*The Tsar's Happy Occasion* Russell E. Martin, 2021-05-15 The Tsar's Happy Occasion shows how the vast ornate affairs that were royal weddings in early modern Russia were choreographed to broadcast powerful images of monarchy and dynasty Processions and speeches emphasized dynastic continuity and legitimacy Fertility rites blended Christian and pre-Christian symbols to assure the birth of heirs Gift exchanges created and affirmed social solidarity among the elite The bride performed rituals that integrated herself and her family into the inner circle of the court Using an array of archival sources Russell E. Martin demonstrates how royal weddings reflected and shaped court politics during a time of dramatic cultural and dynastic change As Martin shows the rites of passage in these ceremonies were dazzling displays of monarchical power unlike any other ritual at the Muscovite court And as dynasties came and went and the political culture evolved so too did wedding rituals Martin relates how Peter the Great

first mocked then remade wedding rituals to symbolize and empower his efforts to westernize Russia After Peter the two branches of the Romanov dynasty used weddings to solidify their claims to the throne The Tsar s Happy Occasion offers a sweeping yet penetrating cultural history of the power of rituals and the rituals of power in early modern Russia **2020 Standard Catalog of World Coins 1901-2000** Thomas Michael, Tracy L Schmidt, 2019-07-09 Impressive in size scope and detail unparalleled in the market the 2020 Standard Catalog of World Coins 1901 2000 provides the most compelling and complete catalog to 20th Century coins in the world You ve come to rely on this mammoth reference for the most up to date pricing and coin detail as well as the most complete and insightful review of available and collectable world coins A worldwide network of 120 experts continues to uncover collector coin issues never before published For the collector or researcher attempting to identify world coins this is the perfect single source Inside this one of a kind catalog you ll find One million accurate coin prices empowering you to make informed buying or selling decisions MS65 and PR65 values for much of the catalog Detailed coin information unmatched in the hobby making identification a snap 60 000 images making the catalog the most visual reference on the market Globally accepted KM reference numbers key to identification What s more coins struck in gold platinum and silver are detailed with Total coin weight Fineness Actual precious metal weight
