Melvyn P. Leffler, Odd Arne Westad

Russian Revolution The Overthrow Of Tzarism And The Triumph Of The Soviets:

The Russian Revolution Leon Trotsky, Frederick W. Dupee, 1959 **The Russian Revolution** Leon Trotsky, 1959 The Russian Revolution of 1917 was a major event in history that changed the world 2 It was first time in the history that the toiled masses had successfully established their own rule After the revolution the Union of Soviet Socialist Republics USSR was born Leon Trotsky was a leading leader of the Bolshevik Revolution along with Lenin He was expelled from the party and exiled by Stalin He tried to take refuge in different countries and was able to take refuge in Mexico but was finally murdered in 1940 5 During his exile period in Turkey Trotsky wrote this book on the isle of Prinkipo The History of Russian Revolution recreates the story of the Bolshevik revolution The important quality of this book is its ability to be a memory and an account of major historical event by a participant and theorist Abridged from Wikipedia June 19 2019 **The Russian Revolution** Lev Trotskii, 1969 The Russian Revolution Lev Trotskij, 1959 **The History of the Russian Revolution: The overthrow of tzarism ; Vol. 2: The attempted counter-revolution ; Vol. 3: The triumph of the Soviets** Lev Trotskij, 1980 **The Russian Revolution (1917-1918) (SparkNotes History Note)** SparkNotes, 2014-08-12 The Russian Revolution 1917 1918 SparkNotes History Note Making the reading experience fun SparkNotes History Guides help students strengthen their grasp of history by focusing on individual eras or episodes in U S or world history Breaking history up into digestible lessons the History Guides make it easier for students to see how events figures movements and trends interrelate SparkNotes History Guides are perfect for high school and college history classes for students studying for History AP Test or SAT Subject Tests and simply as general reference tools Each note contains a general overview of historical context a concise summary of events lists of key people and terms in depth summary and analysis with timelines study questions and suggested essay topics and a 50 question review quiz **The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture** Jay Bergman, 2019-08-14 Because they were Marxists the Bolsheviks in Russia both before and after taking power in 1917 believed that the past was prologue that embedded in history was a Holy Grail a series of mysterious but nonetheless accessible and comprehensible universal laws that explained the course of history from beginning to end Those who understood these laws would be able to mould the future to conform to their own expectations But what should the Bolsheviks do if their Marxist ideology proved to be either erroneous or insufficient if it could not explain or explain fully the course of events that followed the revolution they carried out in the country they called the Soviet Union Something else would have to perform this function The underlying argument of this volume is that the Bolsheviks saw the revolutions in France in 1789 1830 1848 and 1871 as supplying practically everything Marxism lacked In fact these four events comprised what for the Bolsheviks was a genuine Revolutionary Tradition The English Revolution and the Puritan Commonwealth of the seventeenth century were not without utility the Bolsheviks cited them and occasionally utilized them as propaganda but these paled in comparison to what the revolutions in France offered a century later namely legitimacy

inspiration guidance in constructing socialism and communism and not least useful fodder for political and personal polemics

The Cambridge History of the Cold War: Volume 3, Endings Melvyn P. Leffler, Odd Arne Westad, 2012-01-26 Volume III of The Cambridge History of the Cold War examines the evolution of the conflict from the Helsinki Conference of 1975 until the Soviet collapse in 1991 A team of leading scholars analyzes the economic social cultural religious technological and geopolitical factors that ended the Cold War and discusses the personalities and policies of key leaders such as Brezhnev Reagan Gorbachev Thatcher Kohl and Deng Xiaoping The authors show how events throughout the world shaped the evolution of Soviet American relations and they explore the legacies of the superpower confrontation in a comparative and transnational perspective Individual chapters examine how the Cold War affected and was affected by environmental issues economic trends patterns of consumption human rights and non governmental organizations The volume represents the new international history at its best emphasizing broad social economic demographic and strategic developments while keeping politics and human agency in focus

Writing History in the Soviet Union Arup Banerji, 2008 The history of the Soviet Union has been charted in several studies over the decades These depictions while combining accuracy elegance readability and imaginativeness have failed to draw attention to the political and academic environment within which these histories were composed *Writing History in the Soviet Union Making the Past Work* is aimed at understanding this environment The book seeks to identify the significant hallmarks of the production of Soviet history by Soviet as well as Western historians It traces how the Russian Revolution of 1917 triggered a shift in official policy towards historians and the publication of history textbooks for schools In 1985 the Soviet past was again summoned for polemical revision as part and parcel of an attitude of openness glasnost and in this literary figures joined their energies to those of historians The Communist regime sought to equate the history of the country with that of the Communist Party itself in 1938 and 1962 and this imposed a blanket of conformity on history writing in the Soviet Union The book also surveys the rich abundance of writing the Russian Revolution generated as well as the divergent approaches to the history of the period The conditions for research in Soviet archives are described as an aspect of official monitoring of history writing Another instance of this is the manner by which history textbooks have through the years been withdrawn from schools and others officially nursed into circulation This intervention occasioned in the present circumstance by statements by President Putin himself in the manner in which history is taught in Russian schools continues to this day In other words over the years the regime has always worked to make the past work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Sri Lanka

Understanding Revolution Kavous Ardalan, 2020-06-15 This book applies a multiparadigmatic philosophical frame of analysis to the topic of social revolution Crossing two disciplines and lines of literature social philosophy and social revolution this book considers different aspects of social revolution and discusses each aspect from four diverse paradigmatic viewpoints functionalist interpretive radical humanist and radical structuralist The four paradigms are founded upon

different assumptions about the nature of social science and the nature of society Each paradigm generates theories concepts and analytical tools that are different from those of other paradigms An understanding of different paradigms leads to a more balanced understanding of the multi faceted nature of the subject matter In this book the first chapter reviews the four paradigms Using the Iranian Revolution as exemplar the next few chapters provide paradigmatic explanations for a particular aspect of revolution culture religion ideology With this background the book introduces a comprehensive approach to the understanding of revolution The final chapter concludes by recommending further paradigmatic diversity This book will be of particular interest to students and researchers interested in social revolution political sociology and political theory

The Development of Socialism, Social Democracy and Communism Mohamed Ismail Sabry, 2017-09-01 This book examines how socioeconomic and institutional factors shaped the development of Socialism and its two contending variants of Social Democracy and Communism investigating why each of these factions enjoyed varying levels of popularity in different societies between 1840 and 1945

Trotsky in New York, 1917 Kenneth D. Ackerman, 2016-09-01 Lev Davidovich Trotsky burst onto the world stage in November 1917 as co leader of a Marxist Revolution seizing power in Russia It made him one of the most recognized personalities of the Twentieth Century a global icon of radical change Yet just months earlier this same Lev Trotsky was a nobody a refugee expelled from Europe writing obscure pamphlets and speeches barely noticed outside a small circle of fellow travelers Where had he come from to topple Russia and change the world Where else New York City Between January and March 1917 Trotsky found refuge in the United States America had kept itself out of the European Great War leaving New York the freest city on earth During his time there just over ten weeks Trotsky immersed himself in the local scene He settled his family in the Bronx edited a radical left wing tabloid in Greenwich Village sampled the lifestyle and plunged headlong into local politics His clashes with leading New York socialists over the question of US entry into World War I would reshape the American left for the next fifty years

International Trotskyism, 1929-1985 Robert Jackson Alexander, 1991 In a work of encyclopedic scope *International Trotskyism 1929 1985* is sure to become the definitive reference work on a movement that has had a significant impact on the political culture of countries in every part of the world for more than half a century Renowned scholar Robert J Alexander has amassed from disparate sources an unprecedented amount of primary and secondary material to provide a documentary history of the origins development and nature of the Trotskyist movement around the world Drawing on interviews and correspondence with Trotskyists newspaper reports and pamphlets historical writings including the annotated writings of Trotsky in both English and French historical memoirs of Trotskyist leaders and documents of the Fourth International Alexander recounts the history of the movement since Trotsky's exile from the Soviet Union in 1929 Organized alphabetically in a double column country by country format this book charts the formation and growth of Trotskyism in more than sixty five countries providing biographic information about its most influential leaders detailed accounts of Trotsky's personal involvement in the

development of the movement in each country and thorough reports of its various factions and splits Multiple chapters are reserved for countries where the movement was more active or fully developed and various chapters are organized around crucial thematic issues such as the Fourth International The chapters are followed by extensive name organization publication and subject indexes which provide optimal access to the wealth of information contained in the main body of the work

Imperialism, Crisis and Class Struggle, 2010-03-22 This book of essays is written in honour of James Petras in recognition of his intellectual achievements and political interventions his steadfast principles distinguished scholarship extraordinary writing and uncompromising dedication to the popular struggles of millions across the world In recognition of his lifetime of significant contributions and central role in the global struggle for social justice the authors of this collection each a leading scholar in his own right address some of the most critical issues of our time those of imperialism crisis and class struggle These issues allow the authors to identify both the the enduring verities and contemporary face of capitalism and James Petras contributions to their work and that of others Contributors are Berch Berberoglu Tom Brass Ronald H Chilcote Ra l Delgado Wise John Bellamy Foster Hannah Holleman Ashok Kumbamu Fernando Leiva Stephen Lendman Morris Morley Michael Parenti and Henry Veltmeyer *Feminist Interpretations of Emma Goldman* Penny A. Weiss, Loretta Kensinger, 2010-11-01 *The Russian Revolution*, 2005-07 *Vietnamese Communism, 1925-1945* Kim Khánh Huỳnh, 1986

From a cell of nine men in 1925 the Vietnamese Communists grew by December 1976 into a massive party with over 1.5 million members and the organizational and military capabilities to defeat the United States What factors account for the outstanding success of the Indochinese Communist Party In this book Huỳnh Kim Khánh traces the Vietnamese Communist movement from its inception as a radical youth group founded by Ho Chi Minh then Nguyen Ai Quoc to its half planned half accidental victory in 1945

Legalizing the Revolution Sandipto Dasgupta, 2024-10-24 Theorizes the project of instituting a postcolonial order following decolonization through an account of the Indian constitution

Conversations with Trotsky Bruce Nesbitt, 2017-05-09 This collection presents all of Earle Birney's known published and unpublished writings on Trotsky and Trotskyism for the very first time It includes their correspondence as well as a selection of Birney's letters and literary writings Before he became one of Canada's most influential and popular twentieth century poets Earle Birney lived a double life To his students and colleagues he was an engaging university lecturer and scholar But for seven years from 1933 to 1940 the great Russian revolutionary Leon Trotsky was the focus of his writing and much of his life During his years as a Trotskyist in Canada the United States and England Birney wrote extensively about Trotsky corresponded with him organized Trotskyist cells in two countries and recruited on behalf of Trotskyism he also lectured on Trotsky and interviewed him over the course of several days One of his two novels is based on some of these activities The collection traces the origins of Trotsky's mistrust of the British to his experiences in Canada shows Birney's influence on a major shift in Trotsky's policy of entrism in British politics includes the largest body of Trotskyist criticism in Canadian literary history and demonstrates the need for a

radical re reading of Birney s poetry in light of his Trotskyism **Civil Resistance and Power Politics** Sir Adam Roberts, Timothy Garton Ash, 2011-09-29 This widely praised book identified peaceful struggle as a key phenomenon in international politics a year before the revolutions in Tunisia and Egypt confirmed its central argument Civil resistance non violent action against such challenges as dictatorial rule racial discrimination and foreign military occupation is a significant but inadequately understood feature of world politics Especially through the peaceful revolutions of 1989 and the developments in the Arab world since December 2010 it has helped to shape the world we live in Civil Resistance and Power Politics covers most of the leading cases including the actions master minded by Gandhi the US civil rights struggle in the 1960s the Islamic revolution in Iran in 1979 the people power revolt in the Philippines in the 1980s the campaigns against apartheid in South Africa the various movements contributing to the collapse of the Soviet Bloc in 1989 91 and in this century the colour revolutions in Georgia and Ukraine The chapters written by leading experts are richly descriptive and analytically rigorous This book addresses the complex interrelationship between civil resistance and other dimensions of power It explores the question of whether civil resistance should be seen as potentially replacing violence completely or as a phenomenon that operates in conjunction with and modification of power politics It looks at cases where campaigns were repressed including China in 1989 and Burma in 2007 It notes that in several instances including Northern Ireland Kosovo and Georgia civil resistance movements were followed by the outbreak of armed conflict It also includes a chapter with new material from Russian archives showing how the Soviet leadership responded to civil resistance and a comprehensive bibliographical essay Illustrated throughout with a remarkable selection of photographs this uniquely wide ranging and path breaking study is written in an accessible style and is intended for the general reader as well as for students of Modern History Politics Sociology and International Relations

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Russian Revolution The Overthrow Of Tzarism And The Triumph Of The Soviets**

In a global inundated with displays and the cacophony of immediate transmission, the profound energy and psychological resonance of verbal art frequently disappear in to obscurity, eclipsed by the constant assault of noise and distractions.
