**A Concise Cyclopaedia of Freemasonry** Edward L. Hawkins, 1922      *Transactions - The Jewish Historical Society of England* Jewish Historical Society of England, 1918      **Proceedings of the Grand Lodge of Iowa ...** Freemasons. Iowa. Grand Lodge, 1883      Perfectibilists Terry Melanson, 2011-12-01 Presenting an advanced and authoritative perspective this definitive study chronicles the rise and fall of the Order of the Illuminati a mysterious Enlightenment era guild surrounded by myth Describing this enigmatic community in meticulous detail more than 1 000 endnotes are included citing scholars professors and academics Contemporary accounts and the original documents of the Illuminati themselves are covered as well Copiously illustrated and featuring biographies of more than 400 confirmed members this survey brings to light a 200 year old mystery      Keats, Hermeticism, and the Secret Societies Jennifer N. Wunder, 2016-04-22 Jennifer Wunder makes a strong case for the importance of hermeticism and the secret societies to an understanding of John Keats s poetry and his speculations about religious and philosophical questions Although secret societies exercised enormous cultural influence during the late eighteenth and early nineteenth centuries they have received little attention from Romantic scholars And yet information about the societies permeated all aspects of Romantic culture Groups such as the Rosicrucians and the Freemasons fascinated the reading public and the market was flooded with articles pamphlets and books that discussed the societies s goals and hermetic philosophies debated their influence and drew on their mythologies for literary inspiration Wunder recovers the common knowledge about the societies and offers readers a first look at the role they played in the writings of Romantic authors in general and Keats in particular She argues that Keats was aware of the information available about the secret societies and employed hermetic terminology and imagery associated with these groups throughout his career As she traces the influence of these secret societies on Keats s poetry and letters she offers readers a new perspective not only on Keats s writings but also on scholarship treating his religious and philosophical beliefs While scholars have tended either to consider Keats s aesthetic and religious speculations on their own terms or to adopt a more historical approach that rejects an emphasis on the spiritual for a materialist interpretation Wunder offers us a middle way Restoring Keats to a milieu characterized by simultaneously worldly and mythological propensities she helps to explain if not fully reconcile the insights of both camps      Documents, Including Messages and Other Communications Ohio, 1878      **Annual Reports for ..., Made to the ... General Assembly of the State of Ohio ..** Ohio, 1878      **Catalogue of the Ohio State Library** Ohio State Library, 1882      **Finding List of the Library** Somerville (Mass.). Public Library, 1895      Western Esotericism and Rituals of Initiation Henrik Bogdan, 2012-02-01 For more than three hundred years the practice of Masonic rituals of initiation has been part of Western culture spreading far beyond the boundaries of traditional Freemasonry Henrik Bogdan explores the historical development of these rituals and their relationship with Western esotericism Beginning with the Craft degrees of Freemasonry the blueprints as it were of all later Masonic rituals of initiation Bogdan examines the

development of the Masonic High Degrees the Hermetic Order of the Golden Dawn the most influential of all nineteenth century occultist initiatory societies and Gerald Gardner s Witchcraft movement of the 1950s one of the first large scale Western esoteric New Religions Movements      **Catalogue of the California State Library** California State Library,1889
