Long Night's Journey into Day Charles G. Roland, 2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity Long Night's Journey into Day centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for cigarettes No previous book has shown the essential relationship between almost universal ill health and POW life and death or provides such a complete and unbiased account of POW life in the Far East in the 1940s

Hellships Down Michael Sturma, 2021-03-18 On 12 September 1944 a wolfpack of U S submarines attacked the Japanese convoy HI 72 in the South China Sea Among the ships sunk were two carrying Allied prisoners of war Men who had already endured the trials of Japanese captivity faced a renewed struggle for survival at sea This book tells the broader story of the HI 72 convoy through the stories of two survivors Arthur Bancroft who was rescued by an American submarine and Charles Rowley Richards who was rescued by the Japanese The story of these men represents the thousands of Allied POWs who suffered not only the atrocious conditions of these Japanese hellships but also the terror of friendly fire from their own side's submarines For the first time the personal political and legal aftermath of these men's experiences is fully detailed At its heart this is a story of survival Charting the survivors fates from rescue to their attempts at retribution this book reveals the trauma that continued long after the war was over

Carmina Sanctorum Roswell Dwight Hitchcock, Zachary Eddy, Lewis Ward Mudge, 1886 Return to the Scene of the Crime Kamil Naicker, 2023-12-01 A crime novel at once disturbing and perversely comforting factually has been known to curtail social anxieties through the open and shut case of its narrative form But what happens to that form in a world where guilt and innocence are not easily assigned Return to the Scene of the Crime takes place on the trope of an investigator returning to the post colony on a quest for knowledge In tandem with solving the case they must also grapple with the complexities of their origins Kamil Naicker shows how five authors defy generic expectations to illustrate the complexities of personal identity transitional justice and civil violence in the post colonial world Congregating novels set in South Africa China Guatemala Sri Lanka and Somalia this book intervenes in literary studies by bringing the trend of the returnee figure

and exploring the possibilities of world making through the explosion of a familiar form Print edition not for sale in Sub Saharan Africa
