Truth, Love, Light, and Salt Santos J. Hernandez, 2021-09-03 In this modern collection of poetry I share my spiritual journey from sinner to discipleship While I still struggle with my demons I find comfort in the poems that are placed in my heart and I share them because I know that I am not the only one struggling to orient my heart and mind amid the disorientation that we wake up to these days In a world where lies are given the starring role at center stage in a play of made up things I promise these poems will give you much to think about and contemplate Truth eternal Love unconditional Light revealing and the Salt that gives life flavor This is certainly not your traditional poetry collection as it flows off your lips and performs visual stunts while challenging your world of mirrors and mazes You will experience a journey through melodious words that at times winds you down a rabbit hole and then sends a lifeline to lift you out of the darkness and into the light of truth and love When times are especially dark instead of stumbling and cursing you reach for the Light of the world and salt the earth with truth

Dating in the Millennium Alicia S. Walker, 2013-07-12 What therefore God has joined together let no man separate Matthew 19:6 Good communication openly and honestly is ideal when it comes to dating and marriage Many women aspire to share a covenant relationship with the opposite sex and really don't bargain for being labeled as girlfriend 2 friend baby momma or any other label or title that is given to them other than wife or fianc As young girls and young adults most aspire to be married have a family and be in a one on one committed relationship A relationship is like any living plant that requires sunlight nurturing and water If you don't water it and provide it with enough sunlight water and care it dries up and dies This holds true for any relationship between a man and a woman Love makes the world go round When cultivating a healthy and fruitful relationship the relationship should be a win win for both parties involved It is important to begin a relationship with honesty integrity respect and trust Ask God daily to lead guide and advise you so that you can make sound decisions when it comes to dating and marriage He always give us signs when things are not right so pay attention to the things that are going on around you and in your life Take time to do some soul searching and get in tuned with yourself and start asking yourself some very important questions What truly makes you happy And what is the

real definition of love and what does it mean to you Remember you cannot make someone else happy if you're not happy with yourself Live for you and do what makes you feel the happiest whether your family and friends agree or disagree At the end of the day whatever choice or decision you make you are the one who have to live with it **Wise Up!** Dr Gerry D Fox, 2004-11 Want Wisdom Wealth Peace and Joy Wise Up is a heartfelt daily reflection on the entire book of Proverbs that makes the deeper meaning of each proverb easy to read and understand Advent Daily: Standing Still in Hope, Peace, Joy and Love Naomi Beale, 2023-09-26 The Christmas season is full of preparations You pull out the decorations mail cards plan gatherings shop attend programs and performances all to celebrate the day Christ was born But amidst all the readying and activities are you taking time to prepare your heart Perhaps the checklists and busyness of all of our traditional preparations distracts us from the significance of Advent and Christmas itself All of these distractions may even cause us to miss some of the blessings we are truly meant to receive during this season of celebration and joy Through thoughtful reflection author Naomi Beale invites us each to purposefully experience Advent daily Standing still intentionally in anticipation of Christmas Day magnifies the HOPE PEACE JOY and LOVE to be found in this season These meditations with focused scripture will enhance the celebration of Christmas encourage daily awareness of these gifts and point to being in the Advent of the eternal light and love to come **Fruits** Lisa Thompson, 2019-06-21 Nutrients are essential components that are important in the body's functions and processes Each of these nutrients performs a particular work to promote good health Every day the body produces skin bones and muscles The body produces red blood cells that carry oxygen and important nutrients throughout the body it sends out nerve signals and formulates chemical messengers to and from the brain All these bodily processes require raw materials which turns into energy Do you wonder where your body gets all the energy from Do you wonder where your spirit gets all the energy from Food is the primary source of the body's energy The Word is the primary source of the spiritual energy Energy comes from the food people consume the water they drink and the air they breathe The love we have the peace we bring the joy within the kindness we give the patience we sustain the goodness we portray the gentleness we portray the faithfulness we stand on and the self control we adhere to are all necessary for our spiritual survival for the times we are living in Aside from that the body needs essential vitamins and minerals to function properly Carbohydrates is your love and joy the main source for the brain Fats often get a bad reputation but supports many body processes such as blood clotting building cells absorption of vitamins and minerals and the movement of the muscles This is your peace and patience Protein provides the building blocks of the body Each cell in the body contains protein and it's important for health growth and body maintenance This is your kindness and goodness Vitamins are crucial for warding off disease and not getting enough of them can cause a wide array of diseases and health problems Minerals aid in the functions of the body including metabolism staying properly hydrated and building strong teeth and bones This is your gentleness and faithfulness Water is important in the body It's considered a vital nutrient the body can't survive without The doctors
