Russian Symphony - Thoughts about Tchaikovsky Dmitri Shostakovich, 2013-03-01 Bonded Leather binding

Russian Symphony Dmitrii Dmitrievich Shostakovich, 1947 Peter Ilyich Tchaikovsky was a remarkable example of an artist who was completely wedded to his art whose whole being was dedicated to constant intensive creative work to the exclusion of everything else His life and his art were inseparably interwoven I literally cannot live without working he wrote once for as soon as one piece of work is finished and one would wish to relax instead of resting i e abandoning oneself to the pleasures of the weary toiler who has earned the right to the alluring dolce far niente one is a prey to depression and melancholy to thoughts of the futility of earthly existence fear for the future fruitless regrets about the irretrievable past the meaning of earthly existence in a word all that which poisons the life of a man who is not engrossed in the work and inclined to hypochondria and the result is the desire to tackle some new work without delay A group of Soviet musicians and composers under the leadership of Dmitri Shostakovich gathered their thoughts and impressions of Russia s most influential musical mind and presented this unusual volume of musical criticism This book is a work of collaboration of leading contemporary Soviet artists who throw the light of their own genius on the work and life of their eminent teacher There is an extensive index of Tchaikovsky s musical and literary works Pëtr Il'ich Tchaikovsky Gerald R. Seaman, 2019-08-23 P tr Il ich Tchaikovsky A Research and Information Guide is an annotated bibliography of substantial relevant published resources relating to the Russian composer Generally regarded as one of the most remarkable composers of the second half of the nineteenth century Tchaikovsky is unique in that he was the first outstanding Russian composer to receive a professional musical education being one of the first students to graduate from the newly opened St Petersburg Conservatory Composer of six symphonies concertos orchestral works eight major operas three ballets and many chamber keyboard and vocal works he also composed important sacred music which is currently being reassessed by contemporary Russian musicologists who are able to examine materials previously restricted or inaccessible during the Soviet period Like his colleagues in St Petersburg Tchaikovsky was deeply interested in Russian folk song which plays an important part in his works This volume evaluates the major studies written about the composer incorporating new information that has appeared in literary publications articles and reviews *An Index to Articles Published in The Etude Magazine, 1883-1957, Part 2* Pamela Richardson Dennis, 2011-01-01 Annotation The Index is published in two physical volumes and sold as a set for 250 00 As America s geography and societal demands expanded the topics in The Etude magazine first published in 1883 took on such important issues as women in music immigration transportation Native American and African American composers and their music World War I and II public schools new technologies sound recordings radio and television and modern music jazz gospel blues early 20th century composers in addition to regular book reviews teaching advice interviews biographies and advertisements Though a valued source particularly for private music teachers with the de emphasis on the professional elite

and the decline in salon music the magazine ceased publication in 1957 This Index to the articles in The Etude serves as a companion to E Douglas Bomberger's 2004 publication on the music in The Etude Published a little over fifty years after the final issue reached the public this Index chronicles vocal and instrumental technique composer biographies position openings department store orchestras the design of a successful music studio how to play an accordion recital programs in music schools and much more The Index is a valuable tool for research particularly in the music culture of American in the late nineteenth and early twentieth centuries With titles of these articles available the doors are now open for further research in the years to come *Russian Symphony : Thoughts about Tchaikovsky* Dmitrij Dmitrievič Šostakovič,1947 Russian Symphony; Thoughts About Tchaikovsky Dmitrii Dmitrievich 190 Shostakovich,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Subject Guide to Books in Print** ,2001
