Humphries,2023-03-03 People in my position must often ask themselves what the answer is How did I get here At what cost And how did I finally come out on the other side into a world where the grass is green and smells fresh And where life is worth living and relishing for every last facet of its existence a place where utopia can exist for the simplest of men It is ironic that what finally triggered my debut book was being handed the psychiatric report on our youngest daughter s suicide People always say that inside every good journalist is a book and I always joked that that ruled me out in that case But then I thought about what everyone is looking for the secret of a happy life And this story is about the journey that it took to get there We will never be able to bring her back Obviously But we can take massive strides towards rebuilding a family that was once so strong and bringing it back to a time when laughter really was the most valuable thing we had You will laugh and you will cry in equal measure and hopefully somewhere along the way you will be inspired But what you could not do no matter how you tried is make any of this stuff up **A Long Road To Freedom** Mary Mc Cartan,2011-07-22 A Long Road to Freedom The Life of Patrick McCrystal An Irish Soldier s Cry for Peace By Mary Mc Cartan Most men returning from World War 2 never spoke about their experiences Still in their youth they simply closed the book on the past and started a new life The young Irish fellas returning especially to the North were forced to bury their history even further down and completely deny it for their own safety Patrick Mc Crystal was one of those men who arrived home alive with a story of horror But he locked that story inside for 53 years before being forced to tell it This is his story A first hand experience of a life time of war through the eyes of one Peace loving man who has seen the devastation of some of the most gruesome attacks on civilian populations in the 20th Century Patrick found himself in Malta in 1940 trapped in the most bombed place in world history After surviving that siege he ended up in the frontline as the Germans slaughtered British Troops on Leros As a POW Patrick helped bury the tens of thousands of German civilians killed in Dresden by Allied attacks On returning home to peaceful normality war found him again in 1969 Raising a family through the Northern Ireland Troubles was difficult and Patrick suffered the loss of his own daughter in the bombing of his hometown of Omagh in 1998 This is the survival story of a man who has seen the best and worst of human nature and truly understands the price of freedom *My Long Road to Freedom* Jenny Chapman,2017-09-18 My Long Road to Freedom By Jenny Chapman So much in the life of Jenny Chapman seemed against her She has written about her life from the age of three to her present age of 74 years She was born in the hardships of the Second World War At the age of three her father started to abuse her sexually

Chapman was also brought up in a strict religion. She was not allowed to mix with others outside of this religion. This meant that she had no friends at school or later at college. Without a friend for most of her life, she was bullied unmercifully at school. She was admitted to psychiatric hospitals with deep depression, an eating disorder, and as a suicide risk. Chapman's grandfather and father were both bipolar. This was detected in Chapman herself from a very early age. This became a battle throughout her life and is something she will always live with. Her mother was extremely overweight. From an early age, Chapman became very aware of her size and how she looked in comparison to other girls. It was at college because of a remark from a lecturer that she developed Anorexia Nervosa. Chapman became a teacher. As a teacher, she empathized with her pupils that were emotionally hurt or scarred as she had been and gave of her time to see them through their troubles. Despite all, Chapman persevered through life, never giving up and always striving for her best. Achieving this, she went on to gain the freedom she always longed for as a child. She is living a happy and free life with so much pleasure. She has her friends and a loyal cat. She can only say never give up and always aim high.

Palestine: Long Road To Freedom Hanafi Wibowo, 2024-05-01. Indonesia could achieve independence after spending 350 years under Dutch shackles. Like Indonesia, India gained independence after centuries of colonial administration by another European power, The British Empire. After Nakba, we are reminded of the importance of patience and perseverance in the face of adversity and stand still in our land. Only by that we will secure our freedom in one way or another. Fariz al Mehdawi. An enormous number of acrimonious and polarized debates on Palestine status still exist until today, however. Fariz al Mehdawi, as Former Ambassador of Palestine in Indonesia, spoke on behalf of the Palestinian National Authority that Palestine is the only country participating in the 1955 Asia Africa Conference which has not yet become Independent. This book discussed an unflinching examination of why the Palestinians failed to win a state of their own in the 20th century during and after British rule. This book also exposes deeper and more nuanced explanation of the issues and threats that Palestinian Arabs are facing when the seeds of Israel are sown and how the Allies and neighbouring Arab Countries have enabled roots and development of the current conflict while shedding crocodile tears.
