Made For Joy:

A Day for Joy Keith Clouten, 2022-03-07 Many people think of the Sabbath as a requirement even a burden and one that is difficult to accomplish Can the Sabbath day instead be a gift a blessing even joyful In this book Keith Clouten looks at the biblical background and the theological underpinnings of the Sabbath in order to understand why such a day was instituted what we can learn from it and how we can benefit from this gift of God This is not a theological treatise or an extended argument about days Rather working from his own experience and scriptural knowledge the author helps the reader learn from the command and to experience its joy as God s gift It is a special experience for a reader to listen while an author talks about an object of love and even passion In this book you may discover such feelings about a day This book is for anyone who wants to experience God s presence more fully and to understand our relationship to God s creation through history and in the present

Made for Love Michael Schmitz, 2018-07-01 In *Made for Love* Fr Michael Schmitz presents the Catholic teaching on same sex attraction and same sex sexual relations He begins by giving background information regarding the different worldviews of the human person the philosophical ideas of nature and purpose the differences between objective and subjective truth the principle of non contradiction and the fallen human nature that resulted from Original Sin He then discusses in great detail the nature and ends of human sexuality and the nature of true love while in a compassionate and non judgmental way explaining the flawed nature of same sex sexual relations While this book is intended primarily for those who have same sex attraction and their family and friends its presentation of the compassionate truth of Catholic teaching on same sex attraction will be of great benefit to everyone in today s society
