Longing for Spring Joel Stein, 1975 *The Songs of Edvard Grieg* Beryl Foster, 2007 Comprehensive survey of Grieg's 180 songs considering particularly questions and issues of performance Edvard Grieg's 180 songs mirror his artistic and personal development more intimately than any of his other music yet are still the least known part of his output This definitive appraisal now revised and updated discusses every song including those left only in manuscript and sketches at the composer's death set against the background of his life and times It also deals with the poetry set often chosen to reflect his current situation and the poets several of whom including great figures of the day such as Ibsen and Bjornson were his friends and colleagues Grieg frequently bemoaned poor translations and indifferent performances and the various editions and translations from first publication to the present day are also discussed together with his own ideas for interpretation Musical examples and analysis are included to give a closer understanding of Grieg's word setting and harmonic development although their performance is always kept paramount BERYL FOSTER is a graduate of London University and studied singing in Colchester and at the Royal College of Music As well as all the usual repertoire since 1980 she has made a particular study of the songs of Grieg and other Norwegian composers giving recitals lectures and workshops in Britain Norway Germany the Netherlands Italy and China She is also a private teacher and festival adjudicator **Waiting for Spring** Sonya Rhen, 2024-04-29 Returning to belly dance at the annual Kirkland Crocus Parade with the Habibi Nile Dancers Shayna vows to forget her breakup after last year's parade and guard her fragile heart However her best friend is just as determined to find her a new love interest Shayna would rather not think about matters of the heart and just concentrate on entertaining the spectators by dancing with her dignity intact Which is harder than she thought As the parade participants march on through Kirkland's quaint downtown streets the Easter Bunny her fearless leader her best friend an eye catching drummer and a jelly bean tossing clown might give Shayna a reason to open her heart after all spring is in the air

Narrative(s) in Conflict Wolfgang Müller-Funk, Clemens Ruthner, 2017-11-07 Narrative(s) in Conflict presents the proceedings of an international workshop held at the Trinity Long Room Hub Dublin in 2013 to a wider audience This was a cross disciplinary cooperation between the comparative research network Broken Narratives University of Vienna the research strand Identities in Transformation Trinity College Dublin and the Graduate Center for the Study of Culture at the

University of Giessen What has brought this informal network together is its credo that theories of narrative should be regarded as an integral part of cultural analysis Choosing exemplary case studies from early Habsburg days up to the wars and genocides of the 20th century and the post 9 11 War on terror our volume tries to analyze the relation between representation and conflict i e between narrative constructions social historical processes and cultural agon Here it is crucial to state that narratives do not simply and passively mirror conflicts as the conventional realistic paradigm suggests they rather provide a symbolic sense making matrix and even a performative dimension It even can be said that in many cases narratives make conflicts

The Musical Thought and Spiritual Lives of Heinrich Schenker and Arnold Schoenberg

Matthew Arndt, 2017-09-11 This book examines the origin content and development of the musical thought of Heinrich Schenker and Arnold Schoenberg One of the premises is that Schenker's and Schoenberg's inner musical lives are inseparable from their inner spiritual lives Curiously Schenker and Schoenberg start out in much the same musical spiritual place yet musically they split while spiritually they grow closer The reception of Schenker's and Schoenberg's work has sidestepped this paradox of commonality and conflict instead choosing to universalize and amplify their conflict Bringing to light a trove of unpublished material Arndt argues that Schenker's and Schoenberg's conflict is a reflection of tensions within their musical and spiritual ideas They share a particular conception of the tone as an ideal sound realized in the spiritual eye of the genius The tensions inherent in this largely psychological and material notion of the tone and this largely metaphysical notion of the genius shape both their musical divergence on the logical technical level in theory and composition including their advocacy of the *Ursatz* versus twelve-tone composition and their spiritual convergence including their embrace of Judaism These findings shed new light on the musical and philosophical worlds of Schenker and Schoenberg and on the profound artistic and spiritual questions with which they grapple

involves a bond of love between them Unbeknownst to the both of them there lies a leviathan of espionage that eventually consumes the bond they share driving them apart by force Sixteen years pass when fate decides to rekindle their bond only this time the challenges are exacerbated by the unresolved baggage of the past Do the two of them find each other Does the dull grey long standing spell of winter rise to give way to spring

Cry Not for Spring E. Frank Mancil, 2014-08-20 This book does not portray any great feats of heroism as might be expected of a war book Rather it follows the three agonizing years of a group of terrified individuals who refused to knuckle under to the Germans and their horror filled occupation of the Ukraine Though faced with almost insurmountable hardships this small band these guerillas fought back as best as they could Through the bitter winters the starvation the almost hopeless future they never wavered in their determination to remain free Their battle was not fought on a large scale nor were there any clear cut victories There were no headlines to herald them when a bridge was blown up or when a train was dynamited from the tracks Their losses were suffered in silence as were their victories Bravery heroic deeds suffering defeat and victory were absorbed in silent gratefulness that at least they still possessed life a victory in itself for it was the only thing they were fighting for No lofty ideals or romantic causes just life

Tormented Master Arthur Green, 1979 If Hasidism begins in the life enhancing spirituality of the Baal Shem Tov it concludes in the tortuous elitist and utterly fascinating career of Nahman of Bratslav 1722 1810 whose biography and teaching Arthur Green has set forth in his comprehensive moving and subtle study Tormented Master Arthur Green has managed to lead us through the thickets of the Bratslaver discourse with a grace and facility thus far unequaled in the English language literature on Hasidism Tormented Master is a model of clarity and percipience balancing awe respect and honor for its subject with a ruthless pursuit of documented truth Tormented Master is sufficiently open to the agonies of religion in general and the issues of modern religion in particular to make Nahman a thinker utterly relevant to our time Nahman of Bratslav is unique in the history of Judaism Green emphasizes for having made the individual's quest for intimacy with God the center of the religious way He was a Kierkegaard before his time believing in the utter abandon of the life of faith and the risk of paradoxicality He was more than all others the predecessor of Kafka whose tales like Nahman's have no explicit key and rankle flush and irritate the spirit compelling us even in our failure to understand to acknowledge their potency and challenge New York Times
