cruel, strange or beautiful. Chidi Udo is an amalgam of all the triumphs, tragedies and traditions he has experienced as his life swings like a pendulum. **EACH PRECIOUS HOUR** Gayle Wilson, 2011-07-15 THE McCORD FAMILY COUNTDOWN A daughter, a son, a secret. With time as the enemy, only love can save them. It had been three months, three weeks and four days since they'd made love and made the baby that Robin McCord now carried. Back in New York, she could no longer avoid Jared Donovan, not when he was the only man who could keep her baby, their baby, safe. A fearless bomb squad cop, Jared had stared down death but when it threatened the woman he loved, he turned desperate. No one would threaten his woman and his unborn child. But he had only seven days to find the crazed killer who stalked her seven nights to New Year's Eve when she might walk out of his life for good if he kept her alive. And the clock was ticking. **Torchester Abbey, or, Cross purposes** Catherine Sinclair, 1855 **The**

resonates throughout her oeuvre Dobson a contemporary of the Victorian era and a scholar of considerable renown was deeply influenced by the literary traditions established by Burney His engagement with her works reflects a broader appreciation for the contributions of women writers whose voices were often marginalized Dobson s background in literature coupled with his own experiences and interests led to a profound exploration of Burney s significance highlighting her as a precursor to the feminist literary movement and as a critical voice in her own right This book is highly recommended for scholars students and anyone interested in the evolution of women s literature and its impact on society Dobson s insightful analysis not only enriches our understanding of Fanny Burney s contributions but also invites readers to reflect on the broader implications of her life and work in the literary canon

Close-ups and Long Shots in Modern Chinese Cinemas  
Hsiu-Chuang Deppman, 2020-10-31 Two of the most stylized shots in cinema the close up and the long shot embody distinct attractions The iconicity of the close up magnifies the affective power of faces and elevates film to the discourse of art The depth of the long shot in contrast indexes the facts of life and reinforces our faith in reality Each configures the relation between image and distance that expands the viewer s power to see feel and conceive To understand why a director prefers one type of shot over the other then is to explore more than aesthetics It uncovers significant assumptions about film as an art of intervention or organic representation Close ups and Long Shots in Modern Chinese Cinemas is the first book to compare these two shots within the cultural historical and cinematic traditions that produced them In particular the global revival of Confucian studies and the transnational appeal of feminism in the 1980s marked a new turn in the composite cultural education of Chinese directors whose shot selections can be seen as not only stylistic expressions but ethical choices responding to established norms about self restraint ritualism propriety and female agency Each of the films discussed Zhang Yimou s Red Sorghum Ang Lee s Lust Caution Hou Hsiao hsien s The Assassin Jia Zhangke s I Wish I Knew and Wei Desheng s Cape No 7 represents a watershed in Chinese cinemas that redefines the evolving relations among film politics and ethics Together these works provide a comprehensive picture of how directors contextualize close ups and long shots in ways that make them interpretable across many films as bellwethers of social change

The Book of Genesis  
William T. Miller, 2006 This volume represents the launch of The Bible Question by Question series Intended for Bible study groups individual reading or classroom use the volumes in this series provide a methodical approach to Bible study that incorporates the practical insights of modern biblical research The Book of Genesis Question by Question was designed to assist individuals or groups who are planning to read the entire book of Genesis and who want to gain a full understanding of its meaning its authorship and the circumstances under which it was written This book is not intended to compete with major commentaries but rather to guide readers who want to work with the Genesis stories right away and who can subsequently develop an appetite for some of the wealth of fine details found in other modern reference works Readers are encouraged to develop religious appreciations and overviews as they progress toward the end of the journey rather than at the start This

book is divided into a series of sections based on individual stories or remarks made by the various authors and editors of Genesis For each section an introduction provides the basic information needed to read that biblical story in line with current scholarship but much comment and analysis is held in reserve until the readers have moved on to try their hand at the questions The answers at the end of the book should be consulted by readers after they have invested time in reflection and in writing down their own responses In each section the conclusions that follow the question and answer process are meant to be practical rather than exhaustive since the goal is to move on to the next section with the same plan to get hands on the verses of the next story Taken together this book provides an excellent introduction to Genesis and constitutes the ideal launch of what is destined to be a widely popular series for Bible study      **The Academy and Literature** ,1880
