Charney,2025-07-18 When Barbara Ruby s estranged uncle Stanley dies unexpectedly she isn t exactly grief stricken Explosive and violent Stanley alienated his family years ago at an infamous Christmas dinner or as Barbara calls it The Unholy Night Yet when Barbara finds out that her rich uncle died without a will and she may be the only beneficiary she feels like she won the lottery Little does she realize that what she believes is good fortune is the beginning of her life unravelling Barbara pays a visit to her uncle s bed and breakfast and comes face to face with a potentially deadly surprise As the battle for Stanley s estate grows ever more chaotic Barbara learns that inheritance is never just about money Even if she gets the lavish life she always wanted what will she lose along the way Life with Sudden Death Michael Downing,2010-10-01 The youngest of nine children Michael Downing was three when his father died suddenly and inexplicably No autopsy was performed The family diagnosis was God s will As a boy Downing rigorously trained as a spiritual athlete preparing to vault into heaven But eventually he escaped the religious dogma and the family arena until one of his brothers died in 2003 suddenly and inexplicably No autopsy was performed Alarmed Downing pursued a diagnosis Drawn into a world of researchers clinicians and manufacturers with their own arcane ethics and faith Downing discovered he had inherited a mutant protein from his father and the first symptom would be his sudden death To save his life a defibrillator was hard wired to his heart Within weeks he needed emergency surgery to remove the device and the life threatening infection he got with it Two months later he was re implanted only to read in his morning newspaper that the new wires anchored to his heart were prone to failure His device might be powerless or it might deliver a series of unwarranted possibly fatal shocks From a bedeviled boyhood in the Berkshires to a grim comedy of errors in one of Boston s best hospitals Life with Sudden Death is a wild ride Dead Midnight Marcia Muller,2008-11-15 New York Times bestselling author Marcia Muller brings you another thrilling mystery with her famous private investigator Sharon McCone Sharon McCone has decided to throw herself into work so she can get past her brother s suicide but the wrongful death suit she is working on hits too close to home It s a civil case in which the family of a young zine employee claims his suicide was the result of his company s treatment of him In his

A Date to Die Rion Mary Gabriel, 2014-10-15 The news of my brothers suicide rubbed me raw like sandpaper Joey and I were born on the same day eleven years apart and for me we would die on the same day eleven years apart destiny and my promise I waited nine years to grieve I kept my promise to myself for ten long years The grief from suicide is more traumatic than a normal grief My other promise was to stay sober in Joeys honor I failed sobriety quickly drinking to numb my life and no longer for fun and relaxation I wish I could say my brothers suicide and our alcoholism are the end of this memoir but my sobriety revealed I had mental health problems Unfortunately a correct diagnosis took years After sobriety I tried multiple self harm behaviors to bring about a sudden rush of adrenaline This contributed to my 9 year career of at least 30 trips to mental health hospitals Thank God I stumbled upon something to bring the miracle of life to me With suicide being more than double that of homicide in the United States answers are challenging to find The reader will learn how to work with someone who is standing on that ledge of life and leaning toward death as their solution Most often when those who have lost someone to suicide inform our clinical work it is by sharing their story in hopes of sparing others the torment that they experienced Dr Michael Arch PhD LCSW CT
