Roses At Midnight:

Roses of Crimson , Midnight's Anguish Yasmin,2023-11-28 In the darkest hours where the night s veil descends and the mind s labyrinthine thoughts take hold this poetry collection emerges as a beacon of solace With each verse we embark on a journey through the complex terrain of early adulthood where confusion and chaos reign Through the delicate art of language the poet navigates the tumultuous waves of distress using words as lifeboats to reach the shores of understanding These verses are the profound culmination of emotions and thoughts woven together in the quiet stillness of midnight With every line the poet reveals that each life phase is a unique odyssey a new iteration of Hiraeth a longing for the intangible This collection encourages us not to discard our emotions but to cradle them tenderly recognizing that vulnerability is the essence of our human experience George Moore Mary Pierse,2009-01-23 The Irish writer George Moore 1852 1933 was a very significant and often controversial figure on the literary stages of Paris London and Dublin at a key cultural moment Between 1880 and 1931 his creative involvements included spells with literary theatres in London and Dublin jousts with the daring and repression of the fin de si cle and a hail and farewell to Yeats and the Irish Revival This collection of essays offers fresh insights into diverse elements of his uvre and reflects some of the wide variety in Moore s literary innovations influences and legacy Contributors note his pioneering contributions to the short story his penetrating insights into Greek classical literature his avant garde feminism and egalitarianism and what may surprise 21st century readers of biblical theme blockbusters his sensitive but contentious novelistic treatment of the historical Jesus In this volume there are studies of sophisticated composition and fresh approaches to textual analysis The multiple Moore talents are scrutinised myths are dispelled and new evidence is uncovered for historic linkages George Moore s anticipation of Freudian psychological insights and his engagement with Darwinian theses are but two of his close involvements with key nineteenth century figures Manet Degas Parnell Kant Maupassant Gladstone Zola Marx and Woolf must feature on the list of names that are inseparable from Moore s life and work Yeats and Joyce also loom large and their under acknowledged indebtedness to Moore poses difficult questions for literary history While Moore s own debt to French artistic influences English models and Irish heritage has long been recognised perceptions of Moore s writing from outside the Anglophone world highlight issues that demand further consideration This multi faceted author is well served by these new studies that in turn suggest additional avenues yet to be explored **Roses at Midnight** Edward Kaulfuss,1983 *Praise of Life* Dobrée Bell,1916

Monster Among the Roses Linda Kage,2022-04-05 Do you know how to get to the rose garden No you can t go there A monster lives there Shaw Hollander is desperate Broke unemployed and determined to help his ailing mother he falls on the good graces of a wealthy benefactor who is willing to give Shaw a job at his mansion in order to pay off his mother s debts Suddenly finding himself surrounded by lavish riches he has no idea what his duties truly entail until he s sent to the rose garden and meets the tragically mutilated Isobel This Beauty and the Beast story holds true to the core of the fable while

shaking off the element of fantasy and dragging it into present day reality Shaw and Isobel are ready to let you climb into their four wheel drive pickup and take a ride with them into their version of happily ever after but only if you first dare to gaze upon the monster among the roses Catalog of Copyright Entries Library of Congress. uproarious tale follows Eloise's transformation from a buttoned up number cruncher to the infamous Goat Lady as she grapples with her midlife crisis in the most unconventional way possible. As Eloise's caprine crew munches their way through manicured lawns and prized rose gardens, chaos ensues, entangling her in a web of small town politics and eccentric personalities. Each chapter unfolds a new landscaping disaster from runaway goats crashing garden parties to four legged vandals redecorating the town square. The story crescendos to a side splitting climax during the annual garden competition where Eloise's hooved helpers stage a town wide invasion. Amidst the mayhem, readers will delight in the dry wit, situational humor, and the unique goat's eye view interludes that offer a comical commentary on human behavior. **Rainbows at the**

Shadows of Covid- 19 Ramsis F. Ghaly MD, 2022-02-08 This is my third book written during COVID 19 pandemic where I continued to serve unceasing as a practicing Neurosurgeon, Anesthesiologist, Intensivist, and Pain Specialist in the Chicago land area. Despite the extreme negative impact of COVID 19 worldwide, I kept a daily diary of my thoughts, reflections, and patients' stories over a year since June 2021. As I kept writing while the world is being flooded with the deadly virus and dreadful news, I saw the rainbows in the shadows of COVID 19. As in the days of Noah thousands of years ago after the deadly flood of the world, and God's covenant with man through the rainbow, so is the current day of COVID 19 a renewal of the covenant between the Almighty God, the Lord, and the people. The current book shares my rainbows in the shadows of COVID 19 as a follow up series of the author's two books of COVID 19. The book divides into 20 sections and contains a total of 194 chapters. The book designates major sections on my continuing education and wellbeing of my residents and students, as well as Neurosurgical patients and inspired stories during late phases of COVID. It covers most of the ongoing thoughts and essential events from October 2020 through July 2021 during the COVID recovery phase, such as Thanksgiving, Presidential Election, and Inauguration, Christmas, New Year, riots, and Vaccination. Another section is written to pay tribute to those who sacrificed their lives and stood strong against the most horrific virus in the front line. *Midnight's Budding Morrow* Carolyn Miller, 2022-05-31 A journey of poignancy and hope, difficult to put down. I loved it. Jennie Goutet, author of the Clavering Chronicles series. Sarah Drayton is eager to spend a holiday at her best friend's crumbling Northumberland castle estate. Alas, rather than easy companionship with her dear friend, she finds herself being inveigled into a marriage of convenience with her friend's rakish brother. When James Langley returns to his family's estate, war is raging, and he wants only distraction, not serious tethers. But his roguish ways have backed him into a corner, and he has little choice but to obey his father's shocking decree: marry before returning to war, or else. Suddenly, he finds himself wedded to a clever and capable woman he barely knows. Sarah craves love and a place to belong, neither of which James offered before returning to the battlefield. Now everyone around her thinks she married above her station, and they have no intention of rewarding her for such impertinence. Only when her husband returns from war does she begin to hope they may find real happiness. When tragedy strikes, this pair must learn to trust God and cling to the belief that even in the darkest depths of night, the morning still holds hope.
