Rowing in Eden

Rowing In Eden 1st Edition

Timothy Morris

Rowing In Eden 1st Edition:

Rowing in Eden Martha Nell Smith, 2010-07-05 Emily Dickinson wrote a letter to the world and left it lying in her drawer more than a century ago This widely admired epistle was her poems which were never conventionally published in book form during her lifetime Since the posthumous discovery of her work general readers and literary scholars alike have puzzled over this paradox of wanting to communicate widely and yet apparently refusing to publish In this pathbreaking study Martha Nell Smith unravels the paradox by boldly recasting two of the oldest and still most frequently asked questions about Emily Dickinson Why didn't she publish more poems while she was alive and Who was her most important contemporary audience Regarding the question of publication Smith urges a reconception of the act of publication itself She argues that Dickinson did publish her work in letters and in forty manuscript books that circulated among a cultured network of correspondents most important of whom was her sister in law Susan Huntington Gilbert Dickinson Rather than considering this material unpublished because unprinted Smith views its alternative publication as a conscious strategy on the poet's part a daring poetic experiment that also included Dickinson's unusual punctuation line breaks stanza divisions calligraphic orthography and bookmaking all the characteristics that later editors tried to standardize or eliminate in preparing the poems for printing Dickinson's relationship with her most important reader Sue Dickinson has also been lost or distorted by multiple levels of censorship Smith finds Emphasizing the poet sustaining aspects of the passionate bonds between the two women Smith shows that their relationship was both textual and sexual Based on study of the actual holograph poems Smith reveals the extent of Sue Dickinson's collaboration in the production of poems most notably *Safe in Their Alabaster Chambers* This finding will surely challenge the popular conception of the isolated withdrawn Emily Dickinson Well versed in poststructuralist feminist and new textual criticism *Rowing in Eden* uncovers the process by which the conventional portrait of Emily Dickinson was drawn and offers readers a chance to go back to original letters and poems and look at the poet and her work through new eyes It will be of great interest to a wide audience in literary and feminist studies *Correspondence and American Literature, 1770-1865* Elizabeth Hewitt, 2004-11-25 Elizabeth Hewitt uncovers the centrality of letter writing to antebellum American literature She argues that many canonical American authors turned to the epistolary form as an idealised genre through which to consider the challenges of American democracy before the Civil War The letter was the vital technology of social intercourse in the nineteenth century and was adopted as an exemplary genre in which authors from Crèvecoeur and Adams through Jefferson to Emerson Melville Dickinson and Whitman could theorise the social and political themes that were so crucial to their respective literary projects They interrogated the political possibilities of social intercourse through the practice and analysis of correspondence Hewitt argues that although correspondence is generally only conceived as a biographical archive it must instead be understood as a significant genre through which these early authors made sense of social and political relations in the nation *American Book Publishing Record*, 2000-07 **The**

Whitman Revolution Betsy Erkkila, 2020-12-15 The Whitman Revolution brings together a rich collection of Betsy Erkkila's phenomenally influential essays that have been published over the years along with two powerful new essays Erkkila offers a moving account of the inseparable mix of the spiritual sexual political in Whitman and the absolute centrality of male male connection to his work and thinking Her work has been at the forefront of scholarship positing that Whitman's songs are songs not only of workers and occupations but of sex and the body homoeroticism and liberation What is more Erkkila's writing demonstrates that this sexuality and communal impulse is central to Whitman's revolutionary poetry and his conception of democracy itself an insight that was all but suppressed during the mid twentieth century emergence of American literature as a field of study Highlights of this collection include Erkkila's essays on pairings such as Marx and Whitman Dickinson and Whitman and Melville and Whitman Across the volume she demonstrates an international vision that highlights the place of *Leaves of Grass* within a global struggle for democracy The Whitman Revolution is evidence of Erkkila's remarkable ability to lead critical discussions and marks an exciting event in Whitman studies Poetry and the Public Sphere Maria Elena Caballero-Robb, 2003 *A Companion to Emily Dickinson* Martha Nell Smith, Mary Loeffelholz, 2013-12-12 This companion to America's greatest woman poet showcases the diversity and excellence that characterize the thriving field of Dickinson studies Covers biographical approaches of Dickinson the historical political and cultural contexts of her work and its critical reception over the years Considers issues relating to the different formats in which Dickinson's lyrics have been published manuscript print halftone and digital facsimile Provides incisive interventions into current critical discussions as well as opening up fresh areas of critical inquiry Features new work being done in the critique of nineteenth century American poetry generally as well as new work being done in Dickinson studies Designed to be used alongside the Dickinson Electronic Archives an online resource developed over the past ten years *Becoming Canonical in American Poetry* Timothy Morris, 1995 **Text** W. S. Hill, Edward M. Burns, 2002-05 The newest volume in the distinguished annual **CliffsNotes on Emily Dickinson's Poems** Mordecai Marcus, 1982-05-03 Enormously popular since the early piecemeal publication of her poems Emily Dickinson has enjoyed an everincreasing critical reputation and she is now widely regarded as one of America's best poets These Notes focus on clarification of some eighty five of her poems chosen and emphasized largely according to the frequency of their appearance in eight standard anthologies where the average number of her poems is fifty These poems also seem to offer an excellent representation of her themes and power In a final section to these Notes additional poems are commented on briefly *Dickinson Studies*, 1988 The Publishers Weekly, 1926 **The Publishers' Circular and Booksellers' Record**, 1924 **White Heat** Brenda Wineapple, 2009-12-01 White Heat is the first book to portray the remarkable relationship between America's most beloved poet and the fiery abolitionist who first brought her work to the public As the Civil War raged an unlikely friendship was born between the reclusive poet Emily Dickinson and Thomas Wentworth Higginson a literary figure who ran guns to Kansas and

commanded the first Union regiment of black soldiers When Dickinson sent Higginson four of her poems he realized he had encountered a wholly original genius their intense correspondence continued for the next quarter century In *White Heat* Brenda Wineapple tells an extraordinary story about poetry politics and love one that sheds new light on her subjects and on the roiling America they shared **British Books** ,1900 *The Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1900 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1900 **Over Canadian Trails** Frederick Philip Grove,2007 *Studies in the Literary Imagination* ,1999 **International Who's Who of Authors and Writers 2004** Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The *International Who's Who of Authors and Writers* offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters *The Century Dictionary and Cyclopedia: The Century dictionary, ed. by W.D. Whitney* ,1904
