goals she decided to set herself a challenge she would not shop for an entire year The Year of Less documents Cait s life for twelve months during which she bought only consumables groceries toiletries gas for her car Along the way she challenged herself to consume less of many other things besides shopping She decluttered her apartment and got rid of 70 percent of her belongings learned how to fix things rather than throw them away researched the zero waste movement and completed a television ban At every stage she learned that the less she consumed the more fulfilled she felt The challenge became a lifeline when in the course of the year Cait found herself in situations that turned her life upside down In the face of hardship she realized why she had always turned to shopping alcohol and food and what it had cost her Unable to reach for any of her usual vices she changed habits she d spent years perfecting and discovered what truly mattered to her Blending Cait s compelling story with inspiring insight and practical guidance The Year of Less will leave you questioning what you re holding on to in your own life and quite possibly lead you to find your own path of less *Fallen Acres* K.S.
