**Selected Poems of Christina G. Rossetti** Christina Georgina Rossetti, 1913 *Front Lines* Jack Hirschman, 2002-08 In the activist verse of this poetic warrior always committed the actual world is never out of mind even in his most intimate poems Kabbalist populist and communist Hirschman has published over sixty books of his own poetry and this representative selection is a cross section of his poetic output spanning many years and mutations When he reads aloud the words take fire and on the page they crackle and spark Jack Hirschman is a San Francisco poet translator and editor His powerfully eloquent voice set the tone for political poetry in this country many years ago He is the author of numerous books of poetry plus some forty five translations from a half a dozen languages as well the editor of anthologies and journals

*Fantasies of the Master Race* Ward Churchill, 1998 Chosen an Outstanding Book on the Subject of Human Rights in the United States by the Gustavus Myers Center for the Study of Human Rights In this volume of incisive essays Ward Churchill looks at representations of American Indians in literature and film delineating a history of cultural propaganda that has served to support the continued colonization of Native America During each phase of the genocide of American Indians the media has played a critical role in creating easily digestible stereotypes of Indians for popular consumption Literature about Indians was first written and published in order to provoke and sanctify warfare against them Later the focus changed to enlisting public support for civilizing the savages stripping them of their culture and assimilating them into the dominant society Now in the final stages of cultural genocide it is the appropriation and stereotyping of Native culture that establishes control over knowledge and truth The primary means by which this is accomplished is through the powerful publishing and film industries Whether they are the tragically doomed noble savages walking into the sunset of *Dances With Wolves* or Carlos Castaneda's *Don Juan* the exotic mythical Indians constitute no threat to the established order Literature and art crafted by the dominant culture are an insidious political force disinforming people who might otherwise develop a clearer understanding of indigenous struggles for justice and freedom This book is offered to counter that deception and to move people to take action on issues confronting American Indians today
