

My Summer Vacation

**A time of fun and joy,
In which I did enjoy,
Learning and games both came,
I treated them the same.**

**A time of rest and enjoyment,
In which we do give vent,
To our happiness after examinations,
And free up our tensions.**

**A time needed for students everywhere,
After the heavy wear and tear,
Of examinations that test their ability,
They are finally free.**

**A time to pursue hobbies and interests,
To do things in others behests,
It is a time that all crave for,
And of what students want more.**

**It is a time to visit family,
Who for long they have not seen,
However, it ends too early,
And then students have to go and study.**

**It certainly is a boon to students,
To be given rest after the examinations,
It indeed is time for refreshments,
Time for a lot of happiness and fun.**

**Indeed student like this time,
In which study is not given a dime,
It certainly is filled with lots of festivity,
In which children can develop their creativity.**

**Summer Vacations is of course very important,
For the children it is indeed and always God-sent.**
