Russian Writers and Society, 1825-1904 Ronald Hingley, 1973 **Russian Writers and Society in the Nineteenth Century** Ronald Hingley, 2021-06-15 This book first published in 1977 begins with a close look at the lives of nineteenth century Russian writers and at the problems of their profession It then examines their environment in its broader aspects the Russian empire being considered from the point of view of geography ethnography economics and the impact of individual Tsars on writers and society A discussion of the main social estates follows and concluding is an analysis in their literary context of the activities of the competing forces of cohesion and disruption in imperial society the civil service law courts police army schools universities press censorship revolutionaries and agitators This book makes possible a fuller understanding of the works of Pushkin Dostoyevsky Chekhov and the other great Russian writers **The Course of Russian History, 5th Edition** Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history **Leo Tolstoy and the Canadian Doukhobors** Andrew Donskov, 2019-11-19 This book is published in English Following the completion of his major novels War and Peace and Anna Karenina Russian writer Leo Tolstoy experienced a spiritual crisis that led him to denounce the privileges of his social class and its attendant material wealth and embrace the simple rural life of the peasantry In the persecuted Russian Doukhobor sect who also rejected militarism and church ritual in favour of finding God in their hearts he saw a prime example of how it was possible to live his new found pacifist ideals in everyday life He was so taken with their lifestyle calling the Doukhobors people of the 25th century that in 1898 he decided to help finance their mass emigration to Canada away from the persecutions of the Russian church and state Donskov's expanded study presents an outline of Doukhobor history and beliefs their harmony with Tolstoy's lifelong aim of unity of people and the portrayal of Doukhobors in Tolstoy's writings This edition features Tolstoy's complete correspondence with Doukhobor leader Petr Vasil'evich Verigin Three guest essays by prominent Canadian Doukhobors are also included Supported by a considerable array of source materials Donskov's monograph will be of relevance to anyone interested in religious philosophical sociological pacifist

historical or literary studies **Fathers and Sons** Ivan Sergeevich Turgenev, 1995-10-23 Set in 1859 at the moment when the Russian autocratic state began to move hesitantly towards social and political reform this novel explores the conflict between the liberal minded fathers of Russian reformist sympathies and their free thinking intellectual sons whose revolutionary ideology threatened the stability of the state *Interpreting Chekhov* Geoffrey Borny, 2006-08-01 The author's contention is that Chekhov's plays have often been misinterpreted by scholars and directors particularly through their failure to adequately balance the comic and tragic elements inherent in these works Through a close examination of the form and content of Chekhov's dramas the author shows how deeply pessimistic or overly optimistic interpretations fail to sufficiently account for the rich complexity and ambiguity of these plays The author suggests that by accepting that Chekhov's plays are synthetic tragi comedies which juxtapose potentially tragic sub texts with essentially comic texts critics and directors are more likely to produce richer and more deeply satisfying interpretations of these works Besides being of general interest to any reader interested in understanding Chekhov's work the book is intended to be of particular interest to students of Drama and Theatre Studies and to potential directors of these subtle plays *The Vanishing World of The Islandman* Máiréad Nic Craith, 2019-11-06 Exploring An t Oile nach anglicised as The Islandman an indigenous Irish language memoir written by Tom's Criomhthain Tom's O Crohan Mairiad Nic Craith charts the development of Criomhthain as an author the writing illustration and publication of the memoir in Irish and the reaction to its portrayal of an authentic Gaelic lifestyle in Ireland As she probes the appeal of an island fisherman's century old life story to readers in several languages considering the memoir's global reception in human literary and artistic terms Nic Craith uncovers the indelible marks of Criomhthain's writing closer to home the Blasket Island Interpretive Centre which seeks to institutionalize the experience evoked by the memoir and a widespread writerly habit amongst the diasporic population of the Island Through the overlapping frames of literary analysis archival work interviews and ethnographic examination nostalgia emerges and re emerges as a central theme expressed in different ways by the young Irish state by Irish American descendants of Blasket Islanders in the US today by anthropologists and beyond **Russian-American Dialogue on Cultural Relations, 1776-1914** Norman E.
