Russian Politics In Transition:

Russian Politics in Transition NIKOLAI. SERGEYEV BIRYUKOV (VICTOR.), Victor Sergeyev, 2019-05-31 First published in 1997 and written by two distinguished Russian scholars this book examines the problems and prospects of democratic transition in Russia since the disintegration of the Soviet Union Specifically it offers a compelling evaluation of the rise and fall of the 1990 Russian parliament The problems of transforming what had been a regional assembly into a national parliament are analysed in the context of the failure of perestroika the difficulties of generating pluralist politics the strength of presidential power and the tensions between ideologies of reform on the one hand and the realities of economic crisis on the other The analysis allows them to evaluate the role of political upheaval and conflicts of legitimacy in Russian democratization The book is divided into three sections The first offers a theory of transition to modern democracy This provides the framework for the second section an account of the first parliament after the 1990 elections its conflicts with presidential power and the reform agenda of the government and finally its fall The third section examines three particular problems which were decisive in producing the crisis of Russian parliamentarianism and democratization voting behaviour in a non party parliamentary setting and its relationship to conflicts between legislature and executive populism and representation and the role of democratic values and procedures in the legislative process Drawing on their unrivalled knowledge of issues events and actors Nikolai Biryukov and Victor Sergeyev gather and interpret much new evidence to explore their subject In a path breaking study the authors draw on a variety of sources and traditions to produce an original theory of the problems of political stability set up by democratic transition in Russia

NIKOLAI. SERGEYEV BIRYUKOV (VICTOR.), Victor Sergeyev, 2020-02-03 First published in 1997 and written by two distinguished Russian scholars this book examines the problems and prospects of democratic transition in Russia since the disintegration of the Soviet Union Specifically it offers a compelling evaluation of the rise and fall of the 1990 Russian parliament The problems of transforming what had been a regional assembly into a national parliament are analysed in the context of the failure of perestroika the difficulties of generating pluralist politics the strength of presidential power and the tensions between ideologies of reform on the one hand and the realities of economic crisis on the other The analysis allows them to evaluate the role of political upheaval and conflicts of legitimacy in Russian democratization The book is divided into three sections The first offers a theory of transition to modern democracy This provides the framework for the second section an account of the first parliament after the 1990 elections its conflicts with presidential power and the reform agenda of the government and finally its fall The third section examines three particular problems which were decisive in producing the crisis of Russian parliamentarianism and democratization voting behaviour in a non party parliamentary setting and its relationship to conflicts between legislature and executive populism and representation and the role of democratic values and procedures in the legislative process Drawing on their unrivalled knowledge of issues events and actors Nikolai Biryukov

and Victor Sergeyev gather and interpret much new evidence to explore their subject In a path breaking study the authors draw on a variety of sources and traditions to produce an original theory of the problems of political stability set up by democratic transition in Russia

Russian Politics in Transition Nikolai Biryukov, Victor Sergeyev, 2018-11-08 First published in 1997 and written by two distinguished Russian scholars this book examines the problems and prospects of democratic transition in Russia since the disintegration of the Soviet Union Specifically it offers a compelling evaluation of the rise and fall of the 1990 Russian parliament The problems of transforming what had been a regional assembly into a national parliament are analysed in the context of the failure of perestroika the difficulties of generating pluralist politics the strength of presidential power and the tensions between ideologies of reform on the one hand and the realities of economic crisis on the other The analysis allows them to evaluate the role of political upheaval and conflicts of legitimacy in Russian democratization The book is divided into three sections The first offers a theory of transition to modern democracy This provides the framework for the second section an account of the first parliament after the 1990 elections its conflicts with presidential power and the reform agenda of the government and finally its fall The third section examines three particular problems which were decisive in producing the crisis of Russian parliamentarianism and democratization voting behaviour in a non party parliamentary setting and its relationship to conflicts between legislature and executive populism and representation and the role of democratic values and procedures in the legislative process Drawing on their unrivalled knowledge of issues events and actors Nikolai Biryukov and Victor Sergeyev gather and interpret much new evidence to explore their subject In a path breaking study the authors draw on a variety of sources and traditions to produce an original theory of the problems of political stability set up by democratic transition in Russia

Russian Politics in Transition Nikolai Ivanovich Biryukov, Victor Sergeyev, Viktor Mikhailovich Sergeev, 1997 An account of Russian politics from the days of Perestroika to the disintegration of the USSR The author's look at the rise and fall of the first Russian parliament and the conflicts between the new Russian parliament particularly between the executive and the legislative

Russian Politics in Transition Oleg Andreev, Jan Åke Dellenbrant, 1993

Russian Politics in Transition Joan DeBardeleben, 1997 The text focuses on the construction of political institutions changes in culture and society and the politics of economic reform since the country achieved independence in 1991 The author's dual focus on both historical background and contemporary developments offers students a useful context for understanding the events in Russia today as they relate to the pre revolutionary Soviet and Perestroika periods of Russian history

Russia--lost in Transition Lilia Shevtsova, 2007 Russian history is first and foremost a history of personalized power As Russia startles the international community with its assertiveness and faces both parliamentary and presidential elections Lilia Shevtsova searches the histories of the Yeltsin and Putin regimes She explores within them conventional truths and myths about Russia paradoxes of Russian political development and Russia's role in the world Russia Lost in Transition discovers a logic of government in Russia a political

regime and the type of capitalism that were formulated during the Yeltsin and Putin presidencies and will continue to dominate Russia's trajectory in the near term Looking forward as well as back Shevtsova speculates about the upcoming elections as well as the self-perpetuating system in place the legacies of Yeltsin and Putin and how it will dictate the immediate political future She also explores several scenarios for Russia's future over the next decade *Russian Politics* Zoltan D. Barany, Robert G. Moser, 2001-08-27 What went wrong in Russia's decade-old post-communist transition A group of leading young scholars answer this question by offering assessments of five crucial political arenas during the Yeltsin era elections executive legislative relations interactions between the central state and the regions economic reforms and civil military relations All of the contributors recognize that adverse historical legacies have complicated Russian democratization They challenge structural explanations that emphasize constraints of the pre-existing system however and concentrate instead on the importance of elite decisions and institution building The authors agree that elites' failure to develop robust political institutions has been a central problem of Russia's post-communist transition The weakness of the state and its institutions has contributed to a number of serious problems threatening democratic consolidation These include the tensions between the executive and the legislature the frail infrastructure for successful market reform and the absence of proper civilian control over the armed forces *Russia in Transition* David Lane, 2014-09-25 An accessible book covering the momentous changes that have occurred and are still occurring since the fall of the USSR in 1989 Contributions from an impressive collection of authors are drawn from the most recent and original research available and address political and social issues which impact on all levels of Russian society The book consists of a selection of specially commissioned pieces which have evolved from the conference of the same name held at Cambridge University in December 1994 Regional Russia in Transition Jeffrey W. Hahn, 2001-10-25 From the John Holmes Library collection *Inside Russian Politics* Edwin Bacon, 2017-09-26 *Inside Russian Politics* is an intelligent critical and engaging account of the realities of contemporary Russian politics It is distinctive in widening our view of Russia beyond the standard account of global power plays and resurgent authoritarian menace Putin matters but he is not Russia Russian military adventurism has had a major effect on contemporary international affairs but assessing its aims and projecting future intentions and impacts requires analysis within a context deeper than the stock Cold War renewed story The holistic approach of this book facilitates our understanding of power politics in and beyond the Kremlin and of Russian policy on the international stage Revealing the Russia beyond Moscow and the central figures around Putin Edwin Bacon focuses on Russia's political present not to ignore the past but to move beyond cliché and misleading historical analogy to reveal the contemporary and future concerns of Russia's current generation of politicians **Developments in Russian Politics 5** Stephen White, Alex Pravda, Zvi Y. Gitelman, 2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to *Developments in Russian Politics 5* describe

the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia's continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world's largest country [Russia in Transition](#) N. G. Bugeuli, 1997 *Russia In Transition Left Right Or Center* **The International Politics of Eurasia: v. 8: Economic Transition in Russia and the New States of Eurasia** S. Frederick Starr, Karen Dawisha, 2016-09-17 First Published in 1996 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The contributors were chosen not only for their recognized expertise but also to ensure a stimulating diversity of perspectives and a dynamic mix of approaches This is Volume 8 *Economic Transition in Russia and the New States of Eurasia* *Russian Government and Politics* Eric Shiraev, 2020-10-06 Few countries have been transformed as rapidly and dramatically as Russia since the end of the Communist regime Yet the more that certain things change in Russia the more others remain the same The result is a political and social system of which almost every aspect is a work in progress marked by sudden accelerations slowdowns turnarounds and conundrums This lively and innovative third edition provides a clear and comprehensive picture of Russian politics which does full justice to its changes challenges and paradoxes A distinctive feature throughout is its emphasis on outlining basic facts and developments and setting these in historical contexts before moving on to critical analysis This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly New to this Edition Fully updated to cover the latest developments including 2018's presidential election Two chapters offering expanded coverage of foreign policy which better balances coverage of domestic and international affairs New content on elections presidential power constitutional amendments events in Ukraine political opposition economic and business policies domestic and global challenges facing Russia and Russia's vision of the world Accompanied by a revamped set of online resources such as multiple choice questions and PowerPoint slides [Routledge Handbook of Russian Politics and Society](#) Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook *Russian of Politics and Society* examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies

of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations Understanding Russian Politics Stephen White,2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world s largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic krizis and Russia s place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives **The Political Economy of Corporate Raiding in Russia** Ararat Osipian,2018-03-28 Corporate raiding the shocking phenomenon whereby criminals business rivals and even state bureaucrats visit business headquarters and force owners or staff to transfer business assets land or property is an increasing problem in Russia This book based on extensive original research provides a comprehensive overview of this activity It describes the nature of corporate raiding provides numerous case studies and discusses the role of the state and government officials Overall the book argues that the prevailing climate of business and government in Russia leads to a situation where control is closely linked to corruption and coercion *The Legacy Structure of Russia's One Hundred Year Transformation* David Foley,2018-11-16 Research and analysis of the post Soviet Russian experience of political economic and social change have generally focused attention on the complications and influences of the Soviet legacy on the transition process with most early main stream studies emphasizing the difficulties of the adoption of the institutions of democracy and a free market economy to the centralized command and control legacy structures carried over from that adjacent system to the more recent analyses that have attempted to explain why the Putinist hybrid authoritarian democracy emerged to take control of the Russian state The complex nature of the Russian experience of political social and economic change had yet to be explained as a long term legacy analysis until now with the linkages presented in this study of the legacies and structures that have defied attempts at reform by the Bolsheviks the Soviets and the modern Republicans The political geography of Russia represents a districting system that defines the people and places and represents an influential legacy structure that has had a long reach from the Russia of Imperialism to the

Russia of Putinism and the twenty first century A clearer understanding of the influences the Imperial legacy brings to the Russian transformation enables the student of post Soviet Russian transition an opportunity to contextualize the strong linkages of historical governance structures with the one hundred years of Bolshevik and Soviet system capture and the struggles of transformation faced by the government and people of Russia today **Russia** Alexander Lukin,2019-02-01 This book is based on the collection of articles centered around Russia and its policies The articles are grouped under three parts The first part contains articles on international relations Russian foreign policy and the situation in the world The main themes they cover include Russian policy in Asia and the Eurasian integration in which Moscow plays the most active role The second part looks at the theorization of Russia s internal processes issues concerning reforms to the communist system its troubled transition from Communism and analysis of the country s current political regime While elaborating on various reforms and transition from the communist system the author has suggested certain alternatives concepts Many of the articles analyze the shortcomings and inconsistencies of the modern Russian political system The third part is devoted to current issues in Russian politics the democratization process growing authoritarian tendencies mass protests and that evaluate the programs and policies of individual leaders The book will be of interest to those specializing in Russian foreign and domestic policy as well as to all those interested in following the developments of this country its role in the world and the global situation in general

Eventually, you will enormously discover a further experience and skill by spending more cash. yet when? pull off you bow to that you require to get those every needs once having significantly cash? Why dont you attempt to get something basic in the beginning? Russian Politics In Transition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Politics In Transition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Politics In Transition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Politics In Transition free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally

available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Russian Politics In Transition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Politics In Transition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Politics In Transition Books

1. Where can I buy Russian Politics In Transition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
