**British Subjects** Nigel Rapport, 2020-05-25 The anthropology of Britain is hotly debated What does it mean to live in Britain and to be British and is an anthropology of Britain even a legitimate

undertaking *British Subjects* presents a forthright voice in this debate. Key anthropological concerns such as community, rationality, aesthetics, the body, power, work and leisure, nationalism and transnationalism are found reflected in the lives of a wide range of British subjects from farmers to dancers, children to retired miners, new agers to entrepreneurs. In disputing traditional claims that anthropology at home and of one's own is misconceived, unnecessary or unperceptive, this book clearly establishes that an anthropology of Britain can set excellent standards of subtle ethnography and complex analysis. Providing a nuanced appreciation of the intricacies of British society, this book shows how the anthropological study of Britain can offer an enlightening paradigm for the study of individual lives.

*Toward a Sound Ecology* Jeff Todd Titon, 2020-08-25. How does sound ecology, an acoustic connective tissue among communities, also become a basis for a healthy economy and a just community? Jeff Todd Titon's lived experiences shed light on the power of song, the ecology of musical cultures and even cultural sustainability and resilience. In *Toward a Sound Ecology*, Titon's collected essays address his growing concerns with people making music, holistic ecological approaches to music and sacred transformations of sound. Titon also demonstrates how to conduct socially responsible fieldwork and compose engaging and accessible ethnography that speaks to a diverse readership. *Toward a Sound Ecology* is an anthology of Titon's key writings which are situated chronologically within three particular areas of interest: fieldwork, cultural and musical sustainability and sound ecology. According to Titon, a foundational figure in folklore and ethnomusicology, a re-orientation away from a world of texts and objects and toward a world of sound connections will reveal the basis of a universal kinship.

*Constant Lambert* Stephen Lloyd, 2014. To the economist and ballet enthusiast John Maynard Keynes, he was potentially the most brilliant man he'd ever met; to Dame Ninette de Valois, he was the greatest ballet conductor and advisor this country has ever had; to the composer Denis Appleyby, he was the greatest, most lovable and most entertaining personality of the musical world; whilst to the dance critic Clement Crisp, he was quite simply a musician of genius. Yet sixty years after his death, Constant Lambert is little known today. As a composer, he is remembered for his jazz-inspired *The Rio Grande*, but little more; and for a man who devoted the greater part of his life to the establishment of English ballet, his work is largely unrecognized today. This book looks not only at his music but at his journalism, his talks for the BBC, his championing of jazz in particular, Duke Ellington and more privately, his longstanding affair with Margot Fonteyn. Book jacket.

*'Wastwater' and 'T5'* Simon Stephens, 2011-03-31. You make one decision. It stays with you. It's like the consequences of it get into your bones. Set on the edges of Heathrow airport, *Wastwater* is an elliptical triptych, a snapshot of three different couples who make a choice that will define the fallout of their future. Harry is on the point of leaving England and Frieda knows she will never see him again. Lisa and Mark are on the point of a sexual betrayal that takes them into a place darker than they ever thought possible. Sian has a terrifying deal for Jonathan and she isn't going to take no for an answer. A reflective piece by a playwright at the height of his powers and career, *Wastwater* mimics the flexible and innovative form of Stephens's hit play *Pornography* with three overlapping but detachable parts which can be

split and played in differing orders The play contains Stephens s trademark combination of sensitive character depiction and tough confrontation with political choices Wastwater is a meditative morality tale and a portrayal of modern day relationships formed and deformed by fatal decisions inevitable consequences and fragile connections This volume also contains the monologue T5 which portrays a road trip below the heart of London and follows a darkly magical flight out of the edges of the 21st century
