**Teddy Bear Tales** Various Artists, Susanna

Gretz, Various, 2000 A collection of twelve favourite teddy bear stories This enchanting anthology brings together some of the world's best loved teddy bear tales from the richly comic Ruby by Maggie Glen to the nostalgic world of the nursery brought to life in Jane Hissey's Little Bear Lost from the larger than life exuberance of Peter Bowman's Tiny Ted's Big Adventure to the gentle magic of Mike Ratnett and June Goulding's Jenny's Bear

**Keep Your Cooooool!** Tina Rae, George Robinson, 2002-01-01 As one would expect from a publisher with a proven track record in books on behaviour management well illustrated easy to use and potentially very effective Highland Would be a useful resource to encourage the inclusion of emotional literacy to a wider audience without giving away the psychology It could easily be used by teachers as a package or be used in conjunction with an EP where schools need more encouragement to feel less confident I would recommend this as a useful practical resource for schools Educational Psychology in Practice All people including young people face tensions and stress but its how we learn to manage stress that's important The sections of this book cover what is stress who becomes affected by stress the stresses faced by young people good ways to beat stress new ways of coping with stress The sections use stories to help children understand stress and how it manifests itself and to develop a set of skills and coping strategies There are comprehensive teacher notes photocopiable worksheets and a variety of stress management strategies This resource is intended for whole class group work and is not recommended for individual support for children who have suffered severe trauma
