1956 and All that Dan Rebellato, 1999 It is said that British Drama was shockingly lifted out of the doldrums by the revolutionary appearance of John Osborne's *Look Back in Anger* at the Royal Court in May 1956 But had the theatre been as ephemeral and effeminate as the Angry Young Men claimed Was the era of Terence Rattigan and Binkie Beaumont as repressed and closeted as it seems In this bold and fascinating challenge to the received wisdom of the last

forty years of theatrical history Dan Rebellato uncovers a different story altogether It is one where Britain's declining Empire and increasing panic over the problem of homosexuality played a crucial role in the construction of an enduring myth of the theatre By going back to primary sources and rigorously questioning all assumptions Rebellato has rewritten the history of the Making of Modern British Drama Look Back in Gender (Routledge Revivals) Michelene Wandor,2014-07-11 In this challenging book first published in 1987 Michelene Wandor looks at the best known plays in the thirty years prior to publication from Look Back in Anger onwards Wandor investigates the representation of the family and different forms of sexuality in these plays and re reviews them from a perspective that throws into sharp relief the function of gender as an important determinant of plot setting and the portrayal of character Juxtaposing the period before 1968 when statutory censorship was still in force with the years following its abolition Wandor scrutinises the key plays of among others Osborne Pinter Wesker Arden and Delaney Each one is analysed in terms of its social context the influence of World War II the testing of gender roles the development of the Welfare State and changes in family patterns and the impact of feminist Left wing and gay politics Throughout the period two generations of playwrights and theatregoers transformed the theatre into a forum in which they could articulate and explore the interaction of their interpersonal relationships with the wider political sphere These changes are explored in this title which will allow readers to re evaluate their view of post war British drama John Osborne Patricia D. Denison,2012-12-06 For British playwright John Osborne there are no brave causes only people who muddle through life who hurt and are often hurt in return This study deals with Osborne's complete oeuvre and critically examines its form and technique the function of the gaze its construction of gender and the relationship between Osborne's life and work Gilleman has also traced the evolution of Osborne's reception by turning to critical reviews at the beginning of each chapter The Making of Theatrical Reputations Yael Zarhy-Levo,2008-04-21 Today's successful plays and playwrights achieve their prominence not simply because of their intrinsic merit but because of the work of mediators who influence the whole trajectory of a playwright's or a theatre company's career Critics and academic writers are primarily considered the makers of reputations but funding organizations and various media agents as well as artistic directors producers and directors also pursue separate agendas in shaping the reputations of theatrical works In The Making of Theatrical Reputations Yael Zarhy-Levo demonstrates the processes through which these mediatory practices by key authority figures situate theatrical companies and playwrights within cultural and historical memory To reveal how these authorizing powers that be promote theatrical events companies and playwrights Zarhy-Levo presents four detailed case studies that reflect various angles of the modern London theatre In the case of the English Stage Company's production of John Osborne's Look Back in Anger she centers on a specific event She then focuses on the trajectory of a single company the Theatre Workshop particularly through its first decade at the Theatre Royal Stratford East London Next she explores the career of the dramatist John Arden especially its first ten years in part drawing upon an interview with Arden and his wife actress and playwright
