**Astrid S. Tuminez**

## **Russias Rulers Under The Old Regime:**

**Russia's Rulers Under the Old Regime** D. C. B. Lieven, 1989 *Russia's Rulers Under the Old Regime* Dominic Lieven, 1991-02-06 Who were the members of the Russian ruling elite during the reign of the last Tsar before the Revolution How did high level politics operate in Imperial Russia s last years In this highly original book Dominic Lieven probes deeply into the lives of the 215 men appointed by Nicholas II to the State Council which contained all important members of the Russian governmental system of that era Basing his research on previously untouched Soviet archival sources Dominic Lieven describes the social ethnic educational and career backgrounds of these men and he explores how their mentalities were shaped what their political views were and how their attitudes and opinions were influenced by their differing backgrounds and careers Lieven looks not only forward to the causes of the collapse of the old regime but in his introductory chapter backward as well tracing the history of the Russian ruling elite from its earliest origins and making comparisons with the ruling elite of other societies His conclusions about the resilience of the old aristocratic Russian families and the operation of their self protective career advancing network are striking and original Lieven s book serves many purposes It tells us a great deal about the balance of power between the bureaucrats and their monarchs it brings to life the members of the last ruling elite and it reveals interesting information about the role and personality of the Emperor Nicholas II By making regular comparisons with aristocratic elites elsewhere it sets the Russian experience in a broader European context And by looking at Russia s problems through the eyes of its ruling aristocracy it enables us to understand a good deal that is otherwise incomprehensible about the coming of the Russian Revolution **Russia's Rulers Under the Old Regime** D. C. B. Lieven, 1989 Karl W. Ryavec, 2005 This unique study provides an original nitty gritty view of the true nature and operation of Russia s state bureaucracy from the imperial period to the present including the Putin presidency The only book length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times this detailed work sheds important new light on Russian public administration an often overlooked but key barrier to Russian normalization and democratization **The Radical Right in Late Imperial Russia** George Gilbert, 2015-11-19 The revolutionary movements in late tsarist Russia inspired a reaction by groups on the right Although these groups were ostensibly defending the status quo they were in fact as this book argues very radical in many ways This book discusses these radical rightist groups showing how they developed considerable popular appeal across the whole Russian Empire securing support from a wide cross section of society The book considers the nature and organisation of the groups their ideologies and policies on particular issues and how they changed over time The book concludes by examining how and why the groups lost momentum and support in the years immediately before the First World War and briefly explores how far present day rightist groups in Russia are connected to this earlier movement *Russia in the Age of Reaction and Reform 1801-1881* David Saunders, 2014-07-30 This eagerly awaited study of Russia under Alexander I Nicholas I and Alexander II the Russia of War

and Peace and Anna Karenina brings the series near to completion David Saunders examines Russia's failure to adapt to the era of reform and democracy ushered into the rest of Europe by the French Revolution Why despite so much effort did it fail This is a superb book both as a portrait of an age and as a piece of sustained historical analysis **The History of Russia from 1801 to the Present** Rosina Beckman, 2018-07-15 In the slightly more than two centuries since the dawn of the nineteenth century Russia has undergone sweeping changes several times over Readers will learn about the tension between reform and autocracy that marked the nineteenth century World War I and the fall of the last tsar and the rise of the USSR They will examine the USSR's time as a twentieth century superpower the fall of communism and Russia's current power plays for global influence Sidebars provide extra information while historical photographs let readers see the figures and events that shaped Russian history with their own eyes **The Concept of Russia** Katlijn Malfliet, Francisca Scharpé, 2003 How can we best define Russia's long term national interests in the field of political sovereignty sustainable economic development and military security How will Russia view its federal state structure as it finds itself confronted with a centuries old tension between national and regional identity Does Russia have to make a choice between East and West All these questions relate to the centuries old debate on the Russian Idea The contributors to this book seek to study the quest for Russian identity approaching this multi layered and diffuse problem from a historical political cultural and economic perspective **Longman Companion to Imperial Russia, 1689-1917** David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period **Russian Nationalism Since 1856** Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases\_Russian panslavism in 1856 1878 and great power nationalism in 1905 1914\_ when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior *Russia: A History, New Edition* Gregory Freeze, 2002-03-28 Drawing on recently opened archival materials leading American and European scholars provide an authoritative interpretation of Russian history and culture ranging from the eighth century to the recent creation of the Commonwealth of Independent States **Russian Conservatism** Paul Robinson, 2019-10-15 Russian Conservatism examines the history of Russian conservative thought from the beginning of the nineteenth century to the present Robinson charts the contributions made by philosophers politicians and others during the Imperial Soviet and post Soviet periods Looking at cultural political and social

economic conservatism in Russia Russian Conservatism demonstrates that such ideas are helpful in interpreting Russia s present as well as its past and will be influential in shaping Russia s future for better or for worse in the years to come

Count Sergei Witte and the Twilight of Imperial Russia Sidney Harcave,2015-04-08 Sergei Witte served as finance minister and later prime minister of Russia during the reigns of Alexander III and Nicholas II and was in large part responsible for the development policies which saw Russia transformed from a peasant economy into an industrial nation This is the first biography of Witte in English

*Stalin* Stephen Kotkin,2015-10-13 In his biography of Stalin Kotkin rejects the inherited wisdom about Stalin s psychological makeup showing us instead how Stalin s near paranoia was fundamentally political and closely tracks the Bolshevik revolution s structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin s momentous decisions outside of the context of the history of imperial Russia

*Russia at War* Timothy C. Dowling,2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia s military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration

The Russian Tragedy: The Burden of History Hugh Ragsdale,2016-09-16 This work provides an interpretive history of Russia from earliest times to today recounting the story of Russia s past It discusses Russia s strengths and weaknesses as a civilization and the challenges posed by the contemporary effort to remake Russia

**Ukrainian Past Ukrainian Present** Bohdan Krawchenko,1993-07-13

The End of Tsarist Russia Dominic Lieven,2016-08-16 An Economist Best Book of the Year A Financial Times Best Book of the Year Winner of the the Pushkin House Russian Book Prize Finalist for the Lionel Gelber Prize An Amazon Best Book of the Month History One of the world s leading scholars offers a fresh interpretation of the linked origins of World War I and the Russian Revolution Lieven has a double gift first for harvesting details to convey the essence of an era and second for finding new startling and clarifying elements in familiar stories This is history with a heartbeat and it could not be more engrossing Foreign Affairs World War I and the Russian Revolution together shaped the

twentieth century in profound ways In *The End of Tsarist Russia* acclaimed scholar Dominic Lieven connects for the first time the two events providing both a history of the First World War s origins from a Russian perspective and an international history of why the revolution happened Based on exhaustive work in seven Russian archives as well as many non Russian sources Dominic Lieven s work is about far more than just Russia By placing the crisis of empire at its core Lieven links World War I to the sweep of twentieth century global history He shows how contemporary hot issues such as the struggle for Ukraine were already crucial elements in the run up to 1914 By incorporating into his book new approaches and comparisons Lieven tells the story of war and revolution in a way that is truly original and thought provoking *Imperial Rivals* Sarah C.M. Paine,2023-05-31 Based on archival research this is a history of the Russo Chinese border which examines Russia s expansion into the Asian heartland during the decades of Chinese decline and the 20th century paradox of Russia s inability to sustain political and economic sway over its domains **Russian Peasants Go to Court** Jane Burbank,2004-09-16 will challenge and should transform existing interpretations of late Imperial Russian governance peasant studies and Russian legal history Cathy A Frierson a major contribution to our understanding both of the dynamic of change within the peasantry and of legal development in late Imperial Russia William G Wagner *Russian Peasants Go to Court* brings into focus the legal practice of Russian peasants in the township courts of the Russian empire from 1905 through 1917 Contrary to prevailing conceptions of peasants as backward drunken and ignorant and as mistrustful of the state Jane Burbank s study of court records reveals engaged rural citizens who valued order in their communities and made use of state courts to seek justice and to enforce and protect order Through narrative studies of individual cases and statistical analysis of a large body of court records Burbank demonstrates that Russian peasants made effective use of legal opportunities to settle disputes over economic resources to assert personal dignity and to address the bane of small crimes in their communities The text is enhanced by contemporary photographs and lively accounts of individual court cases

## Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Russias Rulers Under The Old Regime**

In a world inundated with screens and the cacophony of immediate interaction, the profound power and emotional resonance of verbal art usually diminish into obscurity, eclipsed by the constant assault of sound and distractions. However, situated within the lyrical pages of **Russias Rulers Under The Old Regime**, a fascinating work of fictional elegance that pulses with raw feelings, lies an remarkable trip waiting to be embarked upon. Penned by a virtuoso wordsmith, that magical opus guides readers on a psychological odyssey, softly revealing the latent potential and profound influence embedded within the complicated internet of language. Within the heart-wrenching expanse with this evocative analysis, we will embark upon an introspective exploration of the book is key themes, dissect its charming writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
