**So I look back on my life  
trying to find a happy moment  
to block out the pain  
to have something to think about  
well they yell  
yell about me  
yell about my mistake  
yell about my life  
he blames me**

**she blames him  
I blame them  
But I can't think of a moment  
not of one time I was happy  
all I remember is pain  
tears  
stress  
depression  
suicidal thoughts  
anger  
why? Why was I never happy?**

**Why was I always crying?  
Why was I always stressed?  
Why was I always depressed?  
why was i always anger?  
Why was I always thinking suicidal thoughts?**

Hart,Jacqueline M. Martinez,2020-12-23 New Understandings of Twin Relationships takes an experience based approach to exploring how twin attachment and estrangement are critical to understanding the push and pull of closely entwined personal relationships Based on the research expertise of each of the authors all identical twins in their own right and vignettes from twins across the globe this book describes the inner workings of the twin world showing how the twin world creates experiences that are often more intense and intricately textured than those in the singleton world

Chapters debunk myths surrounding twinship and analyze the developmental stages of the twin relationship as well as the effect of being a twin on one's mental health from different perspectives. The authors articulate how attachment, separation, anxiety, loneliness, estrangement, and the subjective experience of the twin and non-twin other impact behavior, thinking, and feeling. Through its careful study of the many psychological challenges that twins face throughout their lifetime, this text will help psychologists, scholars, clinicians, and twins themselves attain a deeper understanding of all interpersonal relationships.

**My Life- My War- World War 2** Stanley B. Loomis, 2010 Wars are started by a person or persons and are usually a quest for power for a person or a group of people and they don't really care how many people are killed nor how many families are losing a father, mother, or brothers or whole families and their relatives. Sometimes it is necessary to start a war by a peaceful nation against countries that are harming and have the publically displayed their intentions to extend their borders by taking land from established country's land and people. This I would consider declaring a war to be the only necessary solution to the problem but still a war with people getting maimed and killed. In World War One Germany was the problem once again lust for power. I wasn't even thought of at that period of time in fact I hadn't even arrived on the scene at that point of time. But think about it for a moment there's not one inch of land that has increased in size in those thousands of years of civilization and wars. I was a training in Camp Blanding in Florida we could look in any direction and there was a sign posted in large letters Kill or Be Killed Kill or Be Killed. We were just 18 or 19 year old kids think about it Kill or Be Killed what an education but necessary to imprint it inside our young brains. It gave us young kids a reason to become killers hesitate for a second and you're dead. Back then in training we used to repeat over and over was that wars were necessary to Decrease The Surplus Population. It is most certainly a true statement.

**The Greatest Love Poems of All Time** Cook & Brothers, 2015-01-09 This book is very humorous and it gets straight to the point. It could leave you with tears falling from your eyes or make you very angry. My mama was my heart and my soul. She taught me everything I know. I am the man I am because of her. She was my backbone. She was there for me through hard times and good times. What can I say. Words do not explain the things I feel about my mama. She stood by my side when no one else

would She was truly truly a mother
