Readers will discover that it is not possible to disengage John Howard Yoder s practice of ecumenical dialogue from his vision of the church Yoder s approach to ecumenical dialogue correlates with his conception of the faithfulness of the church His vision of the church poses challenges for Christians of all communions because he calls both for disciplined dialogue and for faithful servanthood that renders the confession of Jesus Christ s lordship meaningful This collection of 17 essays on themes

ecclesiological and ecumenical is intended to demonstrate the substantial unity of Yoder's work over the past four decades. Many of these essays are often cited by researchers but have been till now unobtainable. Three of these texts have never been published before. Editor Michael Cartwright has contributed a substantial introduction on the Yoderian project and a select bibliography prepared by Mark Nation catalogs Yoder's writings published and unpublished on ecclesiology and ecumenism.

Shormishtha Panja, Babli Moitra Saraf, 2024-07-20 This book is envisaged as an intervention in the ongoing explorations in social and cultural history into questions of what constitutes Indianness for the colonial and the postcolonial subject and the role that Shakespeare plays in this identity formation. *Performing Shakespeare in India* presents studies of Indian Shakespeare adaptations on stage, on screen, on OTT platforms, in translation, in visual culture and in digital humanities and examines the ways in which these construct Indianness. Shakespeare in India has had multiple local interpretations in different media and equally wide ranging responses: be it the celebration of Shakespeare as a bishwokobi world poet in 19th century Bengal, be it in the elusive adaptation of Shakespeare in Meitei and Tangkhul tribal art forms in Manipur, or be it in the clamour of a boisterous Bollywood musical. In the response of diasporic theatre professionals or in Telugu and Kannada translations, whether resisted or accepted with open arms, Shakespeare in India has had multiple local interpretations in different media. All the essays are connected by the common thread of extraordinary negotiations of postcolonial identity formation in language, in politics, in social and cultural practices or in art forms.
