Four Lives Janice Rubin, Honey Hilzen, Peggy O'Hea, Theda von Schultz Bray, 2001-11-14 Why are some people able to survive unpropitious beginnings thrive and even excel while others in equivalent circumstances cannot The four women whose memoirs make up this volume met several years ago in an autobiography workshop Despite early years that included physical emotional and sexual abuse deaths and abandonments and the terror of living in a country at war they remained sufficiently self possessed and determined to go on to live productive lives often giving back more than they had received How did they manage to do it Was Theda's loving family her protective shield Was Honey's willingness to accept help and learn from others her salvation Did Peggy's brightness charm and independence give her the confidence to take on the world Was Janice's determination to matter her incentive This book offers no answers but there are enough clues in each of the four stories on which to base reasonable conjectures

Looking Back, Moving on David Rogers, Janice Rubin, 2000-07 David Rogers has a specific point of view and he lets it all out in a new extremely enjoyable book of three marvelous long short stories Stories by an Atheist Here are paragraphs from each Sunday Morning There was a pond behind the house they rented a good distance off for some legs In the evenings sometimes while Julia was busy in the kitchen getting supper Jay and the boys walked down to the pond Jay to stand on the dock and watch while the boys lay on their stomachs and peered between the planks The pond was alive with sunnies that rushed at everything that fell into the water especially breadcrumbs Some had white edges on their fins and fringes on their tails and they were the best kind The other kind smaller darker and quicker got most of the bread Once a little painted turtle appeared and paddled around and around chasing all the fishes and though shouted at and spat upon wouldn't go away Seventeen You saw her didn't you said Gus What more do you want What's she hanging around here for If it wasn't raining she'd be out of the road thumbing for Chrisake She's got to get to town absolutely has to get to town some big deal with her girl friend If she don't get there she'll die Go home and get your car and come back and tell her you'll take her anywhere she wants to go and you know what you do you take her out in the woods and tell her either she fucks or she walks and what do you bet she fucks I couldn't do that said Herby He was shocked She's only a kid He was only a kid himself The Funeral Emily and Micky Christine were among the last to reach the celebrity The priest pushed through the crowd as they approached put his arms around them kissed them both on the lips Everett noted and sorrowfully shook his head Everett was brought forward and introduced an introduction he would rather have avoided

were it possible The priest shook his hand patted his arm and said it was good to see him He told the girls he had known their father for years more years than he cared to remember and had known their mother as well a lovely woman It had hit him hard her passing and now here it was old Jim s turn not an old man by any means and did they know what had taken him On learning that no one seemed to know he said the doctors might be good people but they didn t know as much as they thought they did They had lost a good man in Jim Turner but it looked as if they had found another He said this with a roguish glance at Everett who flushed with pleasure in spite of himself and felt a damned fool for so doing An Accidental Memoir Wendy Reed,2013-01-01 In this collection of deliberately fragmented essays a talented documentary filmmaker points the lens at herself and explores a succession of personal tragedies Told from unusual perspectives and in highly figurative language the essays draw on the Southern Gothic tradition of Flannery O Connor and feature dark humor flawed people disastrous events and moments of spiritual grace Taken together they become a meditation on subjects such as death work family responsibilities and raising a child *Into the Sun* Neil Volz,2011-11-22 Into the Sun puts a human face on the business of American politics It also makes you rethink what you believe about Washington When Neil Volz moved from small town Ohio to Capitol Hill he was a young idealistic college student Twelve years later he was a high profile symbol of Washington corruption A former lobbyist and public official Volz paints a vivid and disturbing picture of his rise and fall He ushers the reader in to the clandestine world of congressional deal making and special interest lobbying all the while telling of his journey down the slippery slope of personal corruption The book describes first hand what it was like to be a target of a Justice Department investigation as well as a government witness during the worst political corruption scandal since Watergate The author outlines important life lessons he learned from the experience And raises fundamental questions about the role of money of politics How do people become corrupt Is it an individual failure Or the result of a failed political system While Into the Sun is a personal story about hope failure and faith it also a larger story about how Washington works and how it doesn t A Look Back in Time: Memoir of a Military Kid in the 50s Bernard N. Blue-Eyed Boy Robert Timberg, 2014-07-24 Acclaimed journalist Robert Timberg's extraordinary long awaited memoir of his struggle to reclaim his life and find his calling after being severely burned as a young Marine lieutenant in Vietnam In January 1967 Robert Timberg was a short timer counting down the days until his combat tour ended He had thirteen days to go before he got to go back home to his wife in Southern California That homecoming would eventually happen but not in thirteen days and not as the person he once was The moment his vehicle struck a Vietcong land mine divided his life into before and after He survived barely with third degree burns over his face and much of his body It would have been easy to give up Instead Robert Timberg began an arduous and

uncertain struggle back not just to physical recovery but to a life of meaning Remarkable as his return to health was he endured thirty five operations one without anesthesia just as remarkable was his decision to reinvent himself as a journalist and enter one of the most public of professions Blue Eyed Boy is a gripping occasionally comic account of what it took for an ambitious man aware of his frightful appearance but hungry for meaning and accomplishment to master a new craft amid the pitying stares and shocked reactions of many he encountered on a daily basis By the 1980s Timberg had moved into the upper ranks of his profession having secured a prestigious Nieman Fellowship at Harvard and a job as White House correspondent for The Baltimore Sun Suddenly his work brought his life full circle the Iran Contra scandal broke At its heart were three fellow Naval Academy graduates and Vietnam era veterans Oliver North Bud McFarlane and John Poindexter Timberg s coverage of that story resulted in his first book The Nightingale s Song a powerful work of narrative nonfiction that follows these three academy graduates and two others John McCain and Jim Webb from Annapolis through Vietnam and into the Reagan years In Blue Eyed Boy Timberg relates how he came to know and develop a deep understanding of these five men and how their stories helped him understand the ways the Vietnam War and the furor that swirled around it continued to haunt him and the nation as a whole as they still do even now nearly four decades after its dismal conclusion Like others of his generation Robert Timberg had to travel an unexpectedly hard and at times bitter road In facing his own life with the same tools of wisdom human empathy and storytelling grit he has always brought to his journalism he has produced one of the most moving and important memoirs of our time
