communities across the region and beyond Nor do the contributors idealize these communities Far from being places of cooperation and harmony southern communities were often rife with competition and discord Indeed conflict has constituted a vital part of southern communal development Taken together the essays in this volume remind us how community focused studies can bring us closer to answering those questions posed to Quentin Compson in Absalom Absalom Tell us about the South What s it like there What do they do there Why do they live there Why do they live at all **Paperbound Books in Print** ,1991 *Essays on Marx's Theory of Value* Isaak Il'ich Rubin,1973 Political economy defined in the study of social relations and culture Originally published in the former Soviet Union was suppressed and after 1928 it was never re issued This is the first English language edition Includes an outstanding introductory essay on Commodity Fetishism by Freddy Perlman **Off the Books** J.
