Lee, 2024-09-05 An in depth exploration of the stardom and authorship of Stephen Chow Sing chi

one of Hong Kong cinema's most enduringly popular stars and among its most commercially successful directors. In the West, Stephen Chow is renowned as the ground-breaking director and star of global blockbusters such as *Kung Fu Hustle* (2004) and *Shaolin Soccer* (2001). Among Hong Kong audiences, Chow is celebrated as the leading purveyor of local comedy, popularising the so-called 'mo lei tau' gibberish brand of Cantonese vernacular humour and cultivating a style of madcap comedy that often masks a trenchant social commentary. This volume approaches Chow from a diverse range of critical perspectives. Each of the essays written by a host of renowned international scholars offers compelling new interpretations of familiar hits such as *From Beijing with Love* (1994) and *Journey to the West* (2013). The detailed case studies of seminal local and global movies provide overdue critical attention to Chow's filmmaking, highlighting the aesthetic power, economic significance and cultural impact of his films in both domestic and global markets.

**Jin Yong's Martial Arts Fiction and the Kungfu Industrial Complex** Paul B. Foster, 2023-02-13

*Jin Yong's Martial Arts Fiction and the Kungfu Industrial Complex* is an analysis of the role of Jin Yong's stories and characters in the construction of the kungfu industrial complex, a complicated multi-dimensional cultural business matrix related to the production and consumption of martial arts fiction film and legacy. The author first explicates the kungfu cultural literacy that makes Jin Yong's characters and stories intelligible and compelling to a wide audience and then argues that academic resistance to integrating his pop fiction into the canon of Chinese literature is overcome via the national character discourse. The author subsequently explores the role of actors, directors, and crews as they repeatedly adapted the novels for film and television and provided afterlives for Jin Yong's characters, stories, and tropes, both kicking off actors' careers and driving the globalization of kungfu action. Archetypal

characters multidimensional production and consumption of cultural capital and star power meet in a final analysis of the Kung Fu Hustle Hustle which balances critical reality and a hopeful vision for China's future
