Ineke Cornet

Mystique Of Mysticism:

Mystique of Mysticism Francis Quotidomine,1972 *A Treasury of Mystic Terms* John Davidson (M.A.),2003

Mystical Union in Judaism, Christianity, and Islam Moshe Idel,Bernard McGinn,2016-10-06 Mystics who have spoken of their union with God have come under suspicion in all three major religious traditions sometimes to the point of condemnation and execution in the case of Christianity and Islam Nevertheless in all three religions the tradition of unio mystica is deep and long Many of the spiritual giants of these three faiths have seen the attainment of mystical union as the heart of their beliefs and practices Despite its importance mystical union has rarely been investigated in itself apart from the wider study of mysticism and even more rarely from the aspect of comparative studies especially those based upon broad and expert knowledge of the inner life of the three related monotheistic faiths This text brings together essays that equally explore the broader idea of unio mystica as well as the mystic traditions within each religion **Mystical Experience and**

Religious Doctrine Philip C. Almond,2015-02-06 No detailed description available for Mystical Experience and Religious Doctrine The Origins of the Christian Mystical Tradition Andrew Louth,2007-01-25 Andrew Louth traces the Christian

mystic tradition from Plato through figures such as Origen Gregory of Nyssa and Augustine and explores the diverse and conflicting influences to be found in Christian spirituality **Mystical Theology and Contemporary Spiritual Practice** Christopher C. H. Cook,Julienne McLean,Peter Tyler,2017-09-08 In *Mystical Theology and Contemporary Spiritual Practice* several leading scholars explore key themes within the Christian mystical tradition contemporary and historical The overall aim of the book is to demonstrate the relevance of mystical theology to contemporary spiritual practice Attention is given to the works of Baron von Hugel Vladimir Lossky Margery Kempe Ludwig Wittgenstein Thomas Merton and Francisco de Osuna as well as to a wide range of spiritual practices including pilgrimage spiritual direction contemplative prayer and the quotidian spirituality of the New Monasticism Christian mystical theology is shown to be a living tradition which has vibrant and creative new expressions in contemporary spiritual practice It is argued that mystical theology affirms something both ordinary and extraordinary which is fundamental to the Christian experience of prayer The Oxford Handbook of Mystical

Theology Edward Howells,Mark A. McIntosh,2020-02-25 The *Oxford Handbook of Mystical Theology* provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical

theological engagement with them for today Divided into four parts the first section introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook

The Psychology of the Mystics Joseph Maréchal, 2012-06-11 This landmark survey ranges from contrasts of empirical science and religious psychology to examinations of the distinctive features of Christian mysticism and the Islamic concept of mystical grace

The Arnhem Mystical Sermons Ineke Cornet, 2018-12-06 In this book on The Arnhem mystical sermons Ineke Cornet offers the first in depth study of the mystical and theological content of this sixteenth century sermon collection from St Agnes in Arnhem

Mysticism Evelyn Underhill, 1919

“And They Shall Be One Flesh”: On The Language of Mystical Union in Judaism Adam Afterman, 2016-08-29 In *And They Shall Be One Flesh* On the Language of Mystical Union in Judaism Adam Afterman offers an extensive study of mystical union and embodiment in Judaism Afterman argues that Philo was the first to articulate the notion of unio mystica in Judaism and is the source of the hen sis mysticism in the later Neoplatonic tradition The study provides a detailed analysis of the Jewish medieval trends that developed different forms of mystical union and mystical embodiment through the divine name and spirit The book argues that the development of unitive mysticism in Judaism is the fruit of the creative synthesis of rabbinic Judaism and Hellenistic and Arab philosophy and a natural outcome of the theological articulation of the idea of monotheism itself

Mystical Theology and Platonism in the Time of Cusanus Jason Aleksander, Sean Hannan, Joshua Hollmann, Michael Moore, 2023-10-20 *Mystical Theology and Platonism in the Time of Cusanus* engages with the history of mystical theology and Neoplatonic philosophy through the lens of the 15th century philosopher and theologian Nicholas of Cusa The volume comprises nineteen essays that break down the barriers between medieval and Renaissance studies reinterpreting Cusanus place in the history of thought by exploring the archive that informed his thinking while also interrogating his works by exploring them from the standpoint of their later reception by modern philosophers and theologians The volume also offers tribute to the career of Donald F Duclow a leading scholar in the field of Cusanus studies in particular and of the history of mystical theology and Neoplatonic philosophy more generally

The Return to the Mystical Peter Tyler, 2011-06-16 The most recent mystical theology scholarship a discipline that has found new energy and influence This is examined through the lens of Wittgenstein s philosophy

The Relevance of Bernard Lonergan's Notion of Self-appropriation to a Mystical-political Theology Ian B. Bell, 2008 In *The Relevance of Bernard Lonergan s Notion of Self Appropriation to a Mystical Political Theology* Ian Bell takes on the issue of the separation of the interior and exterior lives that has come to dominate mystical theology over the years

The mystical life he claims is necessarily involved in the establishment of social structures and institutions that govern human living and the work of Bernard Lonergan on the human subject provides a means by which the connection between the interior and exterior lives may be established. Because human persons operate in a consistent pattern regardless of a given moment's particularities, mystical experience is no longer relegated to so-called spiritual matters and the insights of mystics may be applied to the Christian call to live as agents of love. With this connection in place, mystical theology and political theology come together in a theology that is both mystical and political.

A Biography of Ordinary Man François Laruelle, 2018-01-16 This book is a foundational text for our understanding of François Laruelle, one of France's leading thinkers whose ideas have emerged as an important touchstone for contemporary theoretical discussions across multiple disciplines. One of Laruelle's first systematic elaborations of his ethical and non-philosophical thought, this critical dialogue with some of the dominant voices of continental philosophy offers a rigorous science of individuals as minorities or as separated from the World. History and Philosophy Through novel theorizations of finitude and determination, in the last instance Laruelle develops a thought of the One as a minoritarian paradigm that resists those paradigms that foreground difference as the conceptual matrix for understanding the status of the minority. The critique of the unitary illusion of philosophy developed here stands at the foundation of Laruelle's approach to universalizing the power of philosophy and the universals with which it has always thought and thereby acts as a basis for his subsequent investigations of victims, mysticism, and Gnosticism. This book will appeal to students and scholars of continental philosophy, philosophy of religion, ethics, aesthetics, and cultural theory.

The Way of Divine Union Arthur Edward Waite, 1915 [Manual of a Mystic](#) Caroline Augusta Foley Rhys Davids, 1916 The original manuscript bears no title either at the beginning or end. The text was published for the Pali Text Society by T. W. Rhys Davids with title *The Yogavacara's manual of Indian mysticism as practised by Buddhists* London 1896

Christian Mysticism William Ralph Inge, 1925
