The Great Hall James A. Terry, 2014-04-21 Lincoln Parker a young hubristic rising jazz star is killed in the middle of a live jazz concert He is given a second chance to redeem his lost soul in the Great Hall In the Great Hall Lincoln encounters a diverse group of people Each person has been granted an opportunity to reverse their fate and save their soul Each condemned soul attempts to explain or to justify why they had lost their soul Daily a mysterious person would appear and he would announce who had been selected for a final judgment Unable to determine who had been selected this mysterious person only indicated which souls were chosen for final judgement **Priest of Music** William R. Trotter, 1995 Mitropoulos story unfolds against the rich backdrop of the Golden Age of conductors and reveals secret wars among musicians patrons promoters and critics Based upon extensive research this radiant account of a tragically noble and neglected giant promises to be the most important musical biography of the decade Photos *Riccardo Muti* Judith Karp Kurnick, 1992 Riccardo Muti's tenure with the Philadelphia Orchestra constituted a virtuoso partnership acclaimed around the world This book documents and highlights the achievements of the maestro's career **The Violinist**, 1901 **The Maestro Myth** Norman Lebrecht, 2001 Nearly ten years after its original publication The Maestro Myth continues to enthrall readers with its insightful look into the lives and careers of the world's most celebrated conductors Now updated and including two new chapters this volume portrays the politics and inflated economics surrounding the podiums of today's international classical music scene and the obstacles faced by blacks women and gays From Richard Strauss to Herbert von Karajan to Leonard Bernstein to Simon Rattle The Maestro Myth examines the world of classical music and the mounting crisis in a profession where genuine talent grows ever scarcer It is a must have resource for music aficionados as well as anyone interested in the behind the scenes lives of these music masters Book jacket In the Room of the Circles Federico Barbierato, 2025-09-22 This book investigates the circulation regulation and interpretation of magical texts focusing on the Clavicula Salomonis Key of Solomon one of the most sought after and feared books of the time Drawing on inquisitorial records trial proceedings and archival sources Federico Barbierato uncovers how these texts were read copied and exchanged illuminating the blurred boundaries between religious orthodoxy scientific inquiry and the occult The Early Modern period was marked by a deep ambivalence toward books of magic which were revered as sources of hidden knowledge yet condemned as dangerous and subversive Nowhere was this tension more evident than in Venice a city where inquisitorial censorship clashed with a vibrant book culture At the heart of this volume lies a detailed exploration of the people who interacted with magical writings monks exorcists book dealers artisans and even suspected heretics revealing how these texts served multiple purposes from spiritual protection to financial speculation By examining how authorities sought to suppress reinterpret and sometimes co-opt magical knowledge the book provides fresh insights into the dynamics of censorship literacy and power Barbierato moves beyond the history of forbidden books to reconstruct a network of exchanges that shaped Early Modern attitudes toward

magic and heterodox knowledge In the Room of the Circles will appeal to scholars and students of Early Modern history book history religious studies and intellectual history as well as readers interested in the history of censorship and the relationship between knowledge and power

Music in Seventeenth-Century Naples Dinko Fabris,2017-07-05 The most important figure of seventeenth century Neapolitan music Francesco Provenza 1624 1704 spent his long life in the service of a number of Neapolitan conservatories and churches culminating in his appointment as maestro of the Tesoro di S Gennaro and the Real Cappella Provenza was successful in generating significant profit from a range of musical activities promoted by him with the participation of his pupils and trusted collaborators Dinko Fabris draws on newly discovered archival documents to reconstruct the career of a musician who became the leader of his musical world despite his relatively small musical output The book examines Provenza s surviving works alongside those of his most important Neapolitan contemporaries Raimo Di Bartolo Sabino Salvatore and Caresana and pupils Fago Greco Veneziano and many others revealing both stylistic similarities and differences particularly in terms of new harmonic practices and the use of Neapolitan

language in opera Fabris provides both a life and works study of Provenzale and a conspectus of Neapolitan musical life of the seventeenth century which so clearly laid the groundwork for Naples later status as one of the great musical capitals of Europe *The Strad* ,1914 **Nuns Behaving Badly** Craig A. Monson,2010-11-15 Witchcraft Arson Going AWOL Some nuns in sixteenth and seventeenth century Italy strayed far from the paradigms of monastic life Cloistered in convents subjected to stifling hierarchy repressed and occasionally persecuted by their male superiors these women circumvented authority in sometimes extraordinary ways But tales of their transgressions have long been buried in the Vatican Secret Archive That is until now In *Nuns Behaving Badly* Craig A Monson resurrects forgotten tales and restores to life the long silent voices of these cloistered heroines Here we meet nuns who dared speak out about physical assault and sexual impropriety some real some imagined Others were only guilty of misjudgment or defacing valuable artwork that offended their sensibilities But what unites the women and their stories is the challenges they faced these were women trying to find their way within the Catholicism of their day and through the strict limits it imposed on them Monson introduces us to women who were occasionally desperate to flee cloistered life as when an entire community conspired to torch their convent and be set free But more often he shows us nuns just trying to live their lives When they were crossed by powerful priests who claimed to know what was best for them bad behavior could escalate from mere troublemaking to open confrontation In resurrecting these long forgotten tales and trials Monson also draws attention to the predicament of modern religious women whose misbehavior seeking ordination as priests or refusing to give up their endowments to pay for priestly wrongdoing in their own archdioceses continues even today The nuns of early modern Italy Monson shows set the standard for religious transgression in their own age and beyond **Honoring God and the City** Jonathan Glixon,2003 This is a history of musical activities at Venetian lay confraternities The book traces musical practices from the origins of the earliest confraternities in the mid 13th century through their suppression under the French and Austrian governments of Venice in the early 19th century *Honoring God and the City* Jonathan Glixon,2008-06-01 This is the first detailed history of musical activities at Venetian lay confraternities Based on over two decades of research in Venetian archives the book traces musical practices from the origins of the earliest confraternities in the mid thirteenth century through their suppression under the French and Austrian governments of Venice in the early nineteenth century The first section of the book treats the *scuole grandi* the largest and most important of the Venetian confraternities and the only ones to maintain musical establishments for long periods The second portion of the book is concerned with the *scuole piccole* the numerous less important confraternities sometimes as many as 300 of which were active simultaneously located in churches throughout Venice Appendices include an attempt to reconstruct a calendar of musical events at all Venetian confraternities in the early eighteenth century demonstrating the vital role they played in the cultural and ceremonial life of this great city Under Lion Rock Jane Houn,2023-07-19 **Antonio Vivaldi** Karl Heller (Dr. phil.),1997 Chronicles the life of the seventeenth
