**Effective Patient Education: A Guide to Increased Adherence** Donna Falvo,2010-02-26 This title is Print on Demand

Please note orders can take 4-6 weeks to fulfill. Written by a nursing expert and former Chair of patient education for the Society of Teachers of Family Medicine, *Effective Patient Education: A Guide to Increased Adherence, Fourth Edition* gives clinicians the tools they need to become effective patient educators. Using a patient-centered approach, this essential text provides specific strategies for communicating in a way that motivates patients to take action. Crucial to this approach is an understanding of the patient as a partner in the patient education process. The text uncovers patient concerns and challenges that may interfere with patient adherence to recommendations, enabling clinicians to gain insight into their patients and devise communication strategies that can empower patients to overcome obstacles. In addition, this completely revised and updated edition explores the challenges that clinicians may face in conducting patient education. Using case examples to illustrate key points, this text moves beyond theory to offer practical application principles for the real world. Featuring a clinical approach in examining established patient education theories, *Effective Patient Education: A Guide to Increased Adherence, Fourth Edition* is an invaluable guide for nursing students and professionals. The Fourth Edition includes chapters on enhancing patient motivation, building an effective patient education team, patient-centered teaching models, and instructional aids, including internet and web-based resources. 2011, 496 pages. [Resources in Education](#), 1999. **National Library of Medicine Current Catalog**, National Library of Medicine (U.S.), **Searching the Law - The States**. Francis R. Doyle, 2022-11-14. This revised two-volume set reproduces the easy-to-use, logically organized format of *Searching the Law* for each of the 50 U.S. states. Arranged by state and by topic within each state, it features a complete list of all the legal research materials available for each state jurisdiction, thousands of citations to the legal literature of each state, materials applicable to more than one topic, listed under each topic, repeated listings under each state and topic where they apply, and author, title, publisher, format, and the latest known supplement for each citation. *Searching the Law: The States* is the companion text to *Searching the Law Together*; the sets form one of the most comprehensive logical legal reference sources available. Published under the Transnational Publishers imprint. The print edition is available as a set of two volumes. 9781571052872.
