Russian Foreign Policy

David MacLaren McDonald

Russian Foreign Policy:

Russian Foreign Policy Olga Oliker, 2009 As Russia's economy has grown so have the country's global involvement and influence which often take forms that the United States neither expects nor likes The authors assess Russia's strategic interests and goals examining the country's domestic policies economic development security goals and worldview They assess implications for U.S. interests and present ways that Washington could work to improve its relations with Moscow

Imperial Russian Foreign Policy Hugh Ragsdale, V. N. Ponomarev, 1993-10-29 Imperial Russian Foreign Policy aims to demythologise a field hitherto dominated by suspicions of diabolical cunning inscrutable motives and international plots using unseen forces of the gigantic fear inspiring empire of the tsar The contributors leading historians from both Russia and the West examine Imperial foreign policy from its origins to the October Revolution revealing a policy that as in other countries had a complex of motives commerce nationalism the interests of various social groups but an unusual origin coming almost exclusively from the entourage of the tsar The work is based largely on original research in Soviet archives which only became possible after Soviet glasnost

Russian Foreign Policy Jeffrey Mankoff, 2011-10-16 Now thoroughly updated this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War This edition also places developments of the past two decades into the broader sweep of Russian history Jeffrey Mankoff argues that Russia's more assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U.S. power resulting from the wars in Iraq and Afghanistan Because these factors are the result of long term trends the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior Presenting an evenhanded treatment of controversial issues Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that there is little reason to fear a return to a Cold War like standoff with the West Instead he argues today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West

Thoroughly researched and knowledgeable this book will be invaluable for all readers interested in Russia *The Sources of Russian Foreign Policy Assertiveness* Angela Borozna, 2022-01-31 This book explores the sources of Russia's foreign policy conduct since the end of the Cold War It is aimed at those interested in Russian foreign policy international security and diplomacy The book embraces an eclectic approach by applying insights from several strands of IR theory exploring both international and domestic sources The author argues that Russian foreign policy is influenced by the country's strategic culture which exhibits some persistent elements inherited from Russia's imperial past and from Soviet times The challenges

to Russia's security interests from Western policies led to an increase in Russian foreign policy assertiveness. As a result, Russia is becoming more committed to Eurasian integration and nurturing relations with China. This book further argues that Russia's relations with the post-Soviet states have been and will remain a priority of its foreign relations and therefore Russia is likely to continue challenging any Western interference in these states. The author maintains that geoeconomics and the protection of overseas economic interests are becoming more prominent in Russia's foreign policy calculus. The role of domestic factors in the country's foreign policy such as authoritarianism, regime vulnerability and the role of political factions is also examined.

Russia's Foreign Policy Andrei P. Tsygankov, 2013-02-14. Now fully updated and revised, this clear and comprehensive text explores the past quarter century of Soviet Russian international relations, comparing foreign policy formation under Gorbachev, Yeltsin, Putin and Medvedev. Drawing on an impressive mastery of both Russian and Western sources, Andrei P. Tsygankov shows how Moscow's policies have shifted with each leader's vision of Russia's national interests. He evaluates the successes and failures of Russia's foreign policies, explaining its many turns as Russia's identity and interaction with the West have evolved. The book concludes with reflections on the emergence of the post-Western world and the challenges it presents to Russia's enduring quest for great power status along with its desire for a special relationship with Western nations.

United Government and Foreign Policy in Russia, 1900-1914 David MacLaren McDonald, 1992. In 1904 a small distant war brought Russia to the brink of internal collapse and yet within ten years the country embroiled itself in an incomparably larger conflict close to home. How the war with Japan and its aftermath actually steered Russia toward such an unlikely fateful decision is the subject of David McDonald's book, an analysis of Russian foreign policy on the eve of World War I.

Russian Foreign Policy Jeffrey Mankoff, 2011-09-22. Introduction, the guns of August, contours of Russian foreign policy, bulldogs fighting under the rug, the making of Russian foreign policy, resetting expectations, Russia and the United States, Europe between integration and confrontation, rising China and Russia's Asian vector, playing with home field advantage, Russia and its post-Soviet neighbors, conclusion, dealing with Russia's foreign policy reawakening.

Russian Foreign Policy Nikolas K. Gvosdev, Christopher Marsh, 2013-08-22. In a truly contemporary analysis of Moscow's relations with its neighbors and other strategic international actors, Gvosdev and Marsh use a comprehensive vectors approach, dividing the world into eight geographic zones. Each vector chapter looks at the dynamics of key bilateral relationships while highlighting major topical issues: oil and energy, defense policy, economic policy, the role of international institutions and the impact of major interest groups or influencers, demonstrating that Russia formulates multiple, sometimes contrasting foreign policies. Providing rich historical context as well as exposure to the scholarly literature, the authors offer an incisive look at how and why Russia partners with some states while it counterbalances others.

Russia's Foreign Policy Aldo Ferrari, Eleonora Tafuro Ambrosetti, 2021-06-09. Who decides what in Moscow? The answer is not always Vladimir Putin. However, when explaining Russia's foreign policy, the consolidation of Putin's autocratic

tendencies and his apparent stability despite many economic and political challenges have contributed at least in the West to an excessive Putin centrism and the relative neglect of other agents of domestic politics As a result many facets of the country's foreign policy decisions are misunderstood or shrouded under a thin veil of vagueness and secrecy This Report attempts to fill this gap exploring the evolving distribution of political and economic power under the surface of Putin's leadership to assess the influence of different lobbies on Russia's foreign policy All of the contributions in the volume underline the complexity of Russia's decision making process beneath the surface of a monolithic and increasingly personalistic government

Russian Foreign Policy Eric Shiraev, Konstantin Khudoley, 2018-12-12 Written by two leading scholars this cutting edge textbook provides a comprehensive re evaluation of Russian foreign policy in the 21st century covering its historical development key institutions and actors and processes principles and strategies It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia's place in the world This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study

Perspectives on Russian Foreign Policy (Enlarged Edition) Stephen J. Blank, Strategic Studies Institute, U.S. Army War College, 2013-05-21 The essays gathered here represent a panel at SSI's annual Russia conference in 2011 They focus on the analysis of Russian foreign policy both on its material side or actual conduct as well as on the cognitive bases of Russian thinking about international affairs and Russian national security They span much of the gamut of that foreign policy and also show its strong linkages to the Russian historical tradition and to the imperatives of Russian domestic development

Russian Foreign Policy After the Cold War Leszek Buszynski, 1996-08-23 This important new study drawing primarily on Russian sources analyzes Russian foreign policy in the context of an ongoing national identity crisis The work examines Russia's foreign policy in terms of two salient factors 1 political and economic reform given that foreign policy has been strongly influenced by reactions positive and negative to Yeltsin's reform agenda and 2 Russia's geopolitical predicament between Europe and Asia between East and West which requires it to reconcile various strategic imperatives with regard to NATO China and the Islamic world Buszynski's study reveals current Russian foreign policy as a process of interaction between these two factors the result being considerable vacillation between support for the West and opposition to it An important analysis that will be of interest to foreign policy and international relations experts in academia and government

Explaining Russian Foreign Policy Behavior Alexander Sergunin, 2016-03-22 This book aims to explain the reasons behind Russia's international conduct in the post Soviet era examining Russian foreign policy discourse with a particular focus on the major foreign policy schools of Atlanticism Eurasianism derzhavniki realpolitik geopolitics neo Marxism radical nationalism and post positivism The Russian post Soviet threat perceptions and national security doctrines are studied The author critically assesses the evolution of Russian foreign policy decision making over the last 25 years and

analyzes the roles of various governmental agencies interest groups and subnational actors Concluding that a foreign policy consensus is gradually emerging in contemporary Russia Sergunin argues that the Russian foreign policy discourse aims not only at the formulation of an international strategy but also at the search for a new national identity Alexander Sergunin argues that Russia s current domestic situation defined by numerous socio economic inter ethnic demographic environmental and other problems dictates the need to abandon superpower ambitions and to rather set modest foreign policy goals

Understandings of Russian Foreign Policy Ted Hopf,2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia s decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen **Russian Foreign Policy and the CIS** Nicole J.

Jackson,2003-09-04 This book provides a systematic study of Russian foreign policy and the separatist and civil military conflicts in the former Soviet republics following the collapse of the Soviet Union **Russian Foreign Policy Since 1990** Peter Shearman,2018-02-12 A book which brings together leading experts on Russia s foreign relations providing the most comprehensive coverage of contemporary Russian foreign policy currently available in a single volume Detailed case studies of relations with specific countries and regions are complemented by chapters that examine the process of decision making conflict between domestic institutional actors the role of groups such as the military and Russia s search for a new identity

Russia's Foreign Policy D. Cadier,M. Light,2015-06-30 This edited volume analyses the evolution and main determinants of Russia s foreign policy choices Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia s foreign policy since the beginning of Vladimir Putin s third presidential term The Multilateral Dimension in Russian Foreign Policy Elana Wilson Rowe,Stina Torjesen,2008-10-06 This book examines the place of multilateralism in Russia s foreign policy It examines Russia s role and relationship with the G8 NATO EU Organization for Security and Cooperation in Europe OSCE Collective Security Treaty Organization and Shanghai

Cooperation Organization covering a wide range of issue areas including nuclear non proliferation and trade **Russia Between East and West** Gabriel Gorodetsky,2004-08-02 Gabriel Gorodetsky unravels President Putin s efforts to re establish Russia s position as a major power attempting to reconcile Russia s traditional national interests with the newly emerging social and political entity taking shape at home **Realignments in Russian Foreign Policy** Rick Fawn,2004-11-23 This collection provides international perspectives on the evolution of Russia s foreign relations and analyses official Russian responses to major regional and international developments including NATO and EU enlargement and the post September 11 international war on terrorism

Embracing the Song of Expression: An Emotional Symphony within **Russian Foreign Policy**

In a world used by screens and the ceaseless chatter of quick communication, the melodic splendor and psychological symphony created by the published term frequently diminish in to the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, located within the pages of **Russian Foreign Policy** a stunning fictional prize overflowing with raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, this captivating masterpiece conducts visitors on a psychological journey, well unraveling the hidden songs and profound influence resonating within each cautiously crafted phrase. Within the depths of this touching evaluation, we can explore the book is key harmonies, analyze their enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Russian Foreign Policy Introduction

In today's digital age, the availability of Russian Foreign Policy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Foreign Policy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Foreign Policy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Foreign Policy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Foreign Policy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Foreign Policy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Foreign Policy

books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Foreign Policy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Foreign Policy books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Foreign Policy Books

1. Where can I buy Russian Foreign Policy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russian Foreign Policy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russian Foreign Policy books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust

the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Russian Foreign Policy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Russian Foreign Policy books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
