From the heart and soul of visionary Nobel Peace Prize winner Nelson Mandela, a collection of his most uplifting, time-honored quotes that have inspired our world and offer a path for peace. The book that you hold in your hands is nothing short of a miracle. Desmond Tutu from the Introduction. *Notes to the Future* is the definitive book of quotations from one of the great leaders of our time. This collection, gathered from privileged access to Mandela's vast personal archive of private papers, speeches, correspondence, and audio recordings, features more than three hundred quotations spanning more than sixty years and includes his Nobel Peace Prize acceptance speech. These inspirational quotations are organized into four sections: Struggle, Victory, Wisdom, and Future. Both universal and deeply personal, we see Mandela's sense of humor, his loneliness and despair, his thoughts on fatherhood, and the reluctant leader who had no choice but to become the man history demanded. A good pen can also remind us of the happiest moments in our lives, bring noble ideas into our dreams, our blood, and our souls. It can turn tragedy into hope and victory. From a letter to Zindzi Mandela, written on Robben Island, February 10, 1980. *Long Walk to Freedom* Nelson Mandela, Chris Van Wyk, 2010. About the Book. The official picture book edition of Nelson Mandela's internationally bestselling autobiography. Nelson Mandela is a true hero of our times, loved and admired across the globe. This book tells the story of his life from his carefree days as an ordinary village boy to his unflinching leadership of the ANC, the long years in prison, and his eventual freedom and extraordinary elevation to President of South Africa. Nelson Mandela, born into South Africa's Xhosa tribe to a chief who taught him bravery and a wise mother who taught him kindness, learned at an early age that white people ruled the country and controlled virtually all the wealth. Named Rolihlahla, or troublemaker, Mandela grew up in an extended family that believed in the power of education, and he ultimately completed a bachelor's degree and studied law. True to his moniker, Mandela did stir up plenty of trouble in his decades-long struggle to end South Africa's oppressive system of racial apartheid. Angry that the country's institutionalized form of discrimination left most black people living in poverty while whites enjoyed a comfortable standard of living, Mandela and his collaborators formed the African National Congress (ANC) Youth League, and they organized numerous non-violent protests. When the government responded with violence in 1960, the ANC's strategy became more drastic, leading just a few years later to the arrest of several ANC leaders, including Mandela. Mandela spent 27 years in prison, more than half of which he served at Robben Island under very basic conditions that involved hard labor and virtually no contact with the outside world. Following growing international pressure, the South African government finally released Mandela from prison in 1990. He was awarded the Nobel Peace Prize in 1993 and a year later became South Africa's President in the country's first multiracial election. As an abridged version of Mandela's autobiography, *Long Walk to Freedom* makes these incredible events accessible to younger readers in an engaging and interesting way. The book's publication coincides nicely with the United

Nation's announcement of Mandela Day and the movie industry's release of a major motion picture about Mandela. About the Author: Nelson Mandela was born in Transkei, South Africa, on 18 July 1918. He joined the African National Congress in 1944 and was engaged in resistance against the ruling National Party's apartheid policies. After 1948, from 1964 to 1982, he was incarcerated at Robben Island prison and then later moved to Pollsmoor prison, during which his reputation as a potent symbol of resistance to the anti-apartheid movement grew steadily. Released from prison in 1990, Mandela won the Nobel Peace Prize in 1983 and was inaugurated as the first democratically elected president of South Africa in 1994. He is the author of the international bestseller *Long Walk to Freedom*. Chris van Wyk was born in Baragwanath Hospital, Soweto, in 1957. He was educated at Riverlea High School in Riverlea, Johannesburg, where he still lives and works as a full-time writer. He writes poetry, books for children and teenagers, short stories, and novels.
