Rowlandson A New Interpretation:

Rowlandson Ronald Paulson,1972 Rowlandson's Human Comedy Stephen Wade,2011-04-15 A biography of one of the most famous names in Regency satirical art **A Revolution Almost Beyond Expression** Jocelyn Harris,2007-07 Origins for Persuasion The reviser at work MS chapter 10 to chapters X XI 1818 At the White Hart MS chapter 11 to chapter XII 1818 The history of Buonaparte Domestic virtues and national importance A critique on Walter Scott Prejudice on the side of ancestry The worth of Lyme The white glare of Bath Conclusion Meaning to have spring again **City of Laughter** Vic Gatrell,2007-01-01 Drawing upon the satirical prints of the eighteenth century the author explores what made Londoners laugh and offers insight into the origins of modern attitudes toward sex celebrity and ridicule **The Business of Satirical Prints in Late-Georgian England** James Baker,2017-04-06 This book explores English single sheet satirical prints published from 1780 1820 the people who made those prints and the businesses that sold them It examines how these objects were made how they were sold and how both the complexity of the production process and the necessity to sell shaped and constrained the satiric content these objects contained It argues that production sale and environment are crucial to understanding late Georgian satirical prints A majority of these prints were after all published in London and were therefore woven into the commercial culture of the Great Wen Because of this city and its culture the activities of the many individuals involved in transforming a single satirical design into a saleable and commercially viable object were underpinned by a nexus of making selling and consumption Neglecting any one part of this nexus does a disservice both to the late Georgian satirical print these most beloved objects of British art and to the story of their late Georgian apotheosis a story that James Baker develops not through the designs these objects contained but rather through those objects and the designs they contained in the making **Paul Mellon's Legacy** John Baskett,Jules David Prown,Duncan Robinson,Brian Allen,William S. Reese,William J. Reese,Yale Center for British Art,Royal Academy of Arts (Great Britain),2007-01-01 Paul Mellon 1907 1999 was an unparalleled collector of British art His collection now at Yale in the museum and study center he founded to house it rivals those in Britain s national museums and is unquestionably the most comprehensive representation of British art held outside of the United Kingdom This book and the exhibition that it accompanies celebrate the centenary of his birth Five introductory essays examine Mellon s extraordinary collecting activity as well as his role in creating both the Yale Center for British Art and the Paul Mellon Centre for Studies in British Art in London as gifts to his alma mater Yale 1929 A lavishly illustrated catalogue section showcases 148 of the most exquisite and important paintings watercolors drawings prints sculpture rare books and manuscript material in the Yale Center s collection including major works by Thomas Gainsborough Joshua Reynolds George Stubbs John Constable and J M W Turner **Encounter** Stephen Spender,Irving Kristol,1973 **Reginald Marsh's New York** Marilyn Cohen,1983-01-01 Marsh New York illustrations including 4 in full color on covers Coney Island 14th St subways crowds more Atlantic Families Sarah

Pearsall,2008-11-27 The Atlantic represented a world of opportunity in the eighteenth century but it represented division also separating families across its coasts Whether due to economic shifts changing political landscapes imperial ambitions or even simply personal tragedy many families found themselves fractured and disoriented by the growth and later fissure of a larger Atlantic world Such dislocation posed considerable challenges to all individuals who viewed orderly family relations as both a general and a personal ideal The more fortunate individuals who thus found themselves all at sea were able to use family letters with attendant emphases on familiarity sensibility and credit in order to remain connected in times and places of considerable disconnection Portraying the family as a unified affectionate and happy entity in such letters provided a means of surmounting concerns about societies fractured by physical distance global wars and increasing social stratification It could also provide social and economic leverage to individual men and women in certain circumstances Sarah Pearsall explores the lives and letters of these families revealing the sometimes shocking stories of those divided by sea Ranging across the Anglophone Atlantic including mainland American colonies and states Britain and the British Caribbean Pearsall argues that it was this expanding Atlantic world much more than the American Revolution that reshaped contemporary ideals about families as much as families themselves reshaped the transatlantic world **The Foxite Whigs and Visual Culture, 1780-1810**

Callum D. Smith,2025-08-22 This book offers a comprehensive exploration of the intricate relationship between radicalism and sociability in late Georgian parliamentary and extra parliamentary politics focusing on the Foxite Whig faction Re evaluating the significance and tactical use of sociability and radicalism in late eighteenth and early nineteenth century British politics the book charts not only the rise and fall of a leading and neglected British political faction but through its interdisciplinary and thematic focus it seeks to intervene in the field and situate sociability as a key driver and facilitator of late Georgian politics By utilising original research into contemporary newspapers letters diaries legal records parliamentary accounts and especially political caricature the author offers a new methodological approach in the study of sociability and radicalism and presents original categorisations of contemporary sociability The book examines how sociability was strategically employed by the Foxite Whigs and argues for the existence of two primary forms of sociability insular and porous Insular sociability manifested itself through dining drinking to excess or gambling in a private setting with members of the same aristocratic or political order Porous sociability however was the extra parliamentary mechanism by which Fox and his faction tactically opened their insular Whig World to forge connections with the lower orders French revolutionary leaders popular radicals and Irish rebels The author provides a detailed analysis of Foxite sociability within the context of distinct radical themes including plebeian radicalism French Revolutionary radicalism and Irish radicalism Beyond its innovative methodological approach to sociability studies the book foregrounds visual culture as a lens through which to study and enter the wordless experience of the eighteenth century and to view the themes of sociability and radicalism from within In doing so the it reveals the inconsequential or informal dynamics of the Foxites political and extra parliamentary

career from their origin in c 1780 to their decline in the early nineteenth century **Encyclopedia of Romanticism (Routledge Revivals)** Laura Dabundo, 2009-10-15 First Published in 1992 this encyclopedia is designed to survey the social cultural and intellectual climate of English Romanticism from approximately the 1780s and the French Revolution to the 1830s and the Reform Bill Focussing on the spirit of the age the book deals with the aesthetic scientific socioeconomic indeed the human environment in which the Romantics flourished The books considers poets playwrights and novelists critics editors and booksellers painters patrons and architects as well as ideas trends fads and conventions the familiar and the newly discovered The book will be of use for everyone from undergraduate English students through to thesis driven graduate students to teaching faculty and scholars *Britain in the Hanoverian Age, 1714-1837* Gerald Newman, Leslie Ellen Brown, 1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families *War, Nationalism, and the British Sailor, 1750-1850* I. Land, 2009-08-31 This is the first book to systematically integrate Jack Tar the common seaman into the cultural history of modern Britain treating him not as an occasional visitor from the ocean but as an important part of national life

Representation, Heterodoxy, and Aesthetics Ashley Marshall, 2014-12-23 The chapters constituting this book are different in subject and method striking testimony to the range of Paulson s interests and the versatility of his critical powers In his prolific career he has produced extensive analysis of art poetry fiction and aesthetics produced in England between 1650 and 1830 Paulson s unique contribution has to do with his understanding of seeing and reading as closely related enterprises and popular forms in art and literature as intimately connected connections illustrated by literary critics and art historians here Every essay shares some of the concerns and methods that characterize Paulson s wonderfully idiosyncratic thought except for the final essay an attempt systematically to analyze Paulson s critical principles and methods Recurrent themes are a concern with satire in the eighteenth century a connection between verbal and visual reading an insistence on the importance of individual artistic choices to the history of culture an attention to the aims and motives of individual makers of art and a sensitivity to the crucial links between high and low art This volume offers rich explorations of a range of subjects Swift s relationship to Congreve Zoffany s condemnation of Gillray and Hogarth and broader implications for the role of art in public discourse the presentation of mourning in the work of the Welsh artist and writer Edward Pugh G M Woodward s

Coffee House Characters representing a turn from satire on morals towards satire on manners Adam Smith's evolving aesthetic program Samuel Richardson's notions of social reading The discussions represent a variety of exemplifications of the Paulsonesque showing a concern with satiric representation in mixed media with different forms of heterodoxy and iconoclasm and with the values of producers of popular and polite culture in this period

The Oxford Handbook of Lord Byron, 2024-10-04 The Oxford Handbook of Lord Byron offers the latest in critical thinking about the poet that defined the Romantic era across Europe and beyond The volume presents forty four groundbreaking essays that enable readers to assess Lord Byron's central position in Romantic traditions and his profound and far reaching influence on British European and world culture The chapters are organized into five sections Works Biographical Contexts Literary and Cultural Contexts Afterlives and Reading Byron Now that guide readers through the most important issues and frameworks for interpreting Byron Works presents original readings of Byron's key works and many of his lesser known ones giving space to extensive studies of his great epic Don Juan and the poem that brought him fame Childe Harold's Pilgrimage Biographical Contexts invites readers to consider Byron's life through key themes and patterns Literary and Cultural Contexts sets out the most important intellectual traditions from which Byron's work emerged and in which it developed Afterlives shows readers the extent of Byron's influence on literature art music and politics in Europe and beyond Reading Byron Now advances the critical agendas that are shaping Byron Studies today The Handbook tackles key themes associated with Byron including the Byronic Hero cosmopolitanism liberalism sexuality mobility scepticism the Gothic celebrity culture and much more For new readers of Byron the volume provides an excellent grounding in his life and work and for specialists it opens up exciting new approaches to an icon of Romantic literature

A Companion to Satire Ruben Quintero, 2008-04-15 This collection of twenty nine original essays surveys satire from its emergence in Western literature to the present Tracks satire from its first appearances in the prophetic books of the Old Testament through the Renaissance and the English tradition in satire to Michael Moore's satirical movie Fahrenheit 9 11 Highlights the important influence of the Bible in the literary and cultural development of Western satire Focused mainly on major classical and European influences on and works of English satire but also explores the complex and fertile cultural cross semination within the tradition of literary satire

Studies in the Eighteenth Century III R.F. Brissenden, J.C. Eade, 1976-12-15 This volume of essays from the Third David Nichol Smith Memorial Seminar continues the valuable and lively tradition established in the two earlier seminars and volumes The essays by distinguished international scholars range over many of the topics that make the eighteenth century a rich area of study the burgeoning of ideas about man and his place in the world social history philosophy and literature literary criticism and traditions the poetry and prose of the giants of the age For all students of eighteenth century studies this book will be vital reading

Drawings by Thomas Rowlandson in the Huntington Collection Thomas Rowlandson, Robert R. Wark, Henry E. Huntington Library and Art Gallery, 1975 The Huntington collection of drawings by Thomas Rowlandson is generally

regarded as the largest and most comprehensive at present in a public museum The collection offers an unrivaled opportunity for the study of this prolific artist s range of interests and the development of his technique As a line draftsman and humorist Thomas Rowlandson was probably the finest England has ever produced Certainly he had a wider command of comic devices and comes closer to exploiting their full potentialities than any other British artist He is also wonderfully inventive in discovering and expressing the comic aspects of a great variety of everyday situations His reputation as a humorist though should not obscure his achievement in other fields he is a charming landscapist and genre artist and a skillful portraitist All these facets of Rowlandson s work are well represented in this volume which reproduces and catalogues all of the Huntington drawings including those from A Tour in a Post Chaise and The English Dance of Death both previously published by the Huntington In his introductory essay Robert Wark discusses Rowlandson s art and illustrates the various aspects of his work by relating them to selected drawings that are reproduced in full color The book will be of immense value to the student of art history and the layman will be delighted by the vigor and sheer virtuosity of Rowlandson s work

Who's who in Late Hanoverian Britain, 1789-1837 G. R. R. Treasure, 2002 Profiles historically significant men and women who lived in Britain between 1789 and 1837 **The Print Collector's Newsletter** , 1973-03
