oft told tale of literary modernism Irish writers she argues sought to disrupt the rigidity of political thinking and social control by turning language into a weapon by opening up infinite new possibilities of meaning and association linguistic play makes it impossible for thought to be monopolized by the state or any other institutional power In this light the text becomes a prism of political cultural and erotic desires a fountain of conscious and unconscious linguistic suggestion Defying semantic control and refuting societal repression Wilde Yeats and Joyce literally fought in their lives and in their work for a freedom of expression which as was painfully evidenced in the case of Wilde was not to be had for the asking *The Rose of England: Or, The Adventures of a Prince. [With Plates.]* England. [Appendix. - Miscellaneous.],1840 *The Rose of Martinique* Andrea Stuart,2007-12-01 The acclaimed biography of Josephine Bonaparte the Caribbean born Creole who became the first wife of Napoleon and Empress of France One of the most remarkable women of the modern era Josephine Bonaparte was born Rose de Tasher on her family s sugar plantation in Martinique She embodied all the characteristics of a true Creole sensuality vivacity and willfulness Rescued from near starvation she grew to epitomize the wild decadence of post revolutionary Paris It was there that Josephine first caught the eye of Napoleon Bonaparte A true partner to Napoleon she was equal parts political adviser hostess par excellence confidante and passionate lover Josephine managed to be in the forefront of every important episode of her era s turbulent history from the rise of the West Indian slave plantations that bankrolled Europe s rapid economic development to the decaying of the ancien r gime to the French Revolution itself from which she barely escaped the guillotine Using diaries and letters Andrea Stuart brings her so utterly to life that we finally understand why Napoleon s last word before dying was the name he had given her Josephine A comprehensive and truly empathetic biography Andrea Stuart who was raised in the Caribbean combines scholarly distance with a genuine attempt to understand her heroine The Washington Post **The Rose of Sharon** D.J. Blatchford,2015-01-29 Struggling to escape life s seemingly bottomless pit Don Win and Marandia all strived to overcome their personal battles Don is faced by the lack of financial stability of his family Win and her siblings struggle because at an early age they were abused and they had experienced the doings of her mother and stepfather Marandia on a lighter note struggles in putting up her garden She asked help from her friends and they started putting up a potato farm And this opened a new opportunity for change All three aspire to become successful in their lives by living through the principles of what it is to be a born again Christian A story about family struggles putting up with the drama of daily life and the strengthening of Christian faith The Rose of Sharon will inspire you to live a meaningful Christian life *The White Rose of Stalingrad* Bill Yenne,2013-02-20 Of all the major air forces that were engaged in the war only the Red Air Force had units comprised specifically of women Initially the Red Air Force maintained an all male policy among its combat pilots However as the apparently invincible German juggernaut sliced through Soviet defenses the Red Air Force began to rethink its ban on women By October 1941 authorization was forthcoming for three ground attack regiments of women pilots Among these women Lidiya Vladimirovna Lilya Litvyak soon emerged as a rising star She shot down five

German aircraft over the Stalingrad Front and thus become history's first female ace. She scored 12 documented victories over German aircraft between September 1942 and July 1943. She also had many victories shared with other pilots bringing her possible total to around 20. The fact that she was a 21-year-old woman ace was not lost on the hero-hungry Soviet media and soon this colourful character whom the Germans dubbed 'The White Rose of Stalingrad' became both folk heroine and martyr.

The Rose of Sarifal Paulina Claiborne, 2012-05-01 Cloaked in mist and layered in magic the denizens of Moonshae Isles move in secret circles as capricious rulers vie for power. High Lady Ordalf wanted her niece the princess known as the Rose of Sarifal dead. Instead the young regent was secreted away by the high lady's opponents. For years the eladrin queen of Gwynneth Isle has searched for evidence of her niece's death and word has finally come in the form of a castaway's tale. The princess lives on the island of Moray a mad beauty who leads a nation of lycanthropes. As long as her niece is alive Lady Ordalf cannot rest secure in her claim to the throne. Enlisting a band of adventurers to seek out the princess is the first step toward stemming the Rose of Sarifal and her tide of wolves. Will those heroes see the same threat the queen sees in the beautiful young maiden?

The Rose of Sharon Caroline Mehetabel Sawyer, 1850 **Rose of Soweto - The Dingaan Thobela Story** Deon Potgieter, 2012-10-02 Many tales have been told of boxers who have risen up against the odds to achieve success in their lives. None however has been as dramatic and had such a profoundly inspirational influence on the people who shared the dream as the true life story of the man they call The Rose of Soweto. Dingaan Thobela. The Rose of Soweto has been described as the most naturally talented boxer ever to come out of South Africa. Growing up in Chiawelo under the watchful eye of his grandmother this is the story of how a skinny boy from Soweto overcame adversity to become one of the greatest boxers to lace up a pair of gloves. Starting his career as a raw 17-year-old with a passion for boxing Dingaan Thobela would go on to become a two-time lightweight world champion by the age of 26. Fame and fortune followed but the fairy tale that his life had become was not to last. After relinquishing his WBO title and losing his WBA title he was to endure seven years of mixed fortunes and bitter disappointments until he found himself on the verge of being consigned to history books. Written off in the media and no longer able to make the weight to fight in the lightweight division it looked as if The Rose of Soweto had no other option but to fade away quietly. His long-held dream of winning a third world title seemed an impossible one. Yet Dingaan refused to give it up. He would not be denied. This is the story of how one man went about proving that no matter where you come from no matter what your background and social standing you can triumph in the face of adversity. And then he proved it all over again. In doing so he would not only regain his crown as the champion of the people and once again be hailed as a unifying symbol in a racially divided nation but he would also confirm his place alongside the greatest stars that boxing has ever produced.
