Royal Summons Elizabeth Cadell, 1973-01-01 *Royal and Other Historical Letters Illustrative of the Reign of Henry III. ... Vol. II. 1236-1272* Walter Waddington Shirley, 1866 **A Royal Match** Tyne O'Connell, 2012-06-11 Can a normal American girl really catch a prince When LA born Calypso Kelly arrives at the exclusive all girls British boarding school St Augustine s she s determined to become popular But when a photo of Calypso kissing England s heir to the throne Prince Freddie ends up in the tabloids it will take quick thinking to save her reputation and her relationship with the prince After the tabloid disaster Calypso hopes her next term at St Augustine s will be better But nothing could be further from the truth Her archenemy and culprit of the tabloid disaster Honey O Hare is her new dorm mate and her invite to the Annual Euro Royal Bash is nonexistent Will a flirtation with a hot new sports star from the boys school ruin her chances with Prince Freddie Calypso has some work to do if she wants to go from pumpkin to princess in time for the ball *The Royal Princesses of England* Mrs. Matthew Hall, 1871 *Royal Progresses to Leicester. A Paper ... Reprinted from "The Leicestershire Mercury."* William KELLY (of Leicester.), 1858 **Philip the Fair and the Ecclesiastical Assemblies of 1294-1295** Jeffrey Howard Denton, 1991 This vol provides a new analysis of the sources concerning the clash between Philip the Fair and Boniface VIII Indeed any attempt to study the constitutional and political position of the French clergy during the critical years at the turn of the 13th century must include an assessment of the ecclesiastical assemblies at which many clerical decisions were taken and through which the clerical voice was being heard Although much progress has been made in the sorting and listing of materials relating to French diocesan synods prior to this publication there had been no comparable sifting of the sources for the provincial councils **The Royal Jubilees of England** William Ellis, 1886 *New Hampshire as a Royal Province* William Henry Fry, 1908 **Transactions of the Royal Historical Society**, 1909 Transactions and publications of the Royal Historical Society in each vol ser 4 v 18 26 *Royal Justice and the Making of the Tudor Commonwealth, 1485-1547* Laura Flannigan, 2023-11-16 The dawn of the Tudor regime is one of most recognisable periods of English history Yet the focus on its monarchs private lives and ministers constitutional reforms creates the impression that this age s major developments were isolated to halls of power far removed from the wider populace This book presents a more holistic vision of politics and society in late medieval and early modern England Delving into the rich but little studied archive of the royal Court of Requests it reconstructs collaborations between sovereigns and subjects on the formulation of an important governmental ideal justice Examining the institutional and social dimensions of this point of contact this study places ordinary people their knowledge and demands at the heart of a judicial revolution unfolding within the governments of Henry VII and Henry VIII Yet it also demonstrates that directing extraordinary royal justice into ordinary procedures created as many problems as it solved **Itinerant Kingship and Royal Monasteries in Early Medieval Germany, C.936-1075** John W. Bernhardt, 2002-08-22 In examining the relationship between the royal monasteries in tenth

and eleventh century Germany and the German monarchs this book assimilates a great deal of European scholarship on a central problem that of the realities and structures of power It focuses on the practical aspects of governing without a capital and while constantly in motion and on the payments and services which monasteries provided to the king and which in turn supported the king's travel economically and politically Royal monastic relations are investigated in the context of the itinerant kingship of the period to determine how this relationship functioned in practice It emerges that German rulers did in fact make much greater use of their royal monasteries than has hitherto been recognised *Report of the Royal*

Commission on Historical Manuscripts Great Britain. Royal Commission on Historical Manuscripts, 1893 **Royal Edinburgh: Her Saints, Kings, Prophets and Poets** Mrs. Oliphant, 2019-12-18 In *Royal Edinburgh Her Saints Kings Prophets and Poets* Mrs Oliphant embarks on a literary journey through the storied past of Edinburgh intertwining its rich historical narrative with vibrant portraits of its prominent figures Written in a style that harmonizes personal reflection with rigorous historical analysis this work resonates with the Romantic era's fascination for heritage and individualism Oliphant explores the impact of saints kings and poets elucidating their profound influences on the city's cultural tapestry while employing a lyrical narrative that captures the spirit of 19th century Scotland's intellectual revival Mrs Oliphant an accomplished novelist and biographer draws upon her extensive experience living in Edinburgh to infuse her work with authenticity and depth Her background reflects her commitment to chronicling the histories of unsung heroes and overlooked narratives her literary endeavors often spotlight women's voices and local history merging them with broader cultural themes Oliphant's keen observations and passionate prose reveal her profound appreciation for Edinburgh's complex legacy as well as her desire to preserve its stories for future generations This book is highly recommended for readers interested in the intersection of history literature and place Whether you are an aficionado of Scottish heritage or a newcomer to the illustrious tales of Edinburgh Oliphant's engaging writing will enrich your understanding of this iconic city *Royal Edinburgh* serves as an invitation to explore the legacies of Scotland's luminaries making it a must read for both historians and literary devotees *Transactions of the Royal Historical Society: Volume 5* Royal Historical
