and often exceedingly critical view of the Vancouver art milieu of the time Doreen Walker has chosen not to change the original text of the letters and includes Carr's misspellings and grammatical irregularities which give a feeling of immediacy to the writing There are numerous examples of her talent for graphic description how she felt rag rug level when depressed and how she was sat down with a spank when ill Perhaps most significant are the many revelations of her deep commitment to her work and of her industry and perseverance despite her failing health Queer how we go on she wrote to Cheney luck there is so much rubber in human composition *General Catalogue of Printed Books* British Museum.
