Revisit this classic Regency romance by Cheryl Bolen Proposing to the Earl of Aynsley seems a sensible if unconventional solution to Miss Rebecca Peabody s predicament As a married woman she will be free to keep writing her essays on civil reform Meanwhile the distinguished widower will gain a stepmother for his seven children and a caretaker for his vast estate But the earl wants more than a convenient bride He craves a true partner a woman he can cherish To his surprise the bookish Miss Peabody appears to have every quality he desires except the willingness to trust her new husband Yet despite his family s interference and her steadfast independence time and faith could make theirs a true marriage of hearts
