Jimmer JD Dobbs is back in town after spending the summer upstate. No one believes his story about visiting his aunt, and it's pretty clear that he has something to hide. It's also pretty clear that his mom made a new friend while he was away, a rescued Rottweiler that JD immediately renames Johnny Rotten, yes, after that guy in the Sex Pistols. Both tough but damaged, JD and Johnny slowly learn to trust each other, but their newfound bond is threatened by a treacherous friend and one snap of Johnny's powerful jaws. As the secrets JD has tried so hard to keep under wraps start to unravel, he suddenly has something much bigger to worry about: saving his dog. **The Case of the Raging Rottweiler** John R. Erickson, Gerald L. Holmes, 2000 A huge Rottweiler the size of King Kong according to Hank threatens the security of Hank the Cowdog's ranch. *The Arcadian Dragon: An Aesopian Novel Book I* Robert Long, 2017-07-28 The fables of Aesop, with their lessons and morals about greed, violence, oppression, and mankind's short sightedness, have throughout time always reminded us of our better selves and the importance of real virtues. This book is unusual as it is a hybrid, a fable novel in short, a book of fables stretched into tales with particular morals. There are three stories that are intertwined, and all of this takes in a post apocalyptic world set in Australia. The book also humorously criticizes the endless superstitions that have held people back, either through the concepts of tradition, false hopes, and faith. And through the actions of the two main characters, Ritz and Triscuit, we can learn various aspects of wisdom. This novel is a chance for children to better understand the importance of compassion and to truly understand the complexity of their own world. *Rottweilers Are the Best!* Elaine Landau, 2010-08-01 Introduces Rottweiler dogs, including the history of the breed, how to care for one as a pet, and their use during times of war.
