laugh out loud book A must have book for any Horrible Histories fan you ll literally laugh your head off at this comical collection of nasty bits **Are You Not Entertained?** Lindsay Steenberg,2020-10-29 Anglo American culture is marked by a gladiatorial impulse a deep cultural fascination in watching men fight each other The gladiator is an archetypal character embodying this impulse and his brand of violent and eroticised masculinity has become a cultural shorthand that signals a transhistorical version of heroic masculinity Frequently the gladiator or celebrity fighter from the amphitheatres of Rome to the octagon of the Ultimate Fighting Championships is used as a way of insisting that a desire to fight and to watch men fighting is simply a part of our human nature This book traces a cultural interest in stories about gladiators through twentieth and twenty first century film television and videogames **Classical Receptions and Impact of Xena: Warrior Princess** Amanda Potter,Anise K. Strong,2025-02-06 Presenting a wide range of new scholarly approaches this is the first volume to critique the highly influential television series Xena Warrior Princess Based on the online international 2021 conference on Xena Warrior Princess this book offers a critical overview of the series ground breaking impact and discusses why it has maintained its appeal Contributors from across the world include perspectives from classical reception studies queer studies and fan studies to examine the influence of ancient Mediterranean mythology and history in the series and in turn how the series shaped the viewer s understanding of the classical past Significantly there are also studies of Xena s depiction as a barrier smashing heroine and an examination of how the series paved the way for portrayals of LGBTQ relationships on mainstream television The legacy of the series is seen in how it has continued to shape modern views about classical antiquity and how it laid the groundwork for subsequent series and films representing the ancient world Pinning Down the Past Mike Corbishley,2014-04-17 In a relatively short period of time the pursuit of archaeology has evolved from an antiquarian interest to a specialised scientific activity Part of this evolution has always included the interest of the public and archaeologists efforts to educate them As each new method and technique is developed and each new specialism is created the challenge of making archaeology available as a learning resource grows with it Today for example the issues which surround archaeology and heritage such as the pressures of tourism on sites now form part of many formal educational curricula This book the first to deal with the subject in such depth examines the place of education and outreach within the wider archaeological community Written by one of Britain s leading archaeological educationalists it charts the sometimes difficult and painful growth and development of education and archaeology Packed full of informative and enlightening case studies from the circus at Colchester to Sutton Hoo and Hadrian s Wall this work examines exactly how we have reached the point we are at where that place is and suggests areas for future development By drawing upon many decades of experience at the front line of archaeological education the author has produced a key text that will play a major role in the on going development of the heritage industry Publisher s website *Fodor's See It Rome, 4th Edition* Inc. Fodor's Travel Publications,Fodor's,2010 This guide is notable for its ratings of sights restaurants shops accommodations and attractions It
