Russian Path Dependence A People With A Troubled History:

Russian Path Dependence Stefan Hedlund,2012 **Russian Path Dependence** Stefan Hedlund,2005-01 Russia's transition to a market economy has been tortuous to say the least In this book Stefan Hedlund argues that the reasons for this can actually be traced back through the long sweep of Russian history Russian Path Dependence Stefan Hedlund,2005-01-23 Russia's transition to a market economy has been tortuous to say the least However this book argues that the arguments and counter arguments that pitch shock therapy against gradualism are wide of the mark and quite pointless Indeed the reasons for the warped outcomes can actually be traced back through the long sweep of Russian history Decisions made in the distant past can fully influence policy making in the present Hedlund's thesis can like this be seen as influenced by the path dependency theories of Paul David among others **The Russian Path** Dmitry Gel'man, Vladimir Marganiya, Otar Travin,2020-10-20 The politico economic reforms launched during the late twentieth century in post Soviet Russia have led to contradictory and ambiguous results The new economic environment and mode of governance that emerged have been subjected to serious criticism What were the causes of these developments Were they unavoidable for Russia due to specific factors grounded in the country's previous experiences Or were they an intended result of actions taken by the leaders of the country during the last few decades The authors of this book share neither a deterministic approach which implies that Russia is bound to fail because of the nature of its economic and political evolution nor a voluntarist approach which implies that these failures were caused only by the incompetence and or malicious intentions of its leaders Instead this study offers a different framework for the analysis of political and economic developments in present day Russia It is based on four i s ideas interests institutions and illusions *Russian Conservatism* Paul Robinson,2019-10-15 Russian Conservatism examines the history of Russian conservative thought from the beginning of the nineteenth century to the present Robinson charts the contributions made by philosophers politicians and others during the Imperial Soviet and post Soviet periods Looking at cultural political and social economic conservatism in Russia Russian Conservatism demonstrates that such ideas are helpful in interpreting Russia's present as well as its past and will be influential in shaping Russia's future for better or for worse in the years to come Covert Action Magda Long,Rory Cormac,Genevieve Lester,Mark Stout,Damien Van Puyvelde,2025 Covert action is generally understood as unacknowledged interference by one state in the affairs of another state or non state actor to affect change This definition inspired from the US approach dominates the debate in intelligence policy and scholarship and provides a prism through which most observers mis understand this form of secret statecraft This volume takes covert action global across five continents to explore and compare different states histories and approaches to conducting covert action The aim is to produce a more holistic understanding of the variation in covert action traditions across states and cultures over time especially beyond the American and British traditions Indeed as this book shows forms of covert action have been practiced across millennia by many

cultures and on every continent The volume brings together an international group of distinguished scholars to examine the history of covert action in twenty countries to serve as a foundational study for scholars students and policymakers Provided by publisher

A History of Russia, Central Asia and Mongolia, Volume II David Christian, 2018-03-12 Provides an all encompassing look at the history of Russia Central Asia and Mongolia Beginning with the breakup of the Mongol Empire in the mid thirteenth century Volume II of this comprehensive work covers the remarkable history of Inner Eurasia from 1260 up to modern times completing the story begun in Volume I Volume II describes how agriculture spread through Inner Eurasia providing the foundations for new agricultural states including the Russian Empire It focuses on the idea of mobilization the distinctive ways in which elite groups mobilized resources from their populations and how those methods were shaped by the region's distinctive ecology which differed greatly from that of Outer Eurasia the southern half of Eurasia and the part of Eurasia most studied by historians This work also examines how fossil fuels created a bonanza of energy that helped shape the history of the Communist world during much of the twentieth century Filled with figures maps and tables to help give readers a fuller understanding of what has transpired over 750 years in this distinctive world region A History of Russia Central Asia and Mongolia Volume II Inner Eurasia from the Mongol Empire to Today 1260 2000 is a magisterial but accessible account of this area's past that will offer readers new insights into the history of an often misunderstood part of the world Situates the histories of Russia Central Asia and Mongolia within the larger narrative of world history Concentrates on the idea of Inner Eurasia as a coherent ecological and geographical zone Focuses on the powerful ways in which the region's geography shaped its history Places great emphasis on how mobilization played a major part in the development of the regions Offers a distinctive interpretation of modernity that highlights the importance of fossil fuels Offers new ways of understanding the Soviet era A History of Russia Central Asia and Mongolia Volume II is an ideal book for general audiences and for use in undergraduate and graduate courses in world history The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

Russia's Oil and Natural Gas Michael Ellman, 2006 Explores the role of Russian oil and gas in the Russian economy

Russian Energy in a Changing World Jakub M. Godzimirski, 2016-03-23 For a long time Russia's position as a key global energy player has enhanced Moscow's international economic and political influence whilst causing concern amongst other states fearful of becoming too dependent on Russia as

an energy supplier The Global Financial Crisis shook this established image of Russia as an indispensable energy superpower immune to negative external influences and revealed the full extent of Russia's dependence on oil and gas for economic and political influence This led to calls from within the country for a new approach where energy resources were no longer regarded wholly as an asset but also a potential curse resulting in an over reliance on one sector thwarting modernization of the economy and the country as a whole In this fascinating and timely volume leading Russian and Western scholars examine various aspects of Russian energy policy and the opportunities and constraints that influence the choices made by the country's energy decision makers Contributors focus on Russia's energy relations with the rest of the world alongside internal debates about the need for diversification and modernisation in a changing economy country and world system where overdependence on energy commodities has become a key concern for customer and supplier alike

The Romanovs Simon Sebag Montefiore, 2016-05-03 NEW YORK TIMES BESTSELLER From the national bestselling author of *Stalin* An epic history on the grandest scale Financial Times about the most successful dynasty of modern times a family who created the world's greatest empire and then lost it all An essential addition to the library of anyone interested in Russian history The New York Times Book Review The Romanovs ruled a sixth of the world's surface for three centuries How did one family turn a war ruined principality into the world's greatest empire And how did they lose it all This is the intimate story of twenty tsars and tsarinas some touched by genius some by madness but all inspired by holy autocracy and imperial ambition Simon Sebag Montefiore's gripping chronicle reveals their secret world of unlimited power and ruthless empire building overshadowed by palace conspiracy family rivalries sexual decadence and wild extravagance Drawing on new archival research Montefiore delivers an enthralling epic of triumph and tragedy love and murder that is both a universal study of power and a portrait of empire that helps define Russia today

Russia's Response to Sanctions Richard Connolly, 2018-07-05 In the first in depth analysis of the effects of sanctions on the Russian political economy Richard Connolly details the Western sanctions targeting the energy defense and financial sectors and the Russian response He explores how the Western sanctions have caused Russian officials to formulate rapid policy responses to enable the country to adapt to the new circumstances The sanctions and the Russian response have caused the state's role in the Russian economy to grow stronger and caused its policymakers to accelerate efforts to shift Russia's foreign economic relations away from the West and toward Asia Connolly analyzes how the political economy in Russia and the nature of the country's integration with the global economy have been fundamentally reshaped He demonstrates that a new system of political economy is emerging in Russia and how it is crucial to understanding Russia's future trajectory

The Political Economy of Russia Neil Robinson, 2012-07-13 This timely book explores Russia's political development since the collapse of the USSR and how inextricably it has been bound up with economic change Tracing the evolution of Russia's political economy leading scholars consider how it may continue to develop going forward They assess the historical legacies of the Soviet period

showing how despite policies implemented after the USSR dissolved in 1991 there are ongoing bitter battles over property and state revenues over land and over welfare The book puts these domestic issues in international and comparative perspective by considering Russia's position in the global economy and its growing role as a major energy producer Focusing especially on the nature and future of Russian capitalism the contributors weigh the political problems that confront Russia in its ongoing struggle to modernize and develop its economy Contributions by Andrew Barnes Paul T Christensen Linda J Cook Gerald M Easter Neil Robinson Richard Sakwa and Stephen K Wegren

Exploring the Social and Political Economy of Alexis de Tocqueville Peter J. Boettke, Adam Martin, 2020-02-07 Alexis de Tocqueville's work touched upon an exceptionally broad range of social scientific disciplines from economics to religion and from education to international affairs His work consistently appeals to scholars dismayed by existing disciplinary silos Tocqueville is also well regarded for diagnosing both the promise and perils of democratic life Consideration of his ideas provokes serious consideration of and engagement with contemporary trends as citizens in democratic countries cope with challenges posed by new technological cultural and political changes However attention to Tocqueville is uneven across disciplines with political theorists paying him the most heed and economists the least This volume focuses on political economy trying to bridge this divide This book collects essays by emerging scholars from a variety of disciplines political science economics sociology philosophy and social thought to examine Tocqueville's thoughts on political and social economy and its contemporary relevance The book is divided into two halves The first half engages with the main currents of research on Tocqueville's own thoughts regarding economic institutions constitutionalism liberalism history and education The second half applies Tocqueville's insights to diverse contemporary topics including international relations citizenship mass incarceration and pedagogy This volume will be of interest to scholars and students interested in Tocqueville the history of political thought and a variety of current policy issues

Historical Legacies of Communism Alexander Libman, Anastassia V. Obydenkova, 2021-01-21 Libman and Obydenkova reveal how legacies of the Communist Party of the Soviet Union CPSU have survived in the politics economic development culture and society of post Communist regions in the 21st Century The authors show how this impact is not driven by Communist ideology but by the clientelistic practices opportunism and cynicism prevalent in the CPSU Their study is built on a novel dataset of the CPSU membership rates in Russian regions in the 1950s 1980s alongside case studies interviews and an analysis of mass media previously only available in Russian and discussed here in English for the first time It will appeal to students and scholars of Russian and Eastern European politics and history and anyone who wants to better understand countries which live or have lived through Communism from Eastern Europe to China and East Asian Communist states

The Politics and Practice of Religious Diversity Andrew Dawson, 2016-04-20 The Politics and Practice of Religious Diversity engages with one of the most characteristic features of modern society An increasingly prominent and potentially contentious phenomenon religious diversity is intimately associated with contemporary issues such as migration human

rights social cohesion socio cultural pluralisation political jurisdiction globalisation and reactionary belief systems This edited collection of specially commissioned chapters provides an unrivalled geographical coverage and multidisciplinary treatment of the socio political processes and institutional practices provoked by and associated with religious diversity Alongside chapters treating religious diversity in the BRIC countries of Brazil Russia India and China are contributions which discuss Australia Finland Mexico South Africa the UK and the United States This book provides an accessible distinctive and timely treatment of a topic which is inextricably linked with modern society s progressively diverse and global trajectory Written and structured as an accessible volume for the student reader this book is of immediate interest to both academics and laypersons working in mainstream and political sociology sociology of religion human geography politics area studies migration studies and religious studies

Conspiracy Theories and the People who Believe Them Joseph E. Uscinski, 2019 Conspiracy theories are inevitable in complex human societies And while they have always been with us their ubiquity in our political discourse is nearly unprecedented Their salience has increased for a variety of reasons including the increasing access to information among ordinary people a pervasive sense of powerlessness among those same people and a widespread distrust of elites Working in combination these factors and many other factors are now propelling conspiracy theories into our public sphere on a vast scale In recent years scholars have begun to study this genuinely important phenomenon in a concerted way In *Conspiracy Theories and the People Who Believe Them* Joseph E Uscinski has gathered forty top researchers on the topic to provide both the foundational tools and the evidence to better understand conspiracy theories in the United States and around the world Each chapter is informed by three core questions Why do so many people believe in conspiracy theories What are the effects of such theories when they take hold in the public What can or should be done about the phenomenon Combining systematic analysis and cutting edge empirical research this volume will help us better understand an extremely important yet relatively neglected phenomenon

The Politics of Bad Governance in Contemporary Russia Vladimir Gel'man, 2022-07-06 In this book Vladimir Gel man considers bad governance as a distinctive politico economic order that is based on a set of formal and informal rules norms and practices quite different from those of good governance Some countries are governed badly intentionally because the political leaders of these countries establish and maintain rules norms and practices that serve their own self interests Gel man considers bad governance as a primarily agency driven rather than structure induced phenomenon He addresses the issue of causes and mechanisms of bad governance in Russia and beyond from a different scholarly optics which is based on a more general rationale of state building political regime dynamics and policy making He argues that although these days bad governance is almost universally perceived as an anomaly at least in developed countries in fact human history is largely a history of ineffective and corrupt governments while the rule of law and decent state regulatory quality are relatively recent matters of modern history when they emerged as side effects of state building Indeed the picture is quite the opposite bad governance

is the norm while good governance is an exception The problem is that most rulers especially if their time horizons are short and the external constraints on their behavior are not especially binding tend to govern their domains in a predatory way because of the prevalence of short term over long term incentives Contemporary Russia may be considered as a prime example of this phenomenon Using an analysis of case studies of political and policy changes in Russia after the Soviet collapse Gel man discusses the logic of building and maintaining the politico economic order of bad governance in Russia and paths of its possible transformation in a theoretical and comparative perspective

The Nonprofit Sector in Eastern Europe, Russia, and Central Asia David Horton Smith, Alisa Moldavanova, Svitlana Krasynska, 2018-09-04 The Nonprofit Sector in Eastern Europe Russia and Central Asia EERCA edited by David Horton Smith Alisa V Moldavanova and Svitlana Krasynska uniquely provides a research overview of the nonprofit sector and nonprofit organizations in eleven former Soviet republics with each central chapter written by local experts Such chapters with our editorial introductions present up to date versions of works previously published in EERCA native languages With a Foreword by Susan Rose Ackerman Yale University introductory and concluding chapters also explain the editors theoretical approach setting the whole volume in several relevant larger intellectual contexts and summarize briefly the gist of the book The many post Soviet countries show much variety in their current situation ranging from democratic to totalitarian regimes

Capital, Coercion, and Postcommunist States Gerald Easter, 2012-10-15 The postcommunist transitions produced two very different types of states The contractual state is associated with the countries of Eastern Europe which moved toward democratic regimes consensual relations with society and clear boundaries between political power and economic wealth The predatory state is associated with the successors to the USSR which instead developed authoritarian regimes coercive relations with society and poorly defined boundaries between the political and economic realms In Capital Coercion and Postcommunist States Gerald M Easter shows how the cumulative result of the many battles between state coercion and societal capital over taxation gave rise to these distinctive transition outcomes Easter s fiscal sociology of the postcommunist state highlights the interconnected paths that led from the fiscal crisis of the old regime through the revenue bargains of transitional tax regimes to the eventual reconfiguration of state society relations His focused comparison of Poland and Russia exemplifies postcommunism s divergent institutional forms The Polish case shows how conflicts over taxation influenced the emergence of a rule of law contractual state social market capitalism and civil society The Russian case reveals how revenue imperatives reinforced the emergence of a rule by law predatory state concessions style capitalism and dependent society

Managing Firms and Families Daria Tereshina, 2021 This book investigates the moral dimensions of petty capitalism in Russia Drawing on an ethnographic enquiry into the small scale family based private sector of the city of Smolensk it examines the values moral ideas and sentiments that are entangled in the everyday workings of small businesses The book situates the realm of values within the broader dynamics of Russia s political economy and the global circuits of capital The moral frameworks of

entrepreneurs incorporate conflicting values such that moralities associated with the Soviet order are intertwined with market orientations and neoliberal ideologies

Russian Path Dependence A People With A Troubled History Book Review: Unveiling the Power of Words

Russian Path Dependence A People With A Troubled History Introduction

In today's digital age, the availability of Russian Path Dependence A People With A Troubled History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Path Dependence A People With A Troubled History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Path Dependence A People With A Troubled History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Path Dependence A People With A Troubled History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Path Dependence A People With A Troubled History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Path Dependence A People With A Troubled History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Path Dependence A People With A Troubled History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Path Dependence A People With A Troubled History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Path Dependence A People With A Troubled History books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Path Dependence A People With A Troubled History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Path Dependence A People With A Troubled History is one of the best book in our library for free trial. We provide copy of Russian Path Dependence A People With A Troubled History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Path Dependence A People With A Troubled History. Where to download Russian Path Dependence A People With A Troubled History online for free? Are you looking for Russian Path Dependence A People With A Troubled

History PDF? This is definitely going to save you time and cash in something you should think about.
