## **Russian Revolution 1917 1921 With A Selected Bibliography Of Recent Works On The Civil War:**

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state *The American*

*Bibliography of Slavic and East European Studies*, 1989 Rostov in the Russian Civil War, 1917-1920 Brian Murphy, 2004-08-02 The documents in this book were collected from the archives in Rostov on Don and appear here for the first time in print with commentary from the author **Russia and Eastern Europe, 1789-1985** Raymond Pearson, 1989

**The Bolsheviks in Power** Alexander Rabinowitch, 2007-11-02 With new research and detailed analysis this historical study reframes the October Revolution of 1917 and its terrible aftermath in the Russian capitol A major contribution to the historiography of twentieth century Russia The Bolsheviks in Power shines a revealing spotlight on the fateful first year of Soviet rule in Petrograd It examines events that profoundly shaped the Soviet political system that endured through generations Drawing largely from previously inaccessible Soviet archives Alexander Rabinowitch demolishes standard interpretations of the origins of Soviet authoritarianism by demonstrating that the Soviet system evolved ad hoc as the Bolsheviks struggled to retain political power amid spiraling political social economic and military crises The book covers issues such as the rapid fall of influential moderate Bolsheviks the formation of the dreaded Cheka the dissolution of the Constituent Assembly the Red Terror the national government's flight to Moscow and the subsequent rivalry between Russia's new and old capitals *The Bloomsbury Handbook of the Russian Revolution* Geoffrey Swain, Charlotte Alston, Michael C. Hickey, Boris Kolonitskii, Franziska Schedewie, 2022-12-15 Through 30 interpretative essays The Bloomsbury Handbook of the Russian Revolution sees an international team of leading scholars comprehensively examine Russia's revolutionary years In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century Split into six sections covering political crises politicians and parties social groups identities regions and peoples and civil war the volume covers the collapse of Tsarism and the February Revolution the emergence of the Provisional Government and major historical figures such as Lenin Kerensky and the Socialist Revolutionary leader Viktor Chernov It also explores the events surrounding the Bolshevik seizure of power in October 1917 the first year of Soviet Government until the Bolshevik dictatorship was

established and the impact on Russia of the subsequent civil war The focus is broader than these issues of high politics however since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class gender age and culture      **The Russian Revolution, 1900-1927** Robert Service,2009-06-02 This popular concise and highly readable study discusses the key themes and debates about the Russian Revolution Robert Service s lively analysis examines state and society under the Romanovs from 1900 The February and October Revolutions of 1917 The final years of the Romanov dynasty and the start of the Soviet order Comparisons with political social and economic trends elsewhere in the world The extent to which the later development of the USSR was conditioned by the October Revolution Clear and incisive the fourth edition has been thoroughly revised and updated in the light of the latest research and features a new scene setting Introduction and maps Service s text remains the essential starting point for anyone studying this tumultuous period in the history of Russia and the world in the twentieth century

*Maximilian Voloshin's Poetic Legacy and the Post-Soviet Russian Identity* M. Landa,2015-06-10 Famed and outspoken Russian poet Maximilian Voloshin s notoriety has grown steadily since his slow release from Soviet censorship For the first time Landa showcases his vast poetic contributions proving his words to be an overlooked solution both to the political and cultural turmoil engulfing the Soviet Union in the early twentieth century      European Dictatorships 1918-1945 Stephen J. Lee,2012-11-12 European Dictatorships 1918-1945 surveys the extraordinary circumstances leading to and arising from the transformation of over half of Europe s states to dictatorships between the first and the second World Wars It describes the course of dictatorship in Europe before and during the Second World War and examines the phenomenon of dictatorship itself and the widely different forms it can take From the notorious dictatorships of Mussolini Hitler and Stalin to less well known states and leaders this book scrutinizes the experiences of Russia Germany Italy Spain and Portugal and Central and Eastern European states This third edition has been revised throughout to include recent historical research and contains a completely new chapter on the meaning of dictatorship Including new tables maps and diagrams this is the perfect survey for all students of the period To view the companion website please visit [www.routledge.com/textbooks/9780415454858](http://www.routledge.com/textbooks/9780415454858)      **The Russian Revolution** Sheila Fitzpatrick,2008-02-28 This fully updated new edition of Sheila Fitzpatrick s classic short history of the Russian Revolution takes into account the new evidence that has come to light since the collapse of the Soviet Union in 1991 incorporating material that was previously inaccessible not only to Western but also to Soviet historians      Mobilizing the Russian Nation Melissa Kirschke Stockdale,2016-12-13 The First World War had a devastating impact on the Russian state yet relatively little is known about the ways in which ordinary Russians experienced and viewed this conflict Melissa Kirschke Stockdale presents the first comprehensive study of the Great War s influence on Russian notions of national identity and citizenship Drawing on a vast array of sources the book examines the patriotic and nationalist organizations which emerged during the war the role of the Russian Orthodox Church the press and the intelligentsia in mobilizing Russian

society the war's impact on the rights of citizens and the new democratized ideas of Russian nationhood which emerged both as a result of the war and of the 1917 revolution Russia's war experience is revealed as a process that helped consolidate in the Russian population a sense of membership in a great national community rather than being a test of patriotism which they failed

**Intelligentsia and Revolution** Jane Burbank, 1989-01-12 Over the five years following the Russian revolution of 1917 there occurred a brilliant outburst of theory and criticism among Russian intellectuals struggling to comprehend their country's vast social upheaval Much of their intense speculation focused on issues that are still hotly debated Was this socialism Why had the revolution happened in Russia What did Bolshevik power mean for Russia and the Western world This compelling study recovers these early responses to 1917 and analyzes the specific ideological context out of which they emerged Jane Burbank explores the ideas and experiences of diverse prominent intellectuals ranging from the monarchists on the right to the Mensheviks Socialist revolutionaries and Anarchists on the left Following these thinkers through the turbulent years of civil war and rebuilding of state power Burbank shows how revolution both revitalized their political culture and exposed the fragile basis of its existence

*Historical Dictionary of United States-Russian/Soviet Relations* Norman E. Saul, 2008-11-18 For more than 200 years the United States and Russia have shared a multi-faceted relationship Because of the rise of power the two countries enjoyed in the late 19th and through the 20th century Russian American relations have dominated much of recent world history Prior to World War II the two countries had relatively friendly contacts in culture commerce and diplomacy however as they contested for supremacy during the Cold War relations turned hostile and competitive With the apparent end of the Cold War with the collapse of the Soviet Union and of communism in 1991 the relationship continues to evolve and the future looks uncertain but promising The Historical Dictionary of United States Russian Soviet Relations identifies the key issues individuals and events in the history of U S Russian Soviet relations and places them in the context of the complex and dynamic regional strategic political and economic processes that have fashioned the American relationship with Russia This is done through a chronology a bibliography an introductory essay and several hundred cross-referenced dictionary entries on key persons places events institutions and organizations

**European Communism** Ronald Kowalski, 2017-09-16 The course of modern European History has been influenced greatly by the challenge of Communism In theory it promised equality and freedom for all In practice it spawned inegalitarian authoritarian and in some instances monstrous regimes in the former Soviet Union and East Europe This study re-examines the history of European Communism from its theoretical origins in the work of Marx and Engels in the mid-nineteenth century until the dramatic collapse of the Soviet Union in 1991 Ronald Kowalski reappraises Marx's thinking and points out that his intellectual legacy was open to a variety of interpretations often at odds with his own views Kowalski also questions Lenin's professed Marxist credentials and the extent to which his additions to Marxist theory were central to the key issue in the history of Communism why did the egalitarian and libertarian dreams raised by the Russian Revolution

degenerate into Stalinist authoritarianism and terror Furthermore why did Communism fail in West Europe while it was able to come to power in East Europe Concluding with an analysis of the revolutions which swept away the Communist regimes in East Europe and two years later in the Soviet Union itself this is an essential introduction to the history of a political force that dominated parts of Europe until the end of the twentieth century     The White Generals Richard Lockett,2017-03-31 This account of the Russian Civil War originally published in 1971 combines a vivid narrative of the military events with a biographical discussion of the White Generals figures of the former Imperial Russian Army offices who led the separate campaigns against the Red Soviets men such as Kornilov Alekseev Kolchak Denikin Wrangel Yudenich and the Finnish Yudeniol Marshal Mannerheim Despite their shared designation the White Generals had no common programme Their tragedy was that Lenin s dogmatism intransigence and ruthlessness all essential qualities in a country which had never known anything other than autocracy were alien to their characters     Russia Mauricio Borrero,2009 A reference guide to the world s largest country Covering influential individuals significant places and important policies it provides readers with a greater understanding of Russian history A narrative history chronology and A Z entries are included     *1917: Stories and Poems from the Russian Revolution* ,2016-12-13 1917 Stories and Poems from the Russian Revolution is a collection of literary responses to one of the most cataclysmic events in modern world history which exposes the immense conflictedness and doubt conviction and hope pessimism and optimism which political events provoked among contemporary writers sometimes at the same time even in the same person This dazzling panorama of thought language and form includes work by authors who are already well known to the English speaking world Bulgakov Pasternak Akhmatova Mayakovsky as well as others whose work we have the pleasure of encountering here for the very first time in English Edited by Boris Dralyuk the acclaimed translator of Isaac Babel s Red Cavalry also published by Pushkin Press 1917 includes works by some of the best Russian writers some already famous in the English speaking world some published here for the very first time It is an anthology for everyone those who are coming to Russian literature for the first time those who are already experienced students of it and those who simply want to know how it felt to live through this extreme period in history POETRY Marina Tsvetaeva You stepped from a stately cathedral Night Northeaster Roar of soldiers Roar of waves Zinaida Gippius Now What have we done to it 14 December 1917 Osip Mandelstam In public and behind closed doors Osip Mandelstam Let s praise O brothers liberty s dim light Anna Akhmatova When the nation suicidal Boris Pasternak Spring Rain Mikhail Kuzmin Russian Revolution Sergey Esenin Wake me tomorrow at break of day Mikhail Gerasimov I forged my iron flowers Vladimir Kirillov We Aleksey Kraysky Decrees Andrey Bely Russia Alexander Blok The Twelve Titsian Tabidze Petersburg Pavlo Tychyna Golden Humming Vladimir Mayakovsky Revolution A Poem Chronicle To Russia Our March PROSE Alexander Kuprin Sashka and Yashka Valentin Kataev The Drum Aleksandr Serafimovich How He Died Dovid Bergelson Pictures of the Revolution Teffi A Few Words About Lenin The Guillotine Vasily Rozanov from Apocalypse of Our Time Aleksey Remizov The Lay of the Ruin

of Rus Yefim Zozulya The Dictator A Story of Ak and Humanity Yevgeny Zamyatin The Dragon Aleksandr Grin Uprising Mikhail Prishvin Blue Banner Mikhail Zoshchenko A Wonderful Audacity Mikhail Bulgakov Future Prospects **Revolution of the Mind** Michael David-Fox,1997 Content Description Includes bibliographical references p and index Revolutionary Europe Gavin Murray-Miller,2020-02-06 CHOICE Outstanding Academic Title 2021 Revolutionary Europe is an original examination of radical political movements during Europe s long 19th century It employs both national and transnational contexts incorporating new debates in Atlantic history empire studies and cultural history to give a comprehensive narrative of the period from 1775 to 1922 Rather than assessing revolution as a purely theoretical socially driven force or a structural phenomenon the book presents revolution as a process of community building and cultural identification born from instances of acute social and political crisis Taking into account various moments of political upheaval during the 19th century including the French Russian and 1848 revolutions it explores the ways in which political actors attempted to construct new definitions of sovereignty and social unity in a period characterized by vast social economic and governmental change In a wide ranging text that covers Britain and much of continental Europe in detail as well as reaching out to the Americas and Atlantic and Mediterranean Worlds Gavin Murray Miller provides an authoritative transnational study of revolution in the 19th century age of high nationalism **Europe, 1890-1945** Stephen J. Lee,2020-03-27 Europe 1890 1945 is a new approach to teaching and learning early twentieth century European history at A level It meets the needs of teachers and students studying for today s revised AS and A2 exams In a unique style Europe 1890 1945 focuses on the key topics within the period Each topic is then comprehensively explored to provide background information essay writing advice and examples source work and historical skills exercises From 1890 to 1945 the key topics featured include the origins and impact of the First World War the Russian Revolution and the rise of Stalin the Weimar Republic and the rise of Hitler Mussolini and Fascist Italy Stalin and the Soviet Union 1928 41

## **Russian Revolution 1917 1921 With A Selected Bibliography Of Recent Works On The Civil War Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Revolution 1917 1921 With A Selected Bibliography Of Recent Works On The Civil War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Revolution 1917 1921 With A Selected Bibliography Of Recent Works On The Civil War PDF books and manuals is

convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Revolution 1917 1921 With A Selected Bibliography Of Recent Works On The Civil War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Russian Revolution 1917 1921 With A Selected Bibliography Of Recent Works On The Civil War Books**

1. Where can I buy Russian Revolution 1917 1921 With A Selected Bibliography Of Recent Works On The Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
