brutal war of liberation author C S Forester tells the story of a gun a remarkable cannon an immense eighteen pounder used by local townspeople in the rebellion against the French until they are forced to hide it beneath a pile of stone to prevent its capture Years later a group of guerrilleros learn about its location and seize it for their cause The colossal gun though highly valued creates colossal challenges to those responsible for its transportation and defense Over time the great gun falls under the control of a series of guerrilla leaders each achieves strong leadership through his connection to the gun and each is eventually captured and executed or killed in battle until the gun finally comes under the control of the 18 year old Jorge who emerges as an untrained but naturally gifted leader and tactician The exploits of the Spanish irregulars under Jorge eventually lead to the diversion of a large body of French troops from their fight against the Peninsular allies and thus help win the war
