Looking Other Stories:

Good Looking Bloke and other stories Ken Byerly, 2009-08-18 I didn't set out to write about sex though in some of these stories it does appear that that's what makes the turkey trot. Rather the beginning was mundane enough. In August 2008 I discovered two boxes of old letters in the basement of our house in Vermont letters I received and saved between the ages of 18 and 29. For reasons I can't explain these crinkly typed and written pages ignited in me a creative frenzy. I resurrected and rewrote four old short stories and over the next eight months created seven new ones. Have I a favorite I like them all but it struck me in my final run through for this volume that there was only one story MY FRIEND in which I did not change a single word. Here they are, hormones and all. Enjoy

The Horrible Dummy and Other Stories Gerald Kersh, 2013-10-17 It is a quality of flamboyant vigour in Mr Kersh that wins attention first of all for his fiction and more especially perhaps for his occasional short story When his flamboyant energy of sentiment and language comes off he achieves an effect of genuine distinction at his surest that is he is a short story writer of a strongly individual and rewarding kind the best and cleverest of the 23 stories in this volume tells with excellent economy of a ventriloquist's dummy which was inhabited or so it seemed by the spirit of the ventriloquist's murdered father The Drunk And The Blind the sketch of an old battered and mentally ruined boxer is done with a telling and slightly brutal power The Devil That Troubled The Chess Board is another sound thing in a vein of the slightly macabre Times Literary Supplement 1944
