Packard,2011-09-08 The Film Novelist is the first primer on writing film novels whether you are a beginning novelist a seasoned writer wanting to cross over into script novel writing or a creative writing teacher looking for proven ways to launch new writers So what is the difference between a screenplay and a film novel Screenplays indicate solely what the audience is to see or hear on screen Film novels are short and take about as long to read as a feature film takes to watch The description dialogue and narration of a film novel can simply be lifted out and used as the description dialogue and voice over narration for a script The author has devised a fifteen week program starting from a one sentence pitch to the novel itself which includes filming a scene from your script novel He grounds the discussion of early film novels like The Maltese Falcon Of Mice and Men and The Misfits to provide historical and theoretical background while detailing the practical sequential approach for completing a short novel and script **Radical Innocence** Bernard F. Dick,2021-08-24 On October 30 1947 the House Committee on Un American Activities concluded the first round of hearings on the alleged Communist infiltration of the motion picture industry Hollywood was ordered to clean its own house and ten witnesses who had refused

to answer questions about their membership in the Screen Writers Guild and the Communist party eventually received contempt citations By 1950 the Hollywood Ten as they quickly became known which included writers directors and a producer were serving prison sentences ranging from six months to one year Since that time the members of the Hollywood Ten have been either dismissed as industry hacks or eulogized as Cold War martyrs but never have they been discussed in terms of their professions Radical Innocence A Critical Study of the Hollywood Ten is the first study to focus on the work of the Ten their short stories plays novels criticisms poems memoirs and of course their films Drawing on myriad sources including archival materials unpublished manuscripts black market scripts screenplay drafts letters and personal interviews Bernard F Dick describes the Ten s survival tactics during the blacklisting and analyzes the contributions of these ten individuals not only to film but also to the arts Radical Innocence captures the personality of each of the Ten including the arrogant Herbert J Biberman the witty Ring Lardner Jr the patriarchal Samuel Ornitz the compassionate Adrian Scott and the feisty Dalton Trumbo

Dirty Dealing Jeffrey Allan Grosso,2022-06-14 When a young screenwriter goes online to check out the promotional website for a new poker movie called Rounders he s shocked to discover how similar it is to a screenplay he wrote a few years earlier and submitted to a number of studios When he later sees the Miramax produced film in theaters he is astonished by the number of overlapping elements the protagonist playing Texas Hold em to pay his way through college while deceiving the girlfriend who believes he s quit the loss of everything he has in a single hand of high stakes Hold em a character named Worm and many other commonalities that form the foundation of what will become his lawsuit against Miramax He leaves the theater that day feeling that not only has the

studio stolen his script but his life which had encompassed years of professional poker playing that informed the screenplay he hoped would open the door to a writing career in Hollywood Against all odds he proceeds to take on Miramax and the Hollywood system with the help of an ingenious lawyer Jeffrey Grosso simply has to prove how it could have happened and convince a judicial system that often favors studios over writers that he is a victim of intellectual property theft which results in a ten year landmark legal battle against Hollywood's most notorious studio Part comic legal thriller part nail biting poker memoir Dirty Dealing Grosso v Miramax Waging War Against Harvey Weinstein and the Screenplay that Changed Hollywood is the entertaining look at one man's fight to get the credit he believes he deserves Does he have a case or are the similarities just an illusion the mind plays on a creator Perhaps there are only five stories in Hollywood as his lawyer points out and no idea is truly original You be the judge
